Armageddon Bound Tim Marquitz, 2009-09 Half-devil and miles from anything resembling heroic, perpetual underdog Frank Trigg althron Trigg is the last man standing against Armageddon. As the favorite nephew of the Devil, Frank has led a troubled life, but he'd always had his uncle's influence to fall back on. Now, with God and Lucifer coming to terms and leaving existence to fend for itself, his once exalted status of Anti-Christ-to-be does little to endear him to the hordes of angels and demons running amok in the Godless world. With help from the members of DRAC, an organization of wizards, psychics, telepaths, and low-end supernatural beings, Frank must thwart the pro-Armageddon forces and rescue an angel in whose life rests the fate of humanity. An Acquired Taste Darrell Maloney, 2017-06-21 Two years after the blackout Alamo Plaza and the once proud San Antonio Riverwalk have lost their luster. Salinas take their respective missions to the heart of the city. John finally crosses paths with Lamar Big Boi Taylor. Only one will walk away, and in the aftermath a new mystery unfolds.

Armageddon Dick Morris, Eileen McGann, 2016-05-27 New York Times Bestseller AT STAKE: THE FUTURE OF AMERICA The 2016 election is truly America's Armageddon—the ultimate and decisive battle to save America, a fight to defeat Hillary Clinton and the forces seeking to flout our constitutional government and replace it with an all-powerful president backed up by an activist judiciary that answers to no one. Already President Obama has moved America far down this path, and a President Clinton will act as his third term, institutionalizing the excesses of the past eight years. In Armageddon, bestselling author and political strategist Dick Morris provides a winning game plan to take back the White House, and America. Because this is our last chance: • Our last chance to stop socialist uniformity, corruption and executive usurpation • Our last chance to curb welfare

programs that are destroying the economic and social fabric of the nation • Our last chance to secure our border and keep our sovereignty • Our last chance to stand up against ISIS and terrorism • Our last chance to protect the Second Amendment We can do it. We must. It's our last chance. Read *Armageddon*, or risk losing the battle to save America! On Tuesday, November 8, 2016, American voters will make a momentous decision. They will decide whether or not this great country will remain a free market, constitutional democracy. The stakes could not be higher. If Hillary Clinton is elected president, it will mean the end of the America we know and love. *Armageddon*, by New York Times bestselling authors Dick Morris and Eileen McGann, is a call to arms, a call to join that ultimate battle. Few know Hillary Clinton better than Dick Morris. For almost two decades he served as a special adviser to both her and her husband, Bill Clinton. He knows their strengths, their vulnerabilities, and even their deepest secrets. In *Armageddon*, Morris offers a manual on how to win this battle and defeat Hillary once and for all. He argues that a typical Republican campaign won't work—and that Hillary's opponent must strike her in a very unorthodox and powerful way. Morris says it's a winning strategy and voters play a critical role. A noted political strategist, Dick Morris has created winning strategies for numerous presidential campaigns in the U.S. and abroad. In this book he lays out a war plan, one the Republican nominee must use to prevent her victory: • Throw a surprising right jab: terrorism and healthcare • Throw the left hook: jobs, immigration, Wall Street • Play her game on class warfare: women, Latinos, and young voters Republicans need to stop playing by the old rules of the game. Those rules don't work—they elected Barack Obama twice. Obama has changed America in fundamental ways and Morris posits that Hillary's opponents need to grasp this and implement a strategy that can finally defeat her.

Armageddon II Bonnie Bell, 2013-12-23 *Armageddon II* the Alpha and Omega will look at the Bible in a whole new light. Armageddon Tim LaHaye, Jerry B. Jenkins, 2011-03-16 2004 Christy Award finalist! The scattered Tribulation Force is drawn toward the Middle East, as are all the armies of the world, when human history culminates in the battle of the ages. During the last year of the Great Tribulation, safe houses are no longer safe and the world has become a powder keg of danger. Except for those already in Petra, everyone has been forced to relocate as the Antichrist ratchets up the pressure in the world's most treacherous game. As the Trib Force waits for the coming of Christ, Chloe Williams is drawn out

of the safe house to investigate something suspicious. Buck and Tsion travel to Jerusalem while Nicolae Carpathia orders an attack on the city, and Rayford becomes seriously injured outside Petra. Who will survive Armageddon? A repackaged of the eleventh book in the New York Times best-selling Left Behind series.

The Armageddon Chord Jeremy Wagner,2019-05-02 “The music was a battle cry heard around the world and throughout Heaven and Hell. It would summon Sethis and call out his dark legions to destroy all those who had light in their hearts...” Deep beneath the Egyptian sands, an ancient, evil song written in hieroglyphics is discovered in the long lost, buried pyramid of the demonic pharaoh, Aknaseth. It is written that if this song is performed for the world to hear, it will unleash the Apocalypse upon the world of man, and Sethis—known commonly as Satan—will reign and grant immortality to the chosen. Nihilistic multi-billionaire, Festus Baustone III—with the help of the malevolent Egyptologist, Helmut Hartkopff—will do whatever it takes to bring the song to life at any cost...even if his only daughter, Mona, is to be sacrificed. Kirk Vaisto, known as the “God of Guitar” by his millions of fans, soon finds himself caught between the forces of divine good and monumental evil. Oblivious to the powerful darkness lurking in his guitar strings, Kirk agrees to work for Baustone and Hartkopff to turn Aknaseth’s hieroglyphics into music. Kirk begins a musical journey that takes him from an unholy chapter in ancient Egyptian history to the remains of the true Holy Cross, to the concert stage and to the very edge of Hell itself. Kirk Vaisto will give the performance of a lifetime. Immortality, the end of the world, and the salvation of every mortal soul are the stakes in Jeremy Wagner’s, The Armageddon Chord,

Armageddon is a masterpiece novel, a timeless conflict spanning history from the dawn of time, to the here and now, catching glimpses of man's future on planet earth and beyond. Authors Herman and Joya move their characters through a scenario in which the search for Truth and Answers about the universe are the central themes. At the same time the main characters are planning to fleece 2 casinos simultaneously. Herman finished his manuscript in 1978, he was talking in his original manuscript about; the Avatar, a Dear John letter and Kingdom of Heaven long before Hollywood tycoons did. His novel can be classified as futuristic realism or fictional fantasy. He left the partly unfinished manuscript to his daughter Joya to complete. So the book became actually a cowritten work between father and daughter. Joya taking the development of the heist story mainly into account and the book adaption. Off Armageddon Reef David Weber,2008-01-02 Humanity pushed its way to the stars - and encountered the Gbaba, a ruthless alien race that nearly wiped us out. Earth and her colonies are now smoldering ruins, and the few survivors have fled to distant, Earth-like Safehold, to try to rebuild. But the Gbaba can detect the emissions of an industrial civilization, so the human rulers of Safehold have taken extraordinary measures: with mind control and hidden high technology, they've built a religion in which every Safeholdian believes, a religion designed to keep Safehold society medieval forever. 800 years pass. In a hidden chamber on Safehold, an android from the far human past awakens. This rebirth was set in motion centuries before, by a faction that opposed shackling humanity with a concocted religion. Via automated recordings, Nimue - or, rather, the android with the memories of Lieutenant Commander Nimue Alban - is told her fate: she will emerge into Safeholdian society, suitably disguised, and begin the process of provoking the technological progress which the Church of God Awaiting has worked for centuries to prevent. Nothing about this will be easy. To better deal with a medieval society, Nimue takes a new gender and a new name, Merlin. His formidable powers and access to caches of hidden high technology will need to be carefully concealed. And he'll need to find a base of operations, a Safeholdian country that's just a little more freewheeling, a little less orthodox, a little more open to the new. And thus Merlin comes to Charis, a mid-sized kingdom with a talent for naval warfare. He plans to make the acquaintance of King Haarahld and Crown Prince Cayleb, and maybe, just maybe, kick off a new era of invention. Which is bound to draw the attention of the Church...and, inevitably, lead to war. It's going to be a long, long process. And David Weber's epic *Off Armageddon Reef* is can't-miss

Awaiting Armageddon Alice L. George, 2004-07-21 For thirteen days in October 1962, America stood at the brink of nuclear war. Nikita Khrushchev's decision to place nuclear missiles in Cuba and John F. Kennedy's defiant response introduced the possibility of unprecedented cataclysm. The immediate threat of destruction entered America's classrooms and its living rooms. *Awaiting Armageddon* provides the first in-depth look at this crisis as it roiled outside of government offices, where ordinary Americans realized their government was unprepared to protect either itself or its citizens from the dangers of nuclear war. During the seven days between Kennedy's announcement of a naval blockade and Khrushchev's decision to withdraw Soviet nuclear missiles from Cuba, U.S. citizens absorbed the nightmare scenario unfolding on their television sets. An estimated ten million Americans fled their homes; millions more prepared shelters at home, clearing the shelves of supermarkets and gun stores. Alice George captures the irrationality of the moment as Americans coped with dread and resignation, humor and pathos, terror and ignorance. In her examination of the public response to the missile crisis, the author reveals cracks in the veneer of American confidence in the early years of the space age and demonstrates how the fears generated by Cold War culture blinded many Americans to the dangers of nuclear war until it was almost too late.

Armageddon in Stalingrad David M. Glantz, Jonathan M. House, 2009-11-23 The German offensive on Stalingrad was originally intended to secure the Wehrmacht's flanks, but it stalled dramatically in the face of Stalin's order: Not a Step Back! The Soviets' resulting tenacious defense of the city led to urban warfare for which the Germans were totally unprepared, depriving them of their accustomed maneuverability, overwhelming artillery fire, and air support-and setting the stage for debacle. *Armageddon in Stalingrad* continues David Glantz and Jonathan House's bold new look at this most iconic military campaign of the Eastern Front and Hitler's first great strategic defeat. While the first volume in their trilogy described battles that took the German army to the gates of Stalingrad, this next one focuses on the inferno of combat that decimated the city itself. Previous accounts of the battle are far less accurate, having relied on Soviet military memoirs plagued by error and cloaked in secrecy. Glantz and House have plumbed previously

unexploited sources—including the archives of the People's Commissariat of Internal Affairs (NKVD) and the records of the Soviet 62nd and German Sixth Armies—to provide unprecedented detail and fresh interpretations of this apocalyptic campaign. They allow the authors to reconstruct the fighting hour by hour, street by street, and even building by building and reveal how Soviet defenders established killing zones throughout the city and repeatedly ambushed German spearheads. The authors set these accounts of action within the contexts of decisions made by Hitler and Stalin, their high commands, and generals on the ground and of the larger war on the Eastern Front. They show the Germans weaker than has been supposed, losing what had become a war of attrition that forced them to employ fewer and greener troops to make up for earlier losses and to conduct war on an ever-lengthening logistics line. Written with the narrative force of a great war novel, this new volume supersedes all previous accounts and forms the centerpiece of the Stalingrad Trilogy, with the upcoming final volume focusing on the Red Army's counteroffensive.

Armageddon Stanley Ole Lotegeluaki, 2019-05-25 Armageddon is noted in the dictionary as-1. Bible, the place where the final battle will be fought between the forces of good and evil, probably named in reference to Megiddo. Rev 16:16. Any great crucial armed conflict. People thought that Armageddon would be fought before the S. coming, but I am here to tell you that it is after the S. Coming, after the 1000 year reign of Jesus Christ, it will be fought billions of years in the future. As you know chpt 13 Revelation starts the process of revealing the war. Rev chpt 13 says that John stood upon the seashore or sand of the sea and a beast rose up out of the sea. First every grain of sand is time, a year, how many grains of sand on the seashore? Billions, so WWIII is billions of years into the future after chpt 12 Revelation. Chpt 13 Rev. is billions of years after chpt 12 Rev. Another clue is that the Lake of fire existed when WWIII was fought. The Lake of fire is the center of an imploding universe, or collapsing universe in blueshift. The universe will be in blueshift billions of years in the future. (Jesus said the universe will collapse- He said- Heaven and earth will pass away, but My words shall never pass away. Also St. Peter said in 2nd Peter 3:7 But the heavens and the earth, which are now, by the same word are kept in store, reserved unto fire against the day of judgment and perdition of ungodly men. 10 But the day of the Lord will come as a thief in the night; in the which the heavens shall pass away with a great noise, and the elements shall melt with fervent heat, the earth also and the works that are therein shall be burned up. Also psalm 102:25, 26 and Hebrews 1:10,11,12 and Rev 20:11 all say the universe is going to collapse and implode. WWIII existed when the Lake of fire existed, so it is billions of years in the future. The Two witnesses existed in WWIII. Billions of years from today. Satan was thrown into

the bottomless pit at the S Coming 2000 AD+/- for billions of years. Chpt 20 Revelation summarizes all of WWII all of REv 13-REv 19. Also Ezekiel 38, 39 summarizes the whole war for those two chpts is in 40 billion AD+/- REv 20:7 And when the thousand years are expired (40 billion AD+/- universe in blueshift), Satan shall be loosed out of his prison. (the bottomless pit). 8: And shall go out to deceive the nations which are in the four quarters of the earth, (throughout the universe- planets and galaxies) Gog and Magog, (Asian nations- this is important for the Europeans always thought that they would produce the AntiChrist, but he is Asian the children of Japheth) to gather them together to battle: the number of whom is as the sand of the sea. 9: And they went up on the breadth of the earth, and compassed the camp of the saints about, (Summarized between chpt 13 REv and Chpt 19 Rev) and the beloved city: and fire came down from God out of heaven, (summarized in Ezekiel 38, 39) and devoured them. It was a civil war throughout the universe as Ezekiel chpt 39:21 says And I will call for a sword against him throughout all MY mountains, saith the Lord God; every man's sword shall be against his brother. Intergalactic warfare. REv 20:10 And the devil that deceived them was cast into the lake of fire (imploded universe) and brimstone, where the beast and false prophet are, (they were thrown in first as REv chpt 19 says) and shall be tormented day and night for ever and ever. This next verse says heaven itself and universe earth imploded and collapsed. Rev 20:11 And I saw a great white throne and Him that sat on it, from whose face the earth and the heaven fled away, and there was found no place for them. They were used to burn the wicked forever and ever as the Lake of fire. The ultimate black hole.

Armageddon Max Hastings, 2005-10-18 This is epic story of the last eight months of World War II in Europe by one of Britain's most highly regarded military historians, whose accounts of past battles John Keegan has described as worthy "to stand with that of the best journalists and writers" (New York Times Book Review). In September 1944, the Allies believed that Hitler's army was beaten, and expected that the war would be over by Christmas. But the disastrous Allied airborne landing in Holland, American setbacks on the German border and in the Hürtgen Forest, together with the bitter Battle of the Bulge, drastically altered that timetable. Hastings tells the story of both the Eastern and Western Fronts, and paints a vivid portrait of the Red Army's onslaught on Hitler's empire. He has searched the archives of the major combatants and interviewed 170 survivors to give us an unprecedented understanding of how the great battles were fought, and of their human impact on American, British, German, and Russian soldiers and civilians. Hastings raises provocative questions: Were the Western Allied cause and campaign compromised by a desire to get the Soviets to do most of the

fighting? Why were the Russians and Germans more effective soldiers than the Americans and British? Why did the bombing of Germany's cities continue until the last weeks of the war, when it could no longer influence the outcome? Why did the Germans prove more fanatical foes than the Japanese, fighting to the bitter end? This book also contains vivid portraits of Stalin, Churchill, Eisenhower, Montgomery, and the other giants of the struggle. The crucial final months of the twentieth century's greatest global conflict come alive in this rousing and revelatory chronicle.

Revelation, 1999-01-01 The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the Beast will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Armageddon at the Door Jon Paulien,2008 An examination of the collaboration between Egyptian and Indian nationalists against the British Empire, this book argues that the basis for Third World or Non-Aligned Movement was formed long before the Cold War. It follows the connections between nationalist activists of both colonies through the first half of the twentieth century using personal memoirs, intelligence reports, journal articles, records of conference proceedings, and secondary literature. It illuminates how Egyptian nationalists recognized a shared dilemma with Indian nationalists and cooperated with them to mobilize against imperialism worldwide.
