**Dear Mom** Joseph T. Ward,1991-08-31 In Vietnam's jungle war, only one group of men was feared more than death itself—the Marine Scout Snipers. . . . The U.S. Marine Scout Snipers were among the most highly trained soldiers in Vietnam. With their unparalleled skill, freedom of movement, and deadly accurate long-range Remington 700 bolt rifles, the Scout Snipers were sought after by every Marine unit—and so feared by the enemy that the VC bounty on the Scout Snipers was higher than on any other elite American unit. Joseph Ward's letters home reveal a side of war seldom seen. Whether under nightly mortar attack in An Hoa, with a Marine company in the bullet-scarred jungle, on secret missions to Laos, or on dangerous two-man hunter-kills, Ward lived the war in a way few men did. And he fought the enemy as few men did—up close and personal.

Some documents found on the web are missing some pages or the image quality is so poor, they are difficult to read. If you find a good copy, you could print it using a network printer you share with 100 other people (typically its either out of paper or toner). If it's just a 10-page document, no problem, but if it's 250-pages, you will need to punch 3 holes in all those pages and put it in a 3-ring binder. Takes at least an hour. **"Not War But Like War"** Roger J. Spiller, 1981 This study began in August 1979 as a series of notes for a lecture on the employment of contingency forces at the U.S. Army Command and General Staff College. The lecture was intended to serve as a historical introduction to the subject, using the 1958 American intervention in Lebanon as a case in point. It was thought that by analyzing the Lebanon intervention one could demonstrate several important lessons: how political and diplomatic objectives directly affect the character of modern military operations; how an operational military plan is conceived and what evolutions it endures before it is executed; how such plans, though they appear to anticipate every operational problem, are usually unequal to the realities of operational practice; and, finally, how valuable a quality mental agility can be when put to use by a military commander and his subordinates. Interestingly, most of the literature dealt with the Marines if of it took notice of military operations at all.

The Reaper Nicholas Irving, Gary Brozek, 2015-01-27 Preorder REAPER: GHOST TARGET now, Nick Irving's debut thriller that Brad Thor calls one hell of a read! The Instant New York Times Bestseller by Co-Star of Fox's American Grit and Legendary Ranger Nick Irving Groundbreaking, thrilling and revealing, The Reaper is the astonishing memoir of Special Operations Direct Action Sniper Nicholas Irving, the 3rd Ranger Battalion's deadliest sniper with 33 confirmed kills, though his remarkable career total, including probables, is unknown. Irving shares the true story of his extraordinary military career, including his deployment to Afghanistan in the summer of 2009, when he set another record, this time for enemy kills on a single deployment. His teammates and chain of command labeled him

The Reaper, and his actions on the battlefield became the stuff of legend, culminating in an extraordinary face-off against an enemy sniper known simply as The Chechnian. Irving's astonishing first-person account of his development into an expert assassin offers a fascinating and extremely rare view of special operations combat missions through the eyes of a Ranger sniper during the Global War on Terrorism. From the brotherhood and sacrifice of teammates in battle to the cold reality of taking a life to protect another, no other book dives so deep inside the life of an Army sniper on point.

Marine Sniper Charles Henderson, 2001-10-01 The explosive true story of Sergeant Carlos Hathcock, a legendary Marine sniper in the Vietnam War. There have been many Marines. There have been many marksmen. But there has only been one Sergeant Carlos Hathcock. He stalked the Viet Cong behind enemy lines—on their own ground. And each time, he emerged from the jungle having done his duty. His record is one of the finest in military history, with ninety-three confirmed kills. This is the story of a simple man who endured incredible dangers and hardships for his country and his Corps. These are the missions that have made Carlos Hathcock a legend in the brotherhood of Marines. They are exciting, powerful, chilling—and all true. INCLUDES PHOTOGRAPHS

**God, Family, Country** Craig Morgan, Jim DeFelice, 2022-09-27 Country music icon, army veteran, father, outdoorsman—Craig Morgan shares all aspects of his life, revealing stories even his most avid fans don't know. Written with Jim DeFelice, author of the #1 New York Times bestseller *American Sniper* In 1989, as US news outlets declared an end to Operation Just Cause, Craig Morgan was part of an elite group of military operatives jumping into the jungle along the Panamanian border on a covert operation. Fans know the

country music star from his hit songs and acclaimed albums, but there's a lot more to him—a soldier who worked with the CIA in Panama, an undercover agent who fought sex traffickers in Thailand, and a dedicated family man who lives the values he sings. Craig details these many facets of his life and more in *God, Family, Country*. An on-stage appearance with his father's band at age ten may have planted the seeds for life as a country star, but first he trained as a paratrooper in the army. After earning numerous distinctions, his path to sergeant major was all but assured. Then came a momentous decision: he left the active military to pursue music. With unwavering support from his wife and a pack of part-time jobs, he toughed out the lean years and achieved his first big success with the poignant ballad "Almost Home." Other hits soon followed, from party songs like "Redneck Yacht Club" to the soul-rending "The Father, My Son, and the Holy Ghost." Born from the anguish of his son Jerry's passing, the song's tribute has consoled and inspired millions across the world. Duty to country has been a constant throughout his life and globe-spanning career. In 2006, as "That's What I Love about Sunday" topped country radio charts, Craig was riding in a convoy of Humvees in Iraq. An avid outdoorsman, a former sheriff's deputy who's still a member of the auxiliary, and always a husband and father first, Craig Morgan will inspire you with his life lived by the deepest values: God, family, country.
