

Arms Of Nemesis By Steven Saylor

Steven Saylor

Arms of Nemesis Steven Saylor, 2008-05-13 Gordianus the Finder is called to a great Villa to investigate the death of the overseer by two slaves.

Arms of Nemesis Steven Saylor, 2008-05-13 The hideously disfigured body was found in the atrium. The only clues are a blood-soaked cloak, and, carved into the stone at the corpse's feet, the word Sparta. The murdered man was the overseer of Marcus Crassus's estate, apparently killed by two runaway slaves bent on joining Spartacus's revolt. In response to the murder, the wealthy, powerful Crassus vows to honor an ancient law and kill his ninety-nine remaining slaves in three days. Now Gordianus the Finder has been summoned from Rome by a mysterious client to find out the truth about the murder before the three days are up. Enmeshed in a world of desperate slaves and duplicitous masters, extravagant feasts and sordid secrets, Gordianus must risk all he loves, including his life, to stop a senseless slaughter and save the very future of Rome itself.

Arms of Nemesis Steven Saylor, 2001-02-15 Gordianus the Finder is called to a great Villa to investigate the death of the overseer by two slaves.

Arms of Nemesis Steven Saylor, 2011-03-24 South of Rome on the Gulf of Puteoli stands the splendid villa of Marcus Crassus, Rome's wealthiest citizen. When the estate overseer is murdered, Crassus concludes that the deed was done by two missing slaves, who have probably run off to join the Spartacus Slave Revolt. Unless they are found within five days, Crassus vows to massacre his remaining ninety-nine slaves. To Gordianus the Finder falls the fateful task of resolving this riddle from Hades. In a house filled with secrets, the truth is slow to emerge and Gordianus realizes that the labyrinthine path he has chosen just may lead to his own destruction.

Arms of Nemesis Steven Saylor, 1992 When two slaves kill an overseer on the estate of the richest man in Rome in 72 B.C., the master of the house demands the public execution of every slave in the household and in so doing begins a political coup. By the author of *Roman Blood*. 35,000 first printing. \$15,000 ad/promo.

Catilina's Riddle Steven Saylor, 2007-04-01 Saylor rivals Robert Graves in his knack for making the classical world come alive. --(Portland) Oregonian Engrossing...Ironical and satisfying. -- San Francisco Chronicle The third in Saylor's Roma Sub Rosa novels featuring Gordianus the Finder. Gordianus, disillusioned by the corruption of Rome circa 63 B.C., has fled the city with his family to live on a farm in the Etruscan countryside. But this bucolic life is disrupted by the machinations and murderous plots of two politicians: Roman consul Cicero, Gordianus's longtime patron, and populist senator Catilina, Cicero's political rival and a candidate to replace him in the annual elections for consul. Claiming that Catilina plans an uprising if he loses the race, Cicero asks Gordianus to keep a watchful eye on the radical. Although he distrusts both men, Gordianus is forced into the center of the power struggle when his six-year-old daughter Diana finds a headless corpse in their stable. Shrewdly depicting deadly political maneuverings, this addictive mystery also displays the author's firm grasp of history and human character. On first publication back in 1994, *Catilina's Riddle* was a finalist for the Hammet Award.

The House of the Vestals Steven Saylor, 2010-01-05 Nine crime stories featuring Gordianus the Finder, a detective in ancient Rome who marries his slave. Part mystery, part a social history of the period from the end of Sulla's dictatorship to the Spartacan slave revolt.

Last Seen in Massilia Steven Saylor, 2000 Julius Caesar, at war with Pompey, lays siege to Massilia, where Gordianus the Finder searches for his son Meto, a rumored traitor, and finds a horrifying murder.

A Gladiator Dies Only Once Steven Saylor, 2005-06 Steven Saylor's Roma Sub Rosa series of novels, set in the late Roman Republic and featuring Gordianus the Finder, has garnered unusual acclaim from readers and reviewers alike, establishing him as one of the pre-eminent historical crime writers. In *A Gladiator Dies Only Once*, the second collection of his award-winning stories featuring Gordianus, Saylor more than meets his own high standards. Set during period between the events of his novels *Roman Blood* and *Catilina's Riddle*, these previously untold adventures range from twisted search for truth behind a threatening blind item in the *Acta Diurna* (The Consul's Wife) and a kidnapping and murder during the revolt of Sertorius (The White Fawn) to the story behind Cicero's discovery of Archimedes's tomb (Archimedes Tomb) and a perplexing domestic situation in Gordianus's own home (If a Cyclops Could Vanish in a Glimpse of an Eye.) These tales from the early career of Gordianus - when his adopted son Eco was still a mute boy and his wife Bethesda was but his slave - will delight Saylor's many fans while illuminating the details of the ancient world like no other writer can.

Roma Steven Saylor, 2007-03-06 Spanning a thousand years, and following the shifting fortunes of two families through the ages, this is the epic saga of Rome, the city and its people. Weaving history, legend, and new archaeological discoveries into a spellbinding narrative, critically acclaimed novelist Steven Saylor gives new life to the drama of the city's first thousand years — from the founding of the city by the ill-fated twins Romulus and Remus, through Rome's astonishing ascent to become the capitol of the most powerful empire in history. *Roma* recounts the tragedy of the hero-traitor Coriolanus, the capture of the city by the Gauls, the invasion of Hannibal, the bitter political struggles of the patricians and plebeians, and the ultimate death of Rome's republic with the triumph, and assassination, of Julius Caesar. Witnessing this history, and sometimes playing key roles, are the descendants of two of Rome's first families, the Potitius and Pinarius clans: One is the confidant of Romulus. One is born a slave and tempts a Vestal virgin to break her vows. One becomes a mass murderer. And one becomes the heir of Julius Caesar. Linking the generations is a mysterious talisman as ancient as the city itself. Epic in every sense of the word, *Roma* is a panoramic historical saga and Saylor's finest achievement to date.

Roman Blood Steven Saylor, 2007-04-01 In the unseasonable heat of a spring morning in 80 B.C., Gordianus the Finder is summoned to the house of Cicero, a young advocate staking his reputation on a case involving the savage murder of the wealthy, Sybaritic Sextus Roscius. Charged with the murder is Sextus's son, greed being the apparent motive. The punishment, rooted deep in Roman tradition, is horrific beyond imagining. The case becomes a political nightmare when Gordianus's investigation takes him through the city's raucous, pungent streets and deep into rural Umbria. Now, one man's fate may threaten the very leaders of Rome itself.

A Murder on the Appian Way Steven Saylor, 2007-04-01 Torchlight flickers on the elegant marble walls. The sound of a mob echoes in the street. The year is 52 B.C. and the naked body of Publius Clodius is about to be carried through the teeming streets of Rome. Clodius, a rich man turned rabble-rouser, was slain on the most splendid road in the world, the Appian Way. Now Clodius's rival, Milo, is being targeted for revenge and the city teeters on the verge of chaos. An explosive trial will feature the best oration of Cicero and Marc Antony, while Gordianus the Finder has been charged by Pompey the Great himself to look further into the murder. With the Senate House already in ashes, and his own life very much in danger, Gordianus must return to a deserted stretch of the Appian Way - to find the truth that can save a city drunk on power, rent by fear, and filled with the madness and glory of Rome.

The Triumph of Caesar Steven Saylor, 2008-05-13 The Roman civil war has come to its conclusion - Pompey is dead, Egypt is firmly under the control of Cleopatra (with the help of Rome's legions), and for the first time in many years Julius Caesar has returned to Rome itself. Appointed by the Senate as Dictator, the city abounds with rumors asserting that Caesar wishes to be made King - the first such that Rome has had in centuries. And that not all of his opposition has been crushed. Gordianus, recently returned from Egypt with his wife Bethesda, is essentially retired from his previous profession of 'Finder' but even he cannot refuse the call of Calpurnia, Caesar's wife. Troubled by dreams foretelling disaster and fearing a conspiracy against the life of Caesar, she had hired someone to investigate the rumors. But that person, a close friend of Gordianus, has just turned up dead - murdered -- on her doorstep. With four successive Triumphs for Caesar's military victories scheduled for the coming days, and Caesar more exposed to danger than ever before, Calpurnia wants Gordianus to uncover the truth behind the rumored conspiracies -- to protect Caesar's life, before it is too late. No fan of Caesar's, Gordianus agrees to help - but only to find the murderer who killed his friend. But once an investigation is begun, there's no controlling what it will turn up, who it will put in danger, and where it will end.

Empire Steven Saylor, 2010-08-31 May Steven Saylor's Roman empire never fall. A modern master of historical fiction, Saylor convincingly transports us into the ancient world...enthraling! —USA Today on *Roma* Continuing the saga begun in his New York Times bestselling novel *Roma*, Steven Saylor charts the destinies of the aristocratic Pinarius family, from the reign of Augustus to height of Rome's empire. The Pinarii, generation after generation, are witness to greatest empire in the ancient world and of the emperors that ruled it—from the machinations of Tiberius and the madness of Caligula, to the decadence of Nero and the golden age of Trajan and Hadrian and more. *Empire* is filled with the dramatic, defining

moments of the age, including the Great Fire, the persecution of the Christians, and the astounding opening games of the Colosseum. But at the novel's heart are the choices and temptations faced by each generation of the Pinarii. Steven Saylor once again brings the ancient world to vivid life in a novel that tells the story of a city and a people that has endured in the world's imagination like no other.

Rubicon Steven Saylor,2000-09-15 Gordianus the Finder is in a tough spot when Pompey takes his son-in-law hostage, and to save both their lives, Gordianus must prove that his son did not kill Pompey's beloved cousin.

The Silver Pigs Lindsey Davis,2006-10-03 The Silver Pigs is Lindsey Davis' classic novel, which introduced readers around the world to Marcus Didius Falco, a private informer with a knack for trouble, a tendency for bad luck, and a frequently inconvenient drive for justice. When Marcus Didius Falco, a Roman informer who has a nose for trouble that's sharper than most, encounters Sosia Camillina in the Forum, he senses immediately all is not right with the pretty girl. She confesses to him that she is fleeing for her life, and Falco makes the rash decision to rescue her—a decision he will come to regret. For Sosia bears a heavy burden: as heavy as a pile of stolen Imperial ingots, in fact. Matters just get more complicated when Falco meets Helena Justina, a Senator's daughter who is connected to the very same traitors he has sworn to expose. Soon Falco finds himself swept from the perilous back alleys of Ancient Rome to the silver mines of distant Britain—and up against a cabal of traitors with blood on their hands and no compunction whatsoever to do away with a snooping plebe like Falco....

The Venus Throw Steven Saylor,2010-04-01 On a chill January evening in 56 B.C. , two strange visitors to Rome--an Egyptian ambassador and a eunuch priest--seek out Gordianus the Finder whose specialty is solving murders. But the ambassador, a philosopher named Dio, has come to ask for something Gordianus cannot give--help in staying alive. Before the night is out, he will be murdered. Now Gordianus begins his most dangerous case. Hired to investigate Dio's death by a beautiful woman with a scandalous reputation, he will follow a trail of political intrigue into the highest circles of power and the city's most hidden arenas of debauchery. There Gordianus will learn nothing is as it seems--not the damning evidence he uncovers, not the suspect he sends to trial, not even the real truth behind Dio's death which lies in secrets--not of state, but of the heart.

Dominus Steven Saylor,2021-06-29 Following his international bestsellers *Roma* and *Empire*, Steven Saylor's *Dominus* continues his saga of the greatest, most storied empire in history from the eternal city at the very center of it all. A.D. 165: The empire of Rome has reached its pinnacle. Universal peace—the Pax Roma—reigns from Britannia to Egypt, from Gaul to Greece. Marcus Aurelius, as much a philosopher as he is an emperor, oversees a golden age in the city of Rome. The ancient Pinarius family and their workshop of artisans embellish the richest and greatest city on earth with gilded statues and towering marble monuments. Art and reason flourish. But history does not stand still. The years to come bring wars, plagues, fires, and famines. The best emperors in history are succeeded by some of the worst. Barbarians descend in endless waves, eventually appearing before the gates of Rome itself. The military seizes power and sells the throne to the highest bidder. Chaos engulfs the empire. Through it all, the Pinarius family endures, thanks in no small part to the protective powers of the fascinum, a talisman older than Rome itself, a mystical heirloom handed down through countless generations. But an even greater upheaval is yet to come. On the fringes of society, troublesome cultists disseminate dangerous and seditious ideas. They insist that everyone in the world should worship only one god, their god. They call themselves Christians. Some emperors deal with the Christians with toleration, others with bloody persecution. Then one emperor does the unthinkable. He becomes a Christian himself. His name is Constantine, and the revolution he sets in motion will change the world forever. Spanning 160 years and seven generations, teeming with some of ancient Rome’s most vivid figures, Saylor's epic brings to vivid life some of the most tumultuous and consequential chapters of human history, events which reverberate still.

Wrath of the Furies Steven Saylor,2016-03-03 In 88 B.C., it seems as if the entire ancient world is at war. In the west, the Italian states are rebelling against Rome; in the east, Mithridates is marching through and conquering the Roman Asian provinces. Even in the relatively calm Alexandria, a coup has brought a new Pharaoh to power and chaos to the streets. The young Gordianus has been waiting out the chaos in Alexandria, with Bethesda, when he gets a cryptic message from his former tutor and friend, Antipater. Now in Ephesus, as part of Mithridates' entourage, Antipater seems to think that his life is in imminent danger. To rescue him, Gordianus concocts a daring, even foolhardy, scheme to go behind enemy lines and bring Antipater to safety. But there are powerful, and deadly forces, at work here, which have their own plans for Gordianus. Not entirely sure whether he's a player or a pawn, Gordianus must unravel the mystery behind the message if he's to save himself and the people he holds most dear.

A Twist at The End Steven Saylor,2001-12-09 A chilling crime tale based on actual events from more than one hundred years ago, follows a serial killer dubbed by O.Henry as The Servant Girl Annihilator who roamed the streets of Austin, Texas, along with a fascinating group of characters both real and fictional.

The Top Books of the Year Arms Of Nemesis By Steven Saylor The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have charmed audiences this year. Arms Of Nemesis By Steven Saylor : Colleen Hoovers "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Arms Of Nemesis By Steven Saylor : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.

Arms Of Nemesis By Steven Saylor Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Arms Of Nemesis By Steven Saylor PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and

carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Arms Of Nemesis By Steven Saylor PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Arms Of Nemesis By Steven Saylor free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Arms Of Nemesis By Steven Saylor Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Arms Of Nemesis By Steven Saylor is one of the best book in our library for free trial. We provide copy of Arms Of Nemesis By Steven Saylor in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Arms Of Nemesis By Steven Saylor. Where to download Arms Of Nemesis By Steven Saylor online for free? Are you looking for Arms Of Nemesis By Steven Saylor PDF? This is definitely going to save you time and cash in something you should think about.
