Ying-Ying Zheng

Are We Nearly There Yet? Ben Hatch, 2011-08-01 When Ben and Dinah saw the advert looking for a husband and wife team with young kids to write a guidebook about family travel around Britain, they jumped at the chance. They embark on a mad-cap five-month trip, embracing the freedom of the open road with a spirit of discovery and an industrial supply of baby wipes.

*Harnessing Chaos* James G. Crossley, 2014-08-28 *Harnessing Chaos* is an explanation of changes in dominant politicized assumptions about what the Bible 'really means' in English culture since the 1960s. James G. Crossley looks at how the social upheavals of the 1960s, and the economic shift from the post-war dominance of Keynesianism to the post-1970s dominance of neoliberalism, brought about certain emphases and nuances in the ways in which the Bible is popularly understood, particularly in relation to dominant political ideas. This book examines the decline of politically radical biblical interpretation in parliamentary politics and the victory of (a modified form of) Margaret Thatcher's re-reading of the liberal Bible tradition, following the normalisation of (a modified form of) Thatcherism more generally. Part I looks at the potential options for politicized readings of the Bible at the end of the 1960s, focussing on the examples of Christopher Hill and Enoch Powell. Part II analyses the role of Thatcher's specific contribution to political interpretation of the Bible and assumptions about 'religion'. Part III highlights the importance of (often unintended) ideological changes towards forms of Thatcherite interpretation in popular culture and with particular reference to Monty Python's *Life of Brian* and the Manchester music scene between 1976 and 1994. Part IV concerns the modification of Thatcher's Bible, particularly with reference to the embrace of socially liberal values, by looking at the electoral decline of the Conservative Party through the work of Jeffrey Archer on Judas and the final victory of Thatcherism through Tony Blair's exegesis. Some consideration is then given to the Bible in an Age of Coalition and how politically radical biblical interpretations retain a presence outside parliamentary politics. *Harnessing Chaos* concludes with reflections on why politicians in English politicians bother using the Bible at all.

*The Smallest Oasis* Henry Porter, 2015-12-03 This book is about rejecting Hamitic movements in America and the world. The concept came to him after several decades of studies of the most sound literature, resembling Joseph Conrad. He was glad to turn down more passion, getting out of superdiabolical satsipassion. The anti-Londonism or anti-Londonianism appealed. This reminded him of his novel of Anette Benning: *Frankenstein-Five*, which was a Frankenstein novel in the bizarrely distant future of One Million A.D. *One Million A.D.* was the sequel of it. Anette Benning and the Third Reich, which was a novel of time travel. *The Smallest Oasis* was a borrowed title of Nietzsche's Thus Spake Zarathrusta.

*Explicit Instruction* Anita L. Archer, Charles A. Hughes, 2011-02-22 Explicit instruction is systematic, direct, engaging, and success oriented--and has been shown to promote achievement for all students. This highly practical and accessible resource gives special and general education teachers the tools to implement explicit instruction in any grade level or content area. The authors are leading experts who provide clear guidelines for identifying key concepts, skills, and routines to teach; designing and delivering effective lessons; and giving students opportunities to practice and master new material. Sample lesson plans, lively examples, and reproducible checklists and teacher worksheets enhance the utility of the volume. Purchasers can also download and print the reproducible materials for repeated use. Video clips demonstrating the approach in real classrooms are available at the authors' website: [www.explicitinstruction.org](http://www.explicitinstruction.org). See also related DVDs from Anita Archer: *Golden Principles of Explicit Instruction*; *Active Participation: Getting Them All Engaged, Elementary Level*; and *Active*
