**The Bible in Arabic** Sidney H. Griffith,2015-10-27 From the first centuries of Islam to well into the Middle Ages, Jews and Christians produced hundreds of manuscripts containing portions of the Bible in Arabic. Until recently, however, these translations remained largely neglected by Biblical scholars and historians. In telling the story of the Bible in Arabic, this book casts light on a crucial transition in the cultural and religious life of Jews and Christians in Arabic-speaking lands. In pre-Islamic times, Jewish and Christian scriptures circulated orally in the Arabic-speaking milieu. After the rise of Islam--and the Qur'an's appearance as a scripture in its own right--Jews and Christians translated the Hebrew Bible and the Greek New Testament into Arabic for their own use and as a response to the Qur'an's retelling of Biblical narratives. From the ninth century onward, a steady stream of Jewish and Christian translations of the Hebrew Bible and New Testament crossed communal borders to influence the Islamic world. The Bible in Arabic offers a new frame of reference for the pivotal place of Arabic Bible translations in the religious and cultural interactions between Jews, Christians, and Muslims.

**The Karaite Tradition of Arabic Bible Translation** Meira Polliack,2022-03-28 This volume deals with the medieval Karaite practice and concept of Arabic Bible translation. It is based on a linguistic analysis of Karaite versions of the Pentateuch written in Palestine during the 10th and 11th centuries C.E. Trends and tendencies in the Karaite translations are discussed in the light of individual Karaite statements on the art and purpose of Bible translation, and in comparison with Saadia Gaon's translation methodology, in an attempt to reconstruct the possible origins and historical background of the Karaite translation tradition. The exegetical study is especially relevant to the Bible scholar and medieval philosopher, while the linguistic study will also interest the comparative Semitist, translation theorist and all those concerned with Judaeo-Arabic language and literature.

**The Bible, the Koran, and the Talmud; Or, Biblical Legends of the Mussulmans. Compiled from Arabic Sources, and Compared with Jewish Traditions** G. Weil,2017-09-14 Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world.The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles

that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality, but also providing value to every one of our readers.
