**The War After Armageddon** Ralph Peters,2010-08-31 The best-selling author of *The War in 2020* imagines a post-apocalyptic war launched by America in retaliation against Islamic extremists who have used nuclear weapons to destroy Los Angeles, Israel and parts of Europe, a battle that is complicated by anti-Muslim Christian zealots. Reprint. A best-selling novel.

**Revelation** ,1999-01-01 The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the Beast will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

*The War of Armageddon* Israel Jesus,2009-04 This is the warning God gave to His children concerning the beast in Revelations 13:18: Here is the wisdom. Let him who has understanding calculate the number of the beast, for it is the number of a man: His number is 666. This book explores the knowledge of the place of the War of Armageddon; the actors who will be involved, with the hidden identities of the beast and the false prophet revealed; and the records of the results of every battlefield of the war. In these pages, the final outcome of the war and the consequences for all sides are laid bare. Through this knowledge, individuals can avoid being deceived into receiving the mark of the beast or worshiping its image. For this image bestows the spirit of demons-a spirit destined for hellfire by God Almighty. Author Bio: ABOUT THE AUTHOR-Israel Jesus, was born into the Kingdom of God in the year 1993, anointed to proclaim the testimony of Jesus on His Altar, within His temple and to the seven churches, in order to gather Israel back to God and raise the tribe of Jacob for Him, by taking the census of all churches and Christians within Nigeria. He is the President of Jesus Kingdom in Nigeria, the ministry God committed to his hand, as the messenger sent to prepare the way of the Lord Jesus before His second coming. Israel, being a Spirit of Jesus, knows the mind of his Father, and this he makes known concerning the War of Armageddon. A second book entitled *The Testimony of Jesus on His Second Coming* is in production. Israel looks forward to publishing more books in order to prepare the way for the Lord before His second coming.

**Approaching Armageddon** Steve Wohlberg,2020-10-06 Riots. Pandemic. Divisions. Confusion. Mayhem. Wars and rumors of wars. The world around us is changing quickly; we find ourselves wondering what will be next. What does it all mean? What does the Bible say about the unique time we're living in? As the world seems to be getting crazier by the moment, we are actually in a season of wonderful expectation for the Kingdom of God! In *Approaching Armageddon*, Steve Wohlberg takes a detailed look at the Word of God, shedding a very hopeful light on this hour in history and revealing what is to come. He explains how chaotic world events are now fulfilling Bible prophecy, that God is fully in charge, and that there is a very real, fantastic future for those who choose to be part of God's Kingdom. Jesus told us there would be signs pointing to His return and Scripture gives us some specific details about how these things will unfold. *Approaching Armageddon* offers readers: A hopeful perspective on current events not a report of doom and gloom Solid confidence that ancient biblical predictions are both trustworthy and accurate. Biblical truths about earth's last battle, where it will occur, who's involved, and who will win. A reminder that the hope of humanity is the return of Jesus Christ, as plainly predicted in Scripture. Encouragement to press into the personal and infinite love of Jesus Christ, which gives you hope for a glorious, eternal future with Him. Turn off the daily news and hear a good report! Let Steve Wohlberg impart biblical prophecy and embrace the hope of the Lord for all who follow Him!

**Messiah** Grant R. Jeffrey,Jeffrey,1995-03 War in the Gulf--revolutions in Russia and Eastern Europe! The ancient prophets warn of impending disaster in our generation. Startling Biblical prophecies declare that our world is on the road to Armageddon and the Return of the Messiah.

**Planning Armageddon** Nicholas A. Lambert,2012-01-01 Before the First World War, the British Admiralty conceived a plan to win rapid victory in the event of war with Germany-economic warfare on an unprecedented scale.This secret strategy called for the state to exploit Britain's effective monopolies in banking, communications, and shipping-the essential infrastructure underpinning global trade-to create a controlled implosion of the world economic system. In this revisionist account, Nicholas Lambert shows in lively detail how naval planners persuaded the British political leadership that systematic disruption of the global economy could bring about German military paralysis. After the outbreak of hostilities, the government shied away from full implementation upon realizing the extent of likely collateral damage-political, social, economic, and diplomatic-to both Britain and neutral countries. Woodrow Wilson in particular bristled at British restrictions on trade. A new, less disruptive approach to economic coercion was hastily improvised. The result was the blockade, ostensibly intended to starve Germany. It proved largely ineffective because of the massive political influence of economic interests on national ambitions and the continued interdependencies of all countries upon the smooth functioning of the global trading system. Lambert's interpretation entirely overturns the conventional understanding of British strategy in the early part of the First World War and underscores the importance in any analysis of strategic policy of understanding Clausewitz's political conditions of war.

*Understanding End Times Prophecy* Paul N. Benware,2006-05-01 Many Christians think of end times prophecy as a gigantic, intimidating puzzle -- difficult to piece together and impossible to figure out. But every puzzle can be solved if you approach it the right way. Paul Benware compares prophecy to a picture puzzle. Putting the edge pieces together first builds the 'framework' that makes it easier to fit the other pieces in their place. According to Benware, the framework for eschatology is the biblical covenants. He begins his comprehensive survey by explaining the major covenants. Then he discusses several different interpretations of end times prophecy. Benware digs into the details of the Rapture, the Great Tribulation, the judgements and resurrections, and the millennial kingdom. But he also adds a unique, personal element to the study, answering questions as: -Why study bible prophecy? -What difference does it make if I'm premillennial or amillennial? If what the Bible says about the future puzzles you, *Understanding End Times Prophecy* will help you put together the pieces and see the big picture.

*Armageddon* Ernest Angley,2012-06-01 Novel based on Biblical book of Revelation

*Armageddon* Max Hastings,2016-12-02T00:00:00+01:00 «La battaglia per la Germania, cominciata come il più imponente fatto d'armi del XX secolo, si concluse nella più grande tragedia umana del Novecento». Come gli studiosi di storia militare sanno, nei mesi che vanno dal 6 giugno 1944 – la data dello sbarco in Normandia – ai primi giorni del maggio 1945 si racchiude la più grande catastrofe della guerra moderna. La lunga marcia dell'esercito alleato per la conquista di Berlino, viziata da gravi incomprensioni ed errori tattici, si scontra, infatti, con un nemico tedesco ancora pienamente in forze e intenzionato a dare battaglia fino al sacrificio dell'ultimo uomo. Un apocalittico scontro finale che, dopo aver esaminato gli archivi di quattro paesi e intervistato centinaia di testimoni diretti degli avvenimenti, Max Hastings ha il merito di ricostruire con un coinvolgente e originale taglio narrativo. A partire dalle battaglie più note, come l'offensiva delle Ardenne o i combattimenti nella foresta di Hürtgen, fino al dettaglio degli episodi meno conosciuti – uno su tutti, la devastante invasione dell'Armata Rossa in Prussia orientale, nella quale morirono oltre un milione di persone –, Hastings segue le manovre di avvicinamento degli eserciti sui due fronti, restituendo abilmente le dinamiche tra soldati, ufficiali e capi insieme con le storie dei singoli. Quanto influi la rivalità tra Montgomery e Patton nella disastrosa Operazione Market Garden ad Arnhem o quella tra Žukov e Konev nell'assedio di Berlino? Quanto la sfiducia, le invidie e gli interessi politici contrastanti tra gli stati alleati allontanarono la fine delle ostilità, moltiplicando il numero dei caduti? Grande racconto storico, che riesce a tenere insieme le dinamiche militari e i drammi della popolazione civile, come l'Hongerwinter, la terribile carestia in Olanda del 1944-45 causata dall'occupazione tedesca, *Armageddon* è un'opera monumentale, indispensabile per comprendere l'evento in assoluto più importante e cruento del Novecento. «Un libro che tutti dovrebbero leggere». New York Times Book Review «Un'opera magistrale... unisce storie individuali, avvincenti ricostruzioni di battaglie e spietate critiche del comportamento di leader militari e politici». Washington Post Book World «Ogni leader che si accinga a una qualche operazione militare dovrebbe leggere questo libro e meditare a fondo». Wall Street Journal

*Armageddon* Max Hastings,2005-10-18 This is epic story of the last eight months of World War II in Europe by one of Britain's most highly regarded military historians, whose accounts of past battles John Keegan has described as worthy "to stand with that of the best journalists and writers" (New York Times Book Review). In September 1944, the Allies believed that Hitler's army was beaten, and expected that the war would be over by Christmas. But the disastrous Allied airborne landing in Holland, American setbacks on the German border and in the Hürtgen Forest, together with the bitter Battle of the Bulge, drastically altered that timetable. Hastings tells the story of both the Eastern and Western Fronts, and paints a vivid portrait of the Red Army's onslaught on Hitler's empire. He has searched the archives of the major combatants and interviewed 170 survivors to give us an unprecedented understanding of how the great battles were fought, and of their human impact on American, British, German, and Russian soldiers and civilians. Hastings raises provocative questions: Were the Western Allied cause and campaign compromised by a desire to get the Soviets to do most of the fighting? Why were the Russians and Germans more effective soldiers than the Americans and British? Why did the bombing of Germany's cities continue until the last weeks of the war, when it could no longer influence the outcome? Why did the Germans prove more fanatical foes than the Japanese, fighting to the bitter end? This book also contains vivid portraits of Stalin, Churchill, Eisenhower, Montgomery, and the other giants of the struggle. The crucial final months of the twentieth century's greatest global conflict come alive in this rousing and revelatory chronicle.

**Armageddon** Clive Ponting,2012-02-29 Fifty years after the end of World War II Clive Ponting provides a major reassessment of the most destructive conflict in human history - one in which 85 million people died. Armageddon avoids conventional chronological accounts in order to concentrate on the deeper forces shaping the origins, course and outcome of the war across the globe. It analyses how and why the war spread from being a limited European conflict to the only global war, why countries were dragged into the fighting and how only a small number of neutral states escaped. It compares the two alliances, how they mobilized their resources and their strategies for victory. It avoids a detailed description of how commanders maneuvered on the battlefield and concentrates instead on the impact the war had on individual soldiers, sailors and airmen. Equally important is the fate of hundreds of millions of civilians. How did they survive occupation and what did resistance, collaboration and liberation really involve, and what happened at the end of the war? Armageddon has a truly global sweep, combined with an eye for detail, and provides fascinating comparisons from a multi-faceted war. It contains new facts, asks provocative questions and challenges many of the common assumptions about the war. It is a compelling new inquiry.

**The World War** Arthur Grosvenor Daniells,1917

The Battles of Armageddon Eric H. Cline,2002 One site. Thirty battles over four thousand years. Egyptians, Crusaders, Mongols, Israelis

The Flesh of Kings M.B. Lemanski,2007-07-11 Flaring tensions over Jerusalem's Temple Mount have led to the complete structural collapse of the Dome of the Rock. Prophesied for millennia, the final terror is at hand, followed by seven long years of apocalyptic warfare locked in stalemate. And then the war is over. Or so it would seem. From out of nowhere, and to the cheers of an exhausted globe, a charismatic teacher and mystic calling himself Janus Philio has crowned himself King of kings in Jerusalem. World-healing miracles ensue, but is he the second coming of Jesus Christ-which he refuses to call himself-or another in a seemingly endless series of Antichrists? Meanwhile, rising from obscurity in plague-ravaged Los Angeles, preacher's son and former NFL superstar Julian the Mighty Quinn leads a grassroots rebellion that topples the war-happy government in Washington, propelling him to the pinnacle of American political power. Viewed as the only counterweight to Philio's heresy, Quinn soon falls under the spell of a secret society known only as the Guardians set on assassinating the King of kings to hasten a return to traditional values. It's after Armageddon that the ultimate battle over the future of mankind on Earth begins.

*Armageddon* Grant R. Jeffrey,2009-02-04 As the world rushed toward the new millennium, many were asking: ·Is the Year 2000 significant in the plan of God? ·Are we the generation that will see the return of Christ? ·Will Israel actually rebuild the Temple? ·Why are the Arabs willing to go to war over Jerusalem? ·Why are the nations arming for Armageddon? Grant R. Jeffrey has thoroughly revised and expanded his prophetic best-selling book Armageddon with more than eighty pages of incredible research that will give you the real story behind the fast breaking news from Washington, Europe, and the Middle East. Over half a million readers enjoyed the first edition. Now, for the rest of the story... This book will challenge you with its unique discovery that virtually every major event in the history of Israel has occurred on the anniversary of Feast of the Passover, Pentecost, Feast of Tabernacles, etc. Discover the mysterious role of the ark of the covenant in Israel's past and its role in the rebuilding of the temple in our day. Explore powerful prophecies that prove that Jesus is the Messiah. Twenty prophetic signs warn our generation to prepare for the glorious return of Jesus Christ.

**Violent Peace** David Poyer,2020-12-08 World War III is over... or is it? Superpowers race to fill the postwar power vacuum in this page-turning thriller, the next in the Dan Lenson series. In the next installment of David Poyer's critically-acclaimed series about war with China, mutual exhaustion after a massive nuclear exchange is giving way to a Violent Peace. While Admiral Dan Lenson motorcycles across a post-Armageddon US in search of his missing daughter, his wife Blair Titus lands in a spookily deserted, riot-torn Beijing to negotiate the reunification of Taiwan with the rest of China, and try to create a democratic government. But a CIA-sponsored Islamic insurgency in Xianjiang province is hurtling out of control. Andres Korzenowski, a young case officer, must decide whether ex-SEAL Master Chief Teddy Oberg—now the leader of a ruthless jihad—should be extracted, left in place, or terminated. Meanwhile, Captain Cheryl Staurulakis and USS Savo Island are recalled to sea, to forestall a Russian fleet intent on grabbing a resource-rich Manchuria. The violent and equivocal termination of the war between China and the Allies has brought not peace, but dangerous realignments in the endless game of great power chess. Will the end of one world war simply be the signal for the beginning of another?

Walvoord, who famously predicted current world events, *Armageddon, Oil, and Terror* offers shocking predictions on the future of terrorism, oil-based economics, and nuclear war in the Middle East. It is as current as today's news . . . and every prediction rings true.

*Armageddon Now* Jim Willis, Barbara Willis, 2005-09-01 Mining the religious and secular divide, this book examines the history of apocalyptic beliefs. It explains the various omens and prophecies as well as the actual events that may trigger the end, such as collisions with asteroids, nuclear war, the oil crisis, global warming, and famine. It also discusses the long history on the end of history.
