**Realtor for Life** Duane Duggan,2015-12-11 What's it mean to be a REALTOR(r) for Life? First of all, an agent needs to become a REALTOR(r)! Not all real estate agents are REALTORS(r). The term REALTOR(r) is the exclusive designation of members of the National Association of REALTORS(r) and its local boards. REALTOR(r) is listed in the US patent office as a registered trademark. Licensing is just the first step in an agent's career. Once an agent makes the commitment to being a REALTOR(r), they subscribe to the REALTORS(r) Code of Ethics, which was first adopted in 1913. Knowing and following the Code of Ethics sets the REALTOR(r) member apart from other real estate professionals. Since 1913, The Code of Ethics has evolved and changes are usually made each year to keep up with new issues in the real estate industry. REALTORS are required to take an ethics refresher course every four years to keep abreast of the changes. The Code of Ethics is known as the golden thread of the industry, dedicated to raising the standards of professionalism and service in real estate. The Code provides a guide for how REALTORS(r) interact with each other, and work toward furthering clients' interests. Since 2013, The Code consists of 17 Articles, 71 Standards of Practice, and 131 explanatory cases. An individual REALTOR(r) member's local Board of REALTORS(r) is responsible for enforcing the code. REALTOR(r) for Life from my point of view The majority of REALTORS(r) have had other careers before going into real estate. For some reason, my first year of college, I declared my major to be in Business with an emphasis in Real Estate. I became a REALTOR(r) and started selling real estate as my first position out in the work world. As of 2015, I have been a REALTOR(r) for 37 years, truly a REALTOR(r) for my entire business life. REALTOR(r) for Life from the client's point of view One of the most rewarding parts of my career is that many of my clients have chosen me to be their REALTOR(r) for Life. Often, I have met someone and helped them buy their first home. I have helped some clients buy 3 or 4 personal residences in their life. In some cases I am even preparing to work with the 3rd generation of clients in a family! In addition to buying homes, I have also helped them build real estate portfolios. I have helped them save for college or retirement through real estate. I have helped them buy real estate within their retirement account and do 1031 Exchanges to grow their portfolio. I've helped find college condos for their kids. Because I have met and know thousands of REALTORS(r) personally I help them find a REALTOR(r) wherever they know anyone buying or selling across the country and now the globe. Toward the end of their life, I help with consolidating real estate investments, down sizing, and ultimately working with their estate planning attorney. More than once I have been named in a will to be the REALTOR(r) to sell the house. As REALTORS(r), we always need to keep in mind we are not attorneys, tax experts, mortgage loan officers, security dealers or financial planners. It is important to know about all the various ideas discussed in this book, but also very important to have a team of experts that you can rely upon to help your clients with their decisions relative to the areas that we are not licensed to perform. The main intent of this book is to help you be the trusted advisor for your clients on all matters real estate, and in return they will call you their REALTOR(r) for Life. I want to provide you with a resource that you can read all the way through and then keep ready as a reference. My hope is that you will get an idea from this book that will enhance your or your client's life.
