Arabic You Already Know Adbul Arabic,2017-06-12 Welcome to the fastest resource available to grow your Arabic vocabulary now. Are you looking for strategies to quickly and easily grow your Arabic vocabulary across a wide variety of subjects? You have found the book to help you do just that, in the

fastest way possible. Arabic is very different than English and other romance languages. People will tell you that there are no similarities. But that is simply not true! Arabic and English share and borrow hundreds of words. Throughout the centuries many Arabic words were introduced into English and other European languages. Similarly, in modern times many words of English and European origin are now found in the Arabic language. These words are found in many fields and subjects. Utilizing these words, you can quickly and easily boost your Arabic vocabulary with minimal effort. In fact, many of these words are considered advanced and high-level Arabic. These words will be very familiar to you, and can be easily incorporated into your current language. Most of them you already use frequently in English. A few of the words on the list also happen to sound the same, or have a closely related shared sound and meaning. Because of these similarities, you will also find them easy to learn and use. This book contains over 1000 words, and is possibly the largest book of its kind compiled to-date for study of the Arabic language. The words are placed into categories, and each word includes English, Arabic and a rough pronunciation guide. Some notes are included for clarification. This deluxe bilingual edition includes both English and Arabic, and is categorized for easy reference. Students that are beginning to learn Arabic can use these as a bridge to quickly build a foundation of vocabulary to use in their studies and initial conversations. Instructors can use these to inspire confidence and progress in their students. The more advanced students can most quickly absorb the lists, enhancing their vocabulary by hundreds of words in record time. Students are likely to discover these words one by one during classes and study. Now with Arabic You Already Know you can rapidly speed up learning significantly.

Arabic Vocabulary Book Pinhok Languages,2022-04-29 Arabic vocabulary book + Arabic dictionary This Arabic vocabulary book contains more than 3000 words and phrases which are grouped by topic to make it easier for you to pick what to learn first. On top of that, the index in the second half of the book provides you with a basic Arabic-English as well as English-Arabic dictionary which makes this a great resource for learners of all levels. What you can expect from this book: This Arabic learning resource is a combination of Arabic vocabulary book and a two-way basic Arabic dictionary: Part 1 - Topic based Arabic vocabulary book: This is the main part of the book and represents a list of chapters each containing Arabic vocabularies for a certain topic. The Arabic vocabularies in the chapters are unsorted on purpose to separate remembering them from a defined alphabetical order. You can start at any chapter and dive directly into the topics that interest you the most. Part 2 - Basic English-Arabic dictionary: The index in the second half of the book can be used as a basic Arabic dictionary to look up words you have learned but can't remember or learn new words you need. Part 3

- Basic Arabic-English dictionary: Easy to use and with just the right amount of words, this third part finishes off with a second index that allows you to look for Arabic words and directly find the English translation. How to use this Arabic vocabulary book: Not sure where to start? We suggest you first work your way through the verbs, adjectives and phrases chapters in part one of the book. This will give you a great base for further studying and already enough vocabulary for basic communication. The Arabic dictionaries in part two and three can be used whenever needed to look up words you hear on the street, English words you want to know the Arabic translation for or simply to learn some new words. Some final thoughts: Vocabulary books have been around for centuries and as with so many things that have been around for some time, they are not very fashionable and a bit boring, but they usually work very well. Together with the basic Arabic dictionary parts, this vocabulary book is a great resource to support you throughout the process of learning Arabic and comes in particularly handy at times when there is no internet to look up words and phrases.

How to Learn and Memorize Arabic Vocabulary Anthony Metivier, 2014-06-14 If you've ever wanted to improve your ability to learn and memorize Modern Standard Arabic vocabulary by 100% ... 200% ... 300% (or more) using simple skills you can learn in under an hour (or less), then this may be the most important book you will ever read. Believe it or not, it doesn't matter if you have a good memory or not. The information in this book will teach you: * Why memory techniques are like a bicycle everyone can ride (with some minor personal adjustments). * The real reason why no one should ever be squeamish about memorization or learning a language. * Why and how some of the most famous memory skills are applicable to learning any language, especially Arabic. * How to create a 28 letter location memory system based on the Arabic alphabet and exactly how to memorize the alphabet in less than an hour. * Sample examples that will show you exactly how and why these memory techniques and strategies work. * Unique approaches that will have you literally tuning in on the Arabic language so that you can memorize its vocabulary and recall it with ease. * How to use actors, other public figures and famous pieces of artwork to help you effortlessly memorize and easily Arabic vocabulary. * How to separate Arabic words in the most effective manner for memorization and recall. * A simple strategy for memorizing the numerous orthographic marks used in Arabic (a process that some people consider the ultimate nightmare of learning Modern Standard Arabic.) * A list of resources, including the secret to finding the absolute best dictionary to use when learning and memorizing Arabic vocabulary. * How having a larger vocabulary will fill your travel in Arabic-speaking countries (Saudi Arabia, Sudan, Morocco, Yemen, Algeria, etc.) with greater freedom to explore and enjoy the sights and culture. * ... and much, much more! These techniques have been used by real language learners, most of whom previously considered themselves owners of a bad memory to make real strides in acquiring Arabic. Don't worry! None of these techniques are rocket science and none of them involve complicated brain surgery. Frankly, if you can memorize a short email address or the name of a movie, then you can use this system to memorize a language as rich and diverse as

Arabic. But there's really no time to lose. Every day that you are not using this simple vocabulary memorization system, you are literally stealing from yourself the joy of reading, speaking and knowing Arabic as you easily expand the natural abilities of your mind.
