**Esther in Medieval Garb** Barry Dov Walfish,2012-02-01 This comprehensive history, the first to appear in English, gives a vivid portrayal of the Book of Esther's role in the intellectual and cultural life of Jews in the Middle Ages. Much of the study is based on material that exists only in manuscripts, and it introduces many exegetes hitherto unknown or unstudied.

**The Land Is Mine** Andrew D. Berns,2022-03-04 Based on the biblical commentaries of rabbis and writers who were exiled from Spain in 1492, The Land Is Mine presents late medieval and early modern Iberian Jewish intellectuals as deeply concerned with questions about human relationships to land.

*Jewish Virtue Ethics* Geoffrey D. Claussen, Alexander Green, Alan L.

Mittleman, 2023-08-01 What is good character? What are the traits of a good person? How should virtues be cultivated? How should vices be avoided? The history of Jewish literature is filled with reflection on questions of character and virtue such as these, reflecting a wide range of contexts and influences. Beginning with the Bible and culminating with twenty-first-century feminism and environmentalism, *Jewish Virtue Ethics* explores thirty-five influential Jewish approaches to character and virtue. Virtue ethics has been a burgeoning field of moral inquiry among academic philosophers in the postwar period. Although Jewish ethics has also flourished as an academic (and practical) field, attention to the role of virtue in Jewish thought has been underdeveloped. This volume seeks to illuminate its centrality not only for readers primarily interested in Jewish ethics but also for readers who take other approaches to virtue ethics, including within the Western virtue ethics tradition. The original essays written for this volume provide valuable sources for philosophical reflection.

Dogma in Medieval Jewish Thought Menachem Kellner,2004-07-22 'An important contribution to the history of dogma in Judaism and to the history of fifteenth-century Jewish thought in particular.' Chava Tirosch-Rothschild, Critical Review 'A work of serious scholarship. It will no doubt become the standard work on the subject for many years to come.' Jewish Book News & Reviews 'A detailed analysis of Maimonides's position and its aftermath ... a scholarly analysis ... Kellner steers us deftly through the complex argument. His is the most thorough treatment so far of this still relevant chapter in the history of Jewish thought.' Jonathan Sacks, L'Eylah

**The Evangelical War Against Slavery and Caste** Victor B. Howard,1996 This book is a biography of John G. Fee, who was a product of the Great Awakening of the early nineteenth century, the economies of the small slave-holding farm, and the intimacies and comradeship of black and white children. Born in Bracken County, Kentucky, in 1816, Fee is a unique figure in the antislavery movement. Most abolitionists were northern born, but they were assisted and supported by many antislavery men who left the South and worked against slavery from the northern states. Both groups addressed themselves to the problem of slavery from the security of the North, but Fee was born in the South and

chose to live there and work against the peculiar institution from within its stronghold. He became the most important and influential reformer to wage war against slavery in the South during the nineteenth century and ultimately had the longest career in race relations, extending into the twentieth century. --From publisher's description.

**Your Voice Like a Ram's Horn** Marc Saperstein, 2014-10-01 The eighteen studies in this book continue the exploration of the Jewish sermon Saperstein began in his groundbreaking *Jewish Preaching 1200-1800*. His new research further illustrates the importance of this genre, largely ignored by modern scholarship, as an indispensable resource for understanding Jewish history, spirituality, and thought from the High Middle Ages to the beginning of the Emancipation in Europe. Saperstein's thematic studies explore the most important occasions for traditional rabbinic preaching: the Days of Awe and the Passover season. Two studies focus on the homiletical exegesis of classical Jewish texts, and two deal with the historical interaction of Christians and Jews. Saperstein discusses the diffusion of philosophical ideas through homiletics and identifies central conceptual issues presented in the Italian Jewish pulpit. Other essays include a critical analysis of the work of Saul Levi Morteira of Amsterdam, an examination of sermons in eighteenth-century Prague for indications of a traditional community in crisis, and homiletical evidence for a developing sense of patriotic identification with the state, even before Emancipation changed the legal status of the Jews. Saperstein also presents newly discovered sermonic texts in order to explore a full panoply of issues relating to historical context and genre. All are published for the first time with his annotated translation accompanying the Hebrew original. Included are a Guide for Preachers, sermons on

repentance and on the Binding of Isaac, and three eulogies, the last a fascinating memorialization of the antisemitic empress Maria Theresa.

The book *Sefer Nefuṣot Yehudah* belongs to the very centre of his homiletic and philosophical oeuvre.

**Carved Histories** Roger Neich, 2001 This comprehensive guide examines the personal histories, roles, and personalities that played into the traditional cultural art of carving. It also traces the influence of European patronage and the ensuing tourist trade upon this art form, as many Maori carvers began styling and catering their product to meet their clients' aesthetic desires. Included is a discussion of the establishment of the government-

sponsored Rotorua School of Maori Art in 1928, which appointed as the main tutor Eramiha Kapua, a Ngati Tarawhai carver, thus helping his own traditional tribal art to make the transition into a modern “national” art.

**Don Isaac Abravanel, Statesman & Philosopher** Benzion Netanyahu, 1998 Don Isaac Abravanel (1437-1508) was a major historical figure during the waning of the Middle Ages. Statesman, diplomat, courtier, and financier, he was, at the same time, a scholar of encyclopedic learning, a philosopher, an exegete, a prolific author, a mystic, and an apocalypticist. In Abravanel, B. Netanyahu suggests, two long lines of tradition met and concluded: that of medieval Jewish statesmen and that of medieval Jewish philosophers. In what is both a biography and an exploration of Abravanel's thought and influence, Netanyahu describes how Abravanel illuminated the grave crisis and profound transformation experienced by the Jewish people after the Spanish expulsion. First published in 1953, Don Isaac Abravanel has been out of print for several years. This new edition includes revisions in the text, notes, and bibliography.
