Shanna Germain

Vanilla Billy Merrell, 2017-10-10 A bold, groundbreaking novel about coming out, coming into your own, and coming apart. Vanilla and Hunter have been dating since seventh grade. They came out together, navigated middle school together, and became that couple in high school that everyone always sees as a couple. There are complications and confusions, for sure. But most of all, they love each other. As high school goes, though, and as their relationship deepens, some cracks begin to show. Hunter thinks they should be having sex. Vanilla isn't so sure. Hunter doesn't mind hanging out with loud, obnoxious friends. Vanilla would rather avoid them. If they're becoming different people, can they be the same couple? Falling in love is hard. Staying in love is harder.

Kinky Sex Tips for Curious Girls Natasha Strange, 2019-09-07 Kinky Sex Tips For Curious Girls provides a fun, shame-free introduction to kink and BDSM, modeled after the activity books you loved as a kid. It mixes solid advice about kink and BDSM with puzzles, games, and coloring pages. Each chapter is based on the most commonly asked questions Natasha is asked when coaching women who are new to exploring kink and BDSM. In addition to the kinky activity and color pages, there is a template for a modern day slave contract (yes, including options for people with real life obligations like work and kids) as well as pair of negotiation forms similar to the one Natasha uses when taking in new clients. Whether you are just trying to spice things up a little - or dive in deep - this book will help you understand yourself and your partner - while providing hours of entertainment! Natasha Strange has been a professional dominatrix since 1995, specializing in creative sadistic escapism. Offering sessions in a wide variety of disciplines,

she has cultivated a deep understanding of what draws people to kink. Miss Strange loves deep and longer term relationships with submissives above all, so she can truly invade their brain and bring their kinks to life. She believes that most people who indulge in kink and BDSM are searching to fulfill emotional needs. As a dominant she uses those emotional goals as a guide when addressing physical desires. She is well known for her love of sissification and emasculation, and loves to transform macho men into her sissified playthings. Few things bring her more joy than spanking, caning or whipping a pantied masculine ass. When not tormenting her adoring submissives, she is a BDSM coach and kink educator helping destigmatize non-standard sexual desires. As the co-owner of Sub Rosa, a fully equipped boutique fetish space located in Portland Oregon, she and her business partner, Mistress Viola Parker, strive to create an inviting space for others to learn and practice safe, sane, consensual kink and BDSM. You can read more about her at www.KittenWithAWhip.com and about her fetish space, Sub Rosa at www.SubRosaPDX.com.

How to Start a Kinky Relationship James Amoureux, 2011-03-01 How To Start A Kinky Relationship is for the kink-curious novice as well as the seasoned bondage master and long time S&M submissive. People who never had the pleasure of a kinky relationship will find all the tools they need to get the ball rolling. People who have been kinky in the past but just fell into it will have a systematic approach to starting and growing their next relationship. People who already self-identify as kinky or queer or pervert will find plenty of insights that will improve their overall communication and sexual relationships. This book delves into the mindset, activities, and communication styles that make kinky

relationships great. It shows you how to get comfortable with kink, find partners, screen them for compatibility, communicate your desires, and grow your relationship. It does not detail rope bondage techniques, how to become a leather-studded sex machine, or how to use the Force to lure unsuspecting Jedi to the Kinky side. Rather it will help you understand your own personal preferences and how to find a compatible partner to play with. The focus of this book is on relationships, not landing kinky quickies with your online hook up. Still, casual encounters follow the same principles: know what you want, be congruent, define your relationship terms, get enthusiastic consent, and take responsibility for your actions. Then you can keep yourself busy having the most amazing, wild, mind-blowing sex the world has ever known.

Domme Chronicles Sharyn Ferns, 2013-12-16 This anthology of true life vignettes offers intimate glimpses into hot BDSM play between a female dominant and her boy. It includes passionate moments that cover the gamut of play: teasing, denial, chastity, flogging, caning, pegging, slapping, and much more. It also includes incredibly sweet exchanges full of tenderness and ownership, lots of kissing, laughter, affection, and silliness. Your breaths come hard and fast. I bite you relentlessly, thrusting up against you from behind. Every new attack makes you wince and moan, but still you push back against me until I am shoving you up against the wall, tearing at your skin like I am going to devour you.

The Book of Kink Eva Christina, 2011-10-04 How to get your Fifty Shades on... For anyone who's felt...inspired...after reading Fifty Shades of Grey, The Book of Kink both

entertains and enlightens, showing you the who, what, where, why, and how of kink. People everywhere are into kinky sex. For some, it's a way to spice up a withered sex life; for others, it's a way of life. No matter how or why we do it, kinky sex is as old as Adam and Eve and as commonplace as your next-door neighbor. For example, did you know: Japan organized the largest orgy ever caught on tape, featuring 500 participants? A Berlin hotel offers different rooms dedicated to kinky sex, including one with a coffin? Those who are into having sex with an armpit have a fetish called axillism? There is a university dedicated entirely to love and sex called the Loveology University? The Book of Kink is an entertaining and enlightening look into all things beyond the pale when it comes to sex. Exploring everything from equipment, sex classes, sex parties, and porn to the who, what, where, when, why, and how of kink, it delves into fetishes, turn-ons, role-playing, and how the Internet has put a new spin on kinkiness. It is an X-rated romp through cultural and social history and contemporary mores. Whether you're appalled to learn that people actually do this or are relieved to find out that you're not the only one, you'll never see sex the same way again.

Different Loving William Brame, Gloria Brame, Jon Jacobs, 1996-01-13 "A detailed, eye-opening account of the real sexual underground in America . . . a thorough and serious study."—Playboy From *Different Loving*: In order to understand unusual sexualities such as dominance and submission, one first has to consider the question 'What is normal?' If the unique function of sex is reproductive—and the only reason men and women should engage in sex is for the purpose of creating a new life—then only heterosexual intercourse is normal. By this standard, many common acts, even contraception, must be considered

aberrant. Reproductive relevance was the Victorian standard of normalcy, and even today many of the laws in the United States still abide by that model. But people have always pursued sex for both reproduction and for pleasure and well-being. We start from the premise that sex for pleasure is a normal human drive and is acceptable when it brings pleasure to both partners. From this perspective, D&S is simply a 'different' kind of loving. We hope to add to the greater body of knowledge about what people really do behind closed doors with the people they most love and trust. Perhaps Different Loving will help open the door for further research into the mystery, beauty, and complexity of human life and its diverse expressions. Praise for Different Loving "The definitive guide to the sexual styles of those who walk on the wild side."—Kirkus Reviews "As a window on largely unexplored territory, Different Loving is a breakthrough in the dialogue on human sexuality, and a significant work of popular sociology."—South Bend Tribune "A comprehensive primer on loving with leather and romance by riding crop."—Michael Musto, New York Daily News

Radical Ecstasy Dossie Easton, Janet W. Hardy, 2011-08-02 For millennia, seekers have used physical and emotional extremes to achieve transcendence and exaltation. Today, many BDSM and leather practitioners are discovering the potential of SM practice to reach personal, interpersonal and spiritual goals. In Radical Ecstasy, bestselling BDSM/sexuality authors Easton and Hardy document their own journeys into the transcendent realm of kink. With their trademark frankness and humor, they share their own stories and philosophies. They also share techniques that have worked for them - techniques which combine tantric breathing, visualization and movement with a combined half-century of BDSM experience - to create states of transcendence during solo and partnered sexual and BDSM practice. As outrageously revolutionary as any sex book published in the last decade, Radical Ecstasy sets the stage for the new millennium in BDSM and sacred-sex practices - a must for any kink, tantra, pagan or sacred-sex practitioner. Amazingly mindful exploration of that which cannot be easily put into words... the ecstatic experience from sex to sadomasochism, from trance to intuition to

archetypes and spiritual awakening. Totally real and personal. Not a 'how to' but a nurturing 'can do' book. - Fakir Musafar, father of the modern primitive movement. Progressive, deliciously honest, and HOT HOT HOT! Dossie and Janet ask difficult questions about the nature of sex, intimacy and ecstasy, then they actually manage to answer the questions, plus turn us on when they do. These two erotically gifted women have a way with words - and sex. They raise the bar on erotic writing and sex education to new heights. I'm in awe. - Annie Sprinkle, Ph.D., prostitute/porn star turned sex guru/sexologist Fascinating, heartfelt, honest, real stories of the heart/spirit/energy connection experienced in the passionate rituals of intimate consensual power play. These two courageous women write brilliantly of how erotic energies connect us with the big love we all seek from the source. - Cleo Dubois, educator, ritualist, video producer/star

Daddy K M Neuhold, Nora Phoenix, 2020-01-16 Joey needs a Daddy... Intimacy has never been my main priority. Not what people expect to hear from someone who's been head camera man for the single best studio in the kind of industry I work in. I thought I'd seen it all working for the Ballsy Boys, but helping to build the Kinky Boys from the ground up seems like it's going to be an eye opening experience. A man has never turned my head before, so why can't I stop checking out Daddy? Bedroom activities may not be the height of excitement for me, but watching subs kneel for their Daddies certainly has me wondering... What does it mean if a Daddy Dom keeps trying to feed me and make sure I'm okay? And what does it mean if I kind of like it? Daddy is the first book in the Kinky Boys series, a spin off from the bestselling Ballsy Boys series. It can be read as a stand alone and ends with a HEA.

Love Letters to a Unicorn M. S. Rebecca Elizabeth Blanton, 2015-01-02 *Love Letters to a Unicorn* explores the multifaceted dimensions of kink life. While a few kinky sex practices have become popular to integrate into mainstream discussions and writings about sex, the deeper and more significant reasons to practice kink have not been broached. *Love Letters* brings the reader into the life of a submissive. The essays discuss kinky practices such as negotiation, consent, boundaries and limits, safe words, and continuing education about sex. The author is a practicing submissive who has enjoyed kink for more than two decades. She reveals why kink is a true manifestation of feminist values, how it could end rape culture, help stabilize long-term relationships and how getting tied up and whipped helps ground her. Blanton advocates that everyone, regardless of what they actually do in bed, adopt certain kinky values and practices. She has started to campaign for the adoption of a national safe word and rewriting sex ed curriculum to include kinky values. *Love Letters* is not just theoretical. Blanton includes a number of love letters to her primary partner who is not actively identified with the kink community. The letters, including poems and porn, were written during the first eighteen months of her relationship with the unicorn. Using her relationship with a non-kink-

identified man to illustrate the benefits of kink values for all people, Blanton reveals how her kink practices have improved her relationship with the unicorn. Rebecca E. Blanton is an academic and policy researcher by training. She has previously written extensively about women veterans, the criminal justice system, and charter school oversight. She has taught at several New York City universities and headed the California Commission on the Status of Women and Girls. Love Letters is her first non-policy/non-academic publication.
