Coming along for the ride, we have guest appearances by dodgy bookmakers, fast racehorses, slow tortoises, gregarious Jesuits, and a host of other fascinating characters. Griffiths’ story takes us on a journey through pre and post-independence India: from her childhood spent in railway “hill stations”; to adventures in the horse-racing world of Calcutta in the 1950’s and 1960’s; to building her dream racehorse stud farm with her husband Mike in the hills of rural Bihar. A final transition to life in Canada forms the bookend to a joyous and poignant read.
