

Arendell Vet

Doug Rains

All My Patients Have Tales Jeff Wells,2009-04-14 All My Patients Have Tales is a heartwarming and funny collection of stories by a dedicated veterinarian featuring wild horses, porcupine-quill-covered dogs, male cats in labor, an extremely ornery pygmy donkey, an enormous hog, as well as many other domestic, and not so domestic animals. Wells begins his work as an inexperienced recent college grad and emerges a caring and beloved veterinarian. Affording the reader an inside glimpse into his daily life, he narrates many uplifting, life-altering, lifethreatening, and hilarious episodes.

All My Patients Kick and Bite Jeff Wells,2011-09-27 The highly amusing, uplifting and entertaining follow-up to All My Patients Have Tales In this second collection by our intrepid vet, Jeff Wells has his work cut out for him when he learns that llamas do not take kindly to having their toenails trimmed, dog owners in the medical field can be a real pain, Scottish Highland cattle stick together and just might run a vet out of their enclosure, and fixing an overly amorous burro often needs to be prioritized. Told with Wells's trademark humor and gentle touch, these and many other heartwarming, heartbreaking, funny and strange stories will give readers a whole new appreciation for those who care for our pets. .

Being a Home Town Vet Doug Rains,2022-03-21 When anyone is so fortunate to practice veterinary medicine as their calling, their memories are the journals of their lives. This book has excerpts of the journal from a veterinary general practioneers experiences of the happiness, sadness, and realities of being a veterinarian. Every day has been a heck of a ride. 2

My Patients Like Treats Duncan MacVean,2018-05-01 It's all fun and games until somebody ends up in a cone. Physicians used to make house calls. Today, a few veterinarians still do. Duncan MacVean, DVM, is one such vet. His patients range from cats and dogs to pigs and lizards—each of them a unique personality. Every animal and every home is different, but every owner is the same in their affection for their companions. Without warning, MacVean finds himself in odd situations: stepping into a basement full of free-flying bats or struck speechless by a pig who loves opera so much that she falls into a trance. The hilarious and the heartbreaking come together in this collection of true tales, all gathered from his lifelong career. MacVean finds himself riding backwards atop a potbelly pig that bucks and kicks its way down the hall, knocking over a china cabinet in the process. One woman with terminal cancer earnestly wants to know where pets go when they pass away—will her beloved cat and dog join her in the afterlife? Navigating the finer elements of human and animal interaction isn't easy. Here, MacVean provides a glimpse into his experience with such relationships, always looking for the humor and light of every situation. With never a dull moment, his dedication to the animals of this earth and compassion for their human caretakers drives MacVean onward, from house to house, from patient to patient. This heartwarming collection of stories brings readers along for the ride, getting to know the curious creatures he treats and their perhaps sometimes even more curious humans. My Patients Like Treats is the perfect book for animal lovers or those who simply appreciate a good story.

Doc, I Needed You Last Night A. J. Day DVM,2014-09-05 Ride along with a veterinarian through the eastern Illinois countryside. In the warm months, the corn and soybeans grow lush and green on either side of the road, and red-winged blackbirds perch atop cattails in the roadside ditches. The green trees growing along the creek bank will be rife with color in the autumn. Marvel at the idyllic timber pasture where our next patient is waiting to be treated. Or stand at the side of an examination table in the animal hospital as the vet treats cats, dogs, cockatoos, and snakes. In the subzero temperature of winter, with snow piled high along the road, you'll visit a farm where a female sheep awaits a Caesarean section to remove too-large twin lambs. Kneel alongside the vet as you observe surgery in a building with no heat. Later, visit an exotic animal farm, with a zebra, fainting goats, and potbellied pigs, and watch as the vet performs pregnancy exams on four yaks. In the tradition of All Creatures Great and Small, this heartfelt and entertaining collection of stories celebrates the life of a country veterinarian who has nurtured and healed God's creatures for the better part of his life. Packed with larger-than-life characters-both human and four-legged-Doc, I Needed You Last Night will appeal to animal lovers of all ages.

Until One Has Loved an Animal Mildred A. Drost, DVM,2013-01-11 Mildred Drost has had the honor of meeting many wonderful beings—canine, feline, and wild. She has had comical interludes and been shocked and horrified. She has seen, met, and experienced miracles. Through it all, she has become part of the best career in the world. Dr. Drost is a veterinarian who, by her own admission, is completely fascinated by her patients. In Until One Has Loved an Animal, Dr. Drost shares all the amusing and heartwarming ways that pets affect all of our lives. She recalls the ninety-pound Malamute who spontaneously decides he wants a live chicken for lunch while on a jog with her; the German shepherd who makes any other ornery dog look like an angel; and the cat who, seemingly possessed at night, steals geraniums. Providing an entertaining and informative glimpse into the lives of pets and their owners, Dr. Drost also explores animal emotions and health, proving that these creatures, both large and small, often feel the same sentiments as humans. The stories of this collection offer an intriguing look into the animal psyche, the importance of pet rescue, and all the reasons why we cannot help but love animals unconditionally.

The Vet at Noah's Ark Dr. Doug Mader, 2022-07-12 From renowned veterinarian Dr. Doug Mader comes a stirring account of his fight to protect his animal patients and human staff amid the dangerous realities of inner-city life and the Los Angeles riots—and a celebration of the remarkable human-animal bond. The life of a veterinarian is challenging: keeping up with advances in medical care, making difficult decisions about people's beloved companions, and, in Dr. Doug Mader's case, navigating the social unrest in Los Angeles in the early 1990s. As one of the few exotic animal experts in California, he was just as likely to be treating a lion as a house cat. *The Vet at Noah's Ark: Stories of Survival from an Inner-City Animal Hospital* follows Dr. Mader and his staff over the course of a year at Noah's Ark Veterinary Hospital, an inner-city LA area veterinary hospital where Dr. Mader treats not only dogs and cats, but also emus, skunks, snakes, foxes, monkeys, and a host of other exotic animals. This real life drama is set against the backdrop of the trial of four police officers in the Rodney King case, as well as the violent aftermath following their acquittal. This is a book about survival, both of the pets that Dr. Mader and his staff try to save on a daily basis, as well as the staff themselves. Living in the harsh reality of the city, surrounded by gangs, drugs, violence, traffic, smog, and deadly riots, they must overcome and rise above, for their own survival and that of the animals who need them. This awe-inspiring account is told through Dr. Mader's riveting storytelling—as Carl Hiaasen writes, Doug is fearless and dedicated, and a damn good storyteller.

While You're Here, Doc Bradford B Brown, 2023-05-13 Whether he was trying to geld a spooked stallion in a blizzard or found himself in the middle of an all-out fracas involving a monkey's abscessed tooth and a shotgun, he took it in stride, with great affection for both his four-legged patients and his two-legged clients.

You Could Have Been a Real Doctor Bill Wellman DVM, 2021 As a newly graduated doctor of veterinary medicine prepared to greet his first clients, hear their troubles, patch and heal their pets, and get paid to do it, he had no idea of the adventures and misadventures that were awaiting him. His first patient-client was an elderly German immigrant who mistakenly believed a vet could treat his scabies. In a collection of true stories, Dr. Bill Wellman shares entertaining insight into life as a new country vet in post-war Michigan as he dealt with one animal medical challenge after the other. From a cat in heat to a cow with a twisted uterus, from dead pigs after castration to a mare with a dead unborn foal, and from a bee-man with an ancient clock to bee stings, Dr. Wellman leads others through the highs and lows of veterinary medicine as he built a practice, listened rather than talked, and learned that farmers would not only told him what the problem was, but also how to treat it. *You Could Have Been a Real Doctor* is the fascinating memoir of a veterinarian practicing in rural Michigan as he learned the ins and outs of being a doctor to animals.

Vet Noir Robin Truelove Stronk DVM, 2010-01-19 In the memoir *Vet Noir*, a seasoned veterinarian humorously recounts stories of animals she treated and the people who loved them. Robin Truelove Stronk owned her own veterinary practice in Vermont with her husband for twenty-four years where she often dealt with clients who expected too much, listened too little, arrived too late, and sometimes just fainted. With an entertaining style, Dr. Stronk shares not only her own professional challenges, but also the unique expectations of the animals' owners. From a New England dairy farmer who expected her to strip to the waist to assist his cow with a difficult birth, to the distraught owner who held her guinea pig up to the telephone so the veterinarian could hear the noise her pet was making, Dr. Stronk's anecdotes illuminate the delightful, sometimes tortuous, and very often amusing relationships between a pet, its owner, and the veterinarian. *Vet Noir* provides a light-hearted glimpse into the world of veterinary medicine where animals are unconditionally loved and the people are kind beyond measure, dedicated, and splendidly appreciative—mostly when they are not being quirky, infuriating, and more often than not, unknowingly comical.

Vet Confidential Louise Murray, D.V.M., 2008-06-24 From an experienced and highly respected authority in the veterinary world comes a comprehensive must-have guide to everything you need to know to ensure high-quality health care for your beloved animal companions. Our pets mean the world to us and we go out of our way to pamper them, from gourmet cat treats to doggie daycare. We should, of course, also demand the very best when it comes to their health. But how do we choose the right veterinarian? How do we know if our pets are receiving proper medical treatment or the most effective therapy when they are sick? Remarkable progress has been made in veterinary medicine, but there is still much disparity in the health care provided for pets. Dr. Louise Murray cuts through the confusion, addresses the common concerns of pet owners, and arms you with knowledge so you can avoid substandard care. Inside you'll find information on • how to choose a veterinarian • what to look for during your pet's exam • when it's time to seek out a specialist • how to make sure your pet is protected by up-to-date technology, safe anesthesia protocols, and advanced surgical techniques • proper pain management and adequate nursing care for your pet • the lowdown on vaccinations • the growing realm of alternative veterinary medicine • the latest pet insurance plans • the use and misuse of steroid medication She also gives counsel on where to turn if you suspect improper care, and provides comforting advice on saying good-bye. *Vet Confidential* is an honest and vital source that will help pet owners make sure that their cherished pets will live a long, happy, and healthy life.

The Accidental Veterinarian Philipp Schott, 2019-04-23 “For all animal lovers ... Few books ... approach the combination of fine writing, radical honesty, and endless optimism found [in these] veterinary tales.” (Booklist,

starred review) With insight and humor, Dr. Philipp Schott shares tales from the unlikely path he took into his career as a veterinarian and anecdotes from his successful small-animal clinic. Dr. Schott brings to his writing the benefit of many years of expertise. Wisdom he imparts on readers includes the best way to give your cat a pill, how to prevent your very handy dog from opening a fridge, and how to handle your fish when it has half-swallowed another. Through these and other experiences, Dr. Schott also learned that veterinary medicine is as much, if not more, about the people as it is the animals. And he will have you laughing and crying as you embark on this journey of discovery with him. “Filled with heartwarming stories any animal lover will enjoy. It’s informative and entertaining, much like our pets themselves!” —Teresa Rhyne, author of the #1 New York Times bestseller *The Dog Lived (and So Will I)* “Who amongst us animal lovers hasn’t fantasized being a vet? Well, read Philipp Schott’s highly entertaining and informative book and learn exactly what you’d be in for—all the poignancy, hilarity, and plain hard work. You may decide to keep your day job, but you’ll be a much better animal companion for having picked up the many insider tips Schott imparts.” —Barbara Gowdy, award-winning author of *The White Bone and Helpless*

My Patients and Other Animals Suzy Fincham-Gray, 2018-04-10 A moving memoir of a life spent in the company of animals—a veterinarian sheds light on the universal experience of loving, healing, and losing our beloved pets, and the many ways they change our lives. The pursuit of a childhood dream has taken Suzy Fincham-Gray on a journey in veterinary medicine from pastoral farms on the English–Welsh border to emergency rooms in urban American animal hospitals, with thousands of stories collected along the way. In this unforgettable literary debut, she writes about some of the most emotionally challenging and rewarding cases of her career. Like many physicians, Fincham-Gray tends to see her patients at often life-or-death moments. While dramatic, these stories expand into deeper explorations of our complex, profound relationships with the animals in our lives. She describes the satisfaction of diagnosing and treating difficult diseases and the universal experience of loving a pet, and—inevitably—raises questions about their end-of-life care. We meet Grayling, an Irish wolfhound in need of critical treatment; we learn about the fulfillment of caring for a chronically ill pet from the story of Zeke, a silver-brown tabby cat who likes to eat just a little too much; and we fall in love with Monty and Emma, Fincham-Gray’s own adopted cat and dog, who change her life in joyful and unexpected ways. Fincham-Gray depicts the sleepless nights she spends waiting for her pager to call her to the clinic, the cutthroat competition among residents, and what it’s really like to care for patients who can’t advocate for themselves. Warm and humorous, Suzy Fincham-Gray is a rare breed—a clinician with an intimate, elegant literary style. She writes with the same tenderness she brings to her patients, whose needs she must meet with her mind, her hands, and her heart. “Suzy Fincham-Gray gives readers rare insight into the making of a compassionate doctor. Her passion for both science and the animals she cares for, combined with her eloquence as a writer, made me want Suzy as both my dogs’ veterinarian and my own friend.”—Teresa J. Rhyne, author of the #1 New York Times bestseller *The Dog Lived (and So Will I)*

Cooperative Veterinary Care Monique Feyrecilde, 2024-04-16 A new and improved edition of the original guide to veterinary care and husbandry putting the emotional welfare of animals first Every pet needs medical care in the veterinary clinic and husbandry at home. Fear and stress can present significant barriers to good care while also compromising safety for animal care professionals and pet owners. It's possible to help pets learn to allow and even willingly participate in veterinary care, husbandry, and grooming. With a foundation in learning theory and emphasizing practical techniques, *Cooperative Veterinary Care* is a groundbreaking guide to encouraging voluntary participation in veterinary care. Now updated to reflect the latest research and clinical information drawing on years of professional hands-on experience, it's a must-own for any small animal practice or pet professional looking to increase patient comfort and facilitate excellent care. Foundations of learning and training to prepare any professional to get started right away Unique exploration of the veterinary environment and how *Cooperative Veterinary Care* can help Integration of the Fear Free(sm) Spectrum of Fear, Anxiety & Stress to quantify patient experiences Step by step training plans for veterinary care and husbandry with photo and video demonstrations Practical applications for all common procedures. Foundation techniques which can be expanded to virtually any veterinary care or animal husbandry and grooming need *Cooperative Veterinary Care* is written for the veterinary professional team but will help anyone and everyone who cares for and interacts with pets.

Dictionary of Veterinary Terms Jennifer Coates, 2019-02-08 Written in a dictionary reference style format, just about every term the vet will ever use is thoroughly explained and easy to understand. Includes appendices identifying commonly used drugs, acronyms and abbreviations, and weight and measurement conversions. A must in the home of every pet owner and breeder!

The Gift of Pets Bruce R. Coston, 2012-08-07 The life of a country veterinarian has never been as accessible since the bestselling books of James Herriot.—The Tucson Citizen on *Ask the Animals* In Coston's enjoyable second memoir, he again celebrates the gift of pets. Coston continues to work at his own veterinary practice in Virginia, meeting adorable pets and their loving and quirky owners every day. These include Precious the parrot, remarkably friendly and unafraid for a bird, Dahmun, or Mountain of Love, the Bull Mastiff, named by his linguist owner in a language he created, and Greco the beagle shepherd mix, who likes to eat rocks because

he is too macho to chew on toys, his Greek owner insists. In stories ranging from humorous to heartfelt to tragic, this book makes a lovely gift for any animal lover--

They Have Feelings Too Dvm Howard R. Glaesner,2007-04 They Have Feelings Too is a memorable journey into the world of veterinary practice. As a young man fresh out of the United States Navy, Howard Hansen has a decision to make. What is he going to do with the rest of his life?Howard takes you through the hallowed university halls and into the Cal Davis's Veterinary stables to give you a glimpse of real life veterinary medicine. What happens when a staff of veterinary student are unknowingly exposed to rabies? Go into the surgery lab for large animals and follow the doctors as they prepare a highly strung black stallion for orthopedic surgery. Learn about the massive hydraulic operating tables and be in attendance as the chief surgeon operates on the stallion to stabilize a knee fracture.The new graduate with Doctor Of Veterinary Medicine behind his name chooses the specialty of small animal medicine. He finds employment as a staff veterinarian in a busy two man practice in Los Gatos, California. Hansen is exposed to office politics for the first time and encounters the diverse personalities of the boss's domineering wife and the tottering aged father who acts a primary assistant.Howard decides to broaden his experience and moves to a large eight man practice in San Francisco. Diverse personalities abound as do conflicts. Day to day animal maladies are seen and treated. The occasional pet with an odd or truly strange injury as the two headed kitten and the convulsing falcon makes their way through the clinic's front door. Mistakes are made by veterinarians, and sometimes with hilarious results.The final episode of his career was his own one-man private practice. Howard moves his family to San Diego California where he purchases and successfully operates a veterinary hospital for 23 years. During his years of practice, Howard Hansen meets and introduces you to a wide spectrum of four legged, two legged and even a three legged amputee pets. He reminds us that not only the pets, but the owners too come in a

Veterinary Medicine ,1993

Veterinary Hospitals John Clendening,2014-07-15 When you get sick, you go to the doctor. But where do animals go when they get sick? To the veterinary hospital, of course! The history behind these hospitals, a description of a veterinarian’s job, and even information about how to become a veterinarian are all found here—making this a heartwarming exploration of the way humans care for animals of all kinds.

Yes, We Treat Aardvarks Robert M. Miller,2011-04-04 He's operated on whales, administered antibiotics to a group of performing lions, barely escaped alive after treating unpredictable chimps, cared for every imaginable household pet - and most of all, enjoyed every minute of it. Well-known veterinarian, cartoonist, writer, and one of the world's leading authorities on horse behavior - Dr. Robert M. Miller shares his memoirs of a life filled with all the joys and tragic moments that caring for, and loving, animals brings. Now the vet known for his hilarious cartoons brings the same delicious humor and warm compassion to a distinctly American book in the Herriot tradition: a story that will touch your heart, and remind you of why our bond with animals is so special.

Arendell Vet Introduction

In this digital age, the convenience of accessing information at our

fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Arendell Vet free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Arendell Vet free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can

search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Arendell Vet free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Arendell Vet. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Arendell Vet any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Arendell Vet Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality?
