Art Basel Miami Beach Holger Steinemann, 2011 Art Basel Miami Beach is the American sister-event of Art Basel in Switzerland, the most important annual art fair in the world. An exclusive selection of 250 leading art galleries from North America, Latin America, Europe, South Africa and Asia exhibit art of the twentieth and twenty-first centuries by over 2,000 artists. This volume is the fair's essential reference companion.

Art Basel Miami Beach Art Basel, Renate Palmer, 2001 Art Basel Miami Beach will present a wide variety of art events, including special exhibitions and crossover events with music, film, fashion, architecture and design in indoor and outdoor locations in Miami Beach. However the main focus of interest will be on the fair itself, with 150 leading galleries from North America, Latin America, Europe, Asia and South Africa.

The Global Contemporary Art World Jonathan Harris, 2017-07-27 The final installment in the critically-acclaimed trilogy on globalization and art explores the growing dominance of Asian centers of art This book takes readers on a fascinating journey around five Asian centers of contemporary art and its myriad institutions, agents, forms, materials, and languages, while posing vital questions about the political economy of culture and the power of visual art in a multi-polar world. He analyzes the financial powerhouse of Art Basel Hong Kong, new media art in South Korea, the place of the Kochi Biennale within contemporary art in India, transnational art and art education

in China, and the geo-politics of art patronage in Palestine, and he develops a highly original synthesis of theoretical perspectives and empirical research. Drawing on detailed case studies and personal insights gained from his extensive experience of the contemporary art scene in Asia, Professor Harris examines the evolving relationship between the western centers of art practice, collection, and validation and the emerging “peripheries” of Asian Tiger societies with burgeoning art centers. And he arrives at the somewhat controversial conclusion that dominance of the art world is rapidly slipping away from Europe and North America. The *Global Contemporary Art World* is essential reading for undergraduates and postgraduate students in modern and contemporary art, art history, art theory and criticism, cultural studies, the sociology of culture, and globalization studies. It is also a vital resource for research students, academics, and professionals in the art world.

Carmen Herrera Dana Miller, Serge Lemoine, Gerardo Mosquera, Edward J. Sullivan, Mónica Espinel, 2016-01-01 L'artiste native de Cuba Carmen Herrera (née en 1915) peint depuis plus de sept décennies, mais ce n'est que ces dernières années que la reconnaissance pour son travail a projeté l'artiste vers la notoriété internationale. Ce beau volume offre le premier examen soutenu d'elle, depuis le début de sa carrière en 1948 jusqu'en 1978, et s'étend sur les mondes de l'art de La Havane, de Paris et de New York. Les essais considèrent les premières études de l'artiste à Cuba, son implication dans le Salon des Réalités Nouvelles dans le Paris d'après-guerre et sa sortie révolutionnaire de New York. Puis l'ouvrage situe son travail dans le contexte d'un art d'avant-garde latino-américain plus large. Un essai de Dana Miller considère le travail de New York d'Herrera depuis les années 1950 jusque dans les années 1970, lorsque Herrera arrivait et perfectionnait son style de signature. Des photographies

familiales personnelles des archives de Herrera enrichissent le récit, et une chronologie traitant de l'intégralité de sa vie et de sa carrière présente des images documentaires supplémentaires. Plus de quatre-vingts œuvres sont illustrées sous forme de plaques de couleur. Ce livre est la représentation la plus étendue des travaux de Herrera à ce jour. (d'après l'éditeur).

More Than You Wanted to Know about John Baldessari John Baldessari, 2013 More Than You Wanted to Know About John Baldessari is the first complete collection of the writings of artist John Baldessari. Edited and with essays by Meg Cranston and Hans Ulrich Obrist, the texts in this two-volume set trace the development of Baldessari's understanding of art from the early 1960s through to the present, and includes an extended interview with the artist on the subject of his writing. The collection also includes numerous never-before-published texts as well as facsimiles of the original documents that illustrate Baldessari's composition of words, which achieve both literary and graphic impact. Baldessari's writing addresses a broad range of topics from the problem of colour in sculpture, to the problem of art students who need ideas, to the problem of money in the art world, while returning throughout to the very focused set of issues that are key to his own work. Principle among them is Baldessari's love of words and his long-standing investigation into the similarity and possible interchangeability of word and image. Also available John Baldessari: More Than You Wanted to Know About John Baldessari. Volume 1 (9783037641927)

Art of the Deal Noah Horowitz, 2014-08-31 An eye-opening look at collecting and investing in today's art market

Art today is defined by its relationship to money as never before. Prices have been driven to unprecedented heights, conventional boundaries within the art world have collapsed, and artists think ever more strategically about how to advance their careers. Art is no longer simply made, but packaged, sold, and branded. In *Art of the Deal*, Noah Horowitz exposes the inner workings of the contemporary art market, explaining how this unique economy came to be, how it works, and where it's headed. In a new postscript, Horowitz reflects on the market's continued ascent as well as its most urgent challenges.
