*A Hero of France* Alan Furst,2016-05-31 NEW YORK TIMES BESTSELLER • From the bestselling master espionage writer, hailed by Vince Flynn as “the best in the business,” comes a riveting novel about the French Resistance in Nazi-occupied Paris. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST 1941. The City of Light is dark and silent at night. But in Paris and in the farmhouses, barns, and churches of the French countryside, small groups of ordinary men and women are determined to take down the occupying forces of Adolf Hitler. Mathieu, a leader of the French Resistance, leads one such cell, helping downed British airmen escape back to England. Alan Furst’s suspenseful, fast-paced thriller captures this dangerous time as no one ever has before. He brings Paris and occupied France to life, along with courageous citizens who outmaneuver collaborators, informers, blackmailers, and spies, risking everything to fulfill perilous clandestine missions. Aiding Mathieu as part of his covert network are Lisette, a seventeen-year-old student and courier; Max de Lyon, an arms dealer turned nightclub owner; Chantal, a woman of class and confidence; Daniel, a Jewish teacher fueled by revenge; Joëlle, who falls in love with Mathieu; and Annemarie, a willful aristocrat with deep roots in France, and a desire to act. As the German military police heighten surveillance, Mathieu and his team face a new threat, dispatched by the Reich to destroy them all. Shot through with the author’s trademark fine writing, breathtaking suspense, and intense scenes of seduction and passion, Alan Furst’s *A Hero of France* is at once one of the finest novels written about the French Resistance and the most gripping novel yet by the living master of the spy thriller.

There was nothing in the world as magical and terrifying as a girl. Princess Guinevere has come to Camelot to wed a stranger: the charismatic King Arthur. With magic clawing at the kingdom's borders, the great wizard Merlin conjured a solution--send in Guinevere to be Arthur's wife . . . and his protector from those who want to see the young king's idyllic city fail. The catch? Guinevere's real name--and her true identity--is a secret. She is a changeling, a girl who has given up everything to protect Camelot. To keep Arthur safe, Guinevere must navigate a court in which the old--including Arthur's own family--demand things continue as they have been, and the new--those drawn by the dream of Camelot--fight for a better way to live. And always, in the green hearts of forests and the black depths of lakes, magic lies in wait to reclaim the land. Deadly jousts, duplicitous knights, and forbidden romances are nothing compared to the greatest threat of all: the girl with the long black hair, riding on horseback through the dark woods toward Arthur. Because when your whole existence is a lie, how can you trust even yourself? \*THE FIRST BOOK IN THE CAMELOT RISING TRILOGY\*

**Talulla Rising** Glen Duncan,2012-06-26 When I change I change fast. The moon drags the whatever-it-is up from the earth and it goes through me with crazy wriggling impatience . . . I’m twisted, torn, churned, throttled—then rushed through a blind chicane into ludicrous power . . . A heel settles. A last canine hurries through. A shoulder blade pops. The woman is a werewolf. The woman is Talulla Demetriou. She’s grieving for her werewolf lover, Jake, whose violent death has left her alone with her own sublime monstrousness. On the run, pursued by the hunters of WOCOP (World Organisation for the Control of Occult Phenomena), she must find a place to give birth to Jake’s child in secret. The birth, under a full moon at a remote Alaska lodge, leaves Talulla ravaged, but with her infant son in her arms she believes the worst is over—until the windows crash in, and she discovers that the worst has only just begun . . . What follows throws Talulla into a race against time to save both herself and her child as she faces down the new, psychotic leader of WOCOP, a cabal of blood-drinking religious fanatics, and (rumor has it) the oldest living vampire. Harnessing the same audacious imagination and dark humor, the same depths of horror and sympathy, the same full-tilt narrative energy with which he crafted

his acclaimed novel *The Last Werewolf*, Glen Duncan now gives us a heroine like no other, the definitive twenty-first-century female of the species. **BONUS MATERIAL:** This ebook edition includes an excerpt from Glen Duncan's *By Blood We Live*.

**The Scars We Choose** A. Lee Hughes, 2020-07-08 Scarlett Elizabeth Nell Waverly has a story to tell and it's as big as her name. Like most stories, hers is divided into interwoven parts. The first part starts when she's young and her family buys a beach house on the Florida Gulf Coast. That's where she meets and falls in love with Julian Rose, a handsome biracial boy with a scarred face and a whacky, secret-keeping family. Just like her own. But not quite. Young Lizzie Nell's family disapproves of her friendship and budding romance with Julian Rose and they take drastic measures at keeping them apart. Julian also has a story, a story as magical as his haint blue eyes, only he's still trying to figure out where it starts and how it ends. Not long after he turns nine and learns a little about his mother's disappearance, Julian sets out to write her messages, stuffing them inside empty rum bottles and tossing them into the Gulf. Although he doesn't yet know it, there is magic in his words, a magic as remarkable as his connection to the little girl down the beach. As time moves on, and the two blossom into adolescence, Lizzie Nell can no longer live the life her family has chosen for her. She runs away-from school, from her unrelenting mother, and even from her name-setting out for New Orleans where she and Julian have planned to make a life together. But some things have a way of finding us, like our scars, the truth, and despondent mothers. The first book in a two-part series, *THE SCARS WE CHOOSE* is a coming-of-age story about how we define love, the ways in which we cope when overcoming adversity, and the consequences that can arise when we allow other people, places, and events to affect our decisions, and ultimately, our happiness.
