Writing Acadia Runte, 2023-10-09 The phenomenal development of writing and literary creation among the francophone communities of eastern Canada has gone largely unnoticed and unprobed outside the fragmented land of Acadia. Writing Acadia attempts for the first time to observe from a distance the invention of literature in oral Acadia, and to interpret, assess and order the manifold manifestations of the transition from epic story-telling to writing as a means of nation-building. Having begun to write, modern Acadia has truly (re)written herself into existence, an existence now threatened by postmodern unwriting of literature. Destined not only for specialists but also and especially for readers with a general interest in literature, including students of all levels, Writing Acadia presents generous samples of

Acadian poetry, drama and prose, with accompanying English translations.

The Cook and the Rabbi: Recipes and Stories to Celebrate the Jewish Holidays Susan Simon, Zoe B Zak, 2023-09-05 A delicious exploration of the Jewish holidays, with illuminating conversations and meals shared by friends: a rabbi and a cook. For many belonging to the Jewish diaspora, understanding the holidays means lighting a menorah for Chanukah, maybe hosting a seder during Passover. But, if celebrated with an understanding of the storied customs behind the festivities, these occasions can be so much more than candles and matzah. Following the lunisolar calendar, James Beard Award-winning author Susan Simon and Zoe B Zak devote a chapter to each of the fourteen holidays. From Selichot to Rosh Hashanah, Purim to Pesach, every holiday has history, interpretation, and foods, with kosher recipes that reimagine traditional dishes with flair. More than a cookbook, *The Cook and the Rabbi* is a testament to the resilient versatility of the Jewish people and their traditions. With Zoe's thoughtful insight and Susan's inspired recipes, there's no end to the ways you might celebrate the holidays and make your personal relationship with them uplifting, inspiring, and deeply fulfilling. Chag Sameach!

*Dictionary of Louisiana French* Albert Valdman, Kevin J. Rottet, 2009 The Dictionary of Louisiana French (DLF) provides the richest inventory of French vocabulary in Louisiana and reflects precisely the speech of the period from 1930 to the present. This dictionary describes the current usage of French-speaking peoples in the five broad regions of South Louisiana: the coastal marshes, the banks of the Mississippi River, the central area, the north, and the western prairie. Data were collected during interviews from at least five persons in each of twenty-four areas in these regions. In addition to the data collected from fieldwork, the dictionary contains material compiled from existing lexical inventories, from texts published after 1930, and from archival recordings. The new authoritative resource, the DLF not only contains the largest number of words and expressions but also provides the most complete information available for each entry. Entries include the word in the conventional French spelling, the pronunciation (including attested variants), the part of speech classification, the English equivalent, and the word's use in common phrases. The DLF features a wealth of illustrative examples derived from fieldwork and textual sources and identification of the parish where the entry was collected or the source from which it was compiled. An English-to-Louisiana French index enables readers to find out how particular notions would be expressed in la Louisiane .

**The Fiction of South Asians in North America and the Caribbean** Mitali P. Wong, Zia Hasan, 2010-06-28 This study establishes connections between the themes and methodologies of writers within the South Asian diaspora in the New World, and serves both serious analysts as well as beginning readers of South Asian fiction. It is an impartial study that analyzes the stylistic excellence of South Asian fiction and the clearly emergent motifs of the writers, recognizing the value of the interplay of cultural differences and the need for resolution of those differences. The book begins with a discussion of the works of Indo-Caribbean novelists Samuel Selvon and V.S. Naipaul, author of *A House for Mr. Biswas* and *The Enigma of Arrival*, thereby establishing parallels between the immigration patterns of the South Asian diaspora who first emigrated to the Caribbean long before significant numbers of South Asians came to the United States. Next, the fiction of Ruth Praver

Jhabvala (Heat and Dust), the non-fictional narratives of Ved Mehta (Face to Face), and the satire and social criticism of Bharati Mukherjee (Wife) and Chitra Banerjee Divakaruni (Sister of My Heart) are discussed. New literary voices such as those of Bapsi Sidhwa (An American Brat), Pulitzer Prize winner Jhumpa Lahiri, whose characters, plots and themes deal with universal human experiences, Akhil Sharma, Manil Suri and Samrat Upadhyay are studied for the new directions and new methods they offer. A sub-genre of young adult fiction is discovered in the novels of Dhan Gopal Mukerji, such as in his Gay-Neck: The Story of a Pigeon, and more recently in the works of Mitali Perkins and Indi Rana. Recent expatriate novelists from South Asia such as Anita Desai, Amitav Chosh, Vikram Chandra and the American editions of Vikram Seth's novels are appraised together with contemporary Indo-Canadian novelists and Indo-Caribbean novelists resident in Canada.

*East of Anywhere: Six Unlikely Poets on a Journey to Heal Rick*

Thorpe, 2019-04-18 Therapist George Samuel creates an experimental form of group therapy for men dealing with grief. The men: a non-stereotypical bouncer, an ex-cop turned farmer, a quirky programmer, a clever history teacher, a carefree college kid, and an antagonistic redneck, are asked to write poems and take pictures on a given topic weekly. Right before the sessions are about to begin, Dr. Samuel dies. After some persuading, his son, George Jr., takes over. George Jr. is not a therapist but an elementary teacher. The poems and dialogue are revealing, interesting, and more often than not comical. The grief the men are experiencing is not revealed to the last chapter, and even then, there is humor. *East of Anywhere* is optimistic, entertaining and a reminder of the healing power of art, honesty, and friendship.
