**Asbury Park Reborn** Joseph G. Bilby, Harry Ziegler, 2012-09-25 Asbury Park's diverse array of landmarks creates an unforgettable impression of this legendary seaside city. They tell the story of its past, present and even future. The elegant, Art Deco-inspired Convention Hall captures the resort's glittering heyday in the 1920s and '30s, while structures like the Upstage seem to echo with the voices of aspiring musicians like Bruce Springsteen when they played at intimate venues, defining Asbury's world-renowned music scene. As the city forges ahead with ambitious redevelopment plans, many neglected buildings have been rehabilitated, but others continue to deteriorate, despite a groundswell of public opposition. From opulent movie houses to down-and-dirty rock-and-roll clubs, these landmarks trace the evolution of Asbury Park from a tiny nineteenth-century resort town to the world-famous playground of today.

*Asbury Park: A Century of Change* Helen-Chantal Pike, 2021-06-07 As the 20th century got under way, Asbury Park was booming. Real estate advertisements promoted a residential resort where country meets the sea. The nearly one-square-mile gridded municipality attracted individuals who saw opportunities, from architects and artists to entrepreneurs and people looking for employment. But with the death of its founder and leading benefactor, James A. Bradley, and the rise of machine politics under Mayor Clarence E.F. Hetrick, Asbury Park's civic and economic fortunes started to change. In World War II's long aftermath, suburbs, shopping malls, and modern amusement destinations sprang up outside its municipal borders. Its once-bustling economy faltered, and civil unrest festered until 1970, when it turned violent. It took more than 10 years for new changes to find their way to the drawing boards. But it was in the 21st century that new business and civic leaders with a more inclusive pioneering spirit started turning Asbury Park's fortunes around.

**Reflections of Asbury Park** Janet H. Burgents, 2008-05-29 Asbury Parks Early History James A. Bradley James A. Bradley was born on Valentines Day, 1830, at the Old Blazing Star Inn in Rossville on Staten Island in New York. He was the son of Adam and Hannah Bradley. He was baptized a Catholic. When he was only five, his father died from alcohol related problems. Two years later, his mother married Charles Smith and moved to Cherry Street in the Bowery. In those years before the Civil War, the citys population was exploding. The lower east side was the first stop for tens of thousands of immigrants to America. The original buildings had no heat, light, or running water and few windows until the late 1960s when the state enacted laws that forced landlords to improve living conditions. On hot nights, you could see tenants sleeping on fire escapes to get relief from summer heat. In 1837, the year they moved, a general economic panic had taken over the city. In that year over 100 firms went under, railroads fell, banks collapsed and building construction stopped. The citys working class crowded into tiny tenement apartments. The poor sewer system and primitive health services led to massive outbreaks of typhus and cholera. Bradleys stepfather set up a notions store selling groceries, meat, clothing, shoes and other items. Bradley was only seven years old at the time. He and his stepfather had a peddlers wagon, their favorite spot was down on Catherine Street outside the new specialty store, Lord & Taylor. Bradley obtained his early education in the New York public school system, and in later life continued his education through self-directed reading. At twelve, Bradley worked as a laborer at William Daviss Paper Mill in Bloomfield, New Jersey. As a teenager, Bradley hung with a rowdy immigrant crowd. He soon developed a fondness for wine. By the early 1840s the Bowery became more of a pleasure zone. Small hotels offered free vaudevilles to attract customers including ventriloquism, dancing, circus acts and comics. Young Bradley loved the shows, he tried to attend at least three a week. At thirteen, he witnesses the development of one of

the most popular styles of the day; the minstrel show. They played reels, jigs and told down-home plantation jokes. Negroes were barred from Bowery theaters, but minstrel shows became the rage. Bradley's mother decided that her teenage son was learning too much too fast. She sent him to Bloomfield, New Jersey where a friend from her childhood owned a farm. He spent a year in Jersey milking cows and feeding chickens. He disliked it intensely. Twice he ran away and was caught trying to catch a ferry back to the city. Finally, at age sixteen, he returned to the lower East Side. Upon returning, he apprenticed as a brushmaker in Francis R. Furnolds' factory in New York City. He was made foreman at age twenty-one and remained for seven years. It was hard work in a cramped space that stunk of hog bristle and glue. The animal hair had to be washed by hand, dried in a hot room, bleached, sorted for length, shaped, tied, glued and inserted into a handle. Depending on the type of brush, a man might make six to eight dozen a day. The hours were long and when work was over, Bradley had to return to his crowded, narrow tenement apartment. During this period, Bradley married Helen M. Packard, daughter of Lewis Packard from Boston. Helen was an educated Rutgers student and a staunch Methodist. The two of them resolved to start their own business and through self-discipline, managed to save one thousand dollars. In 1857, they completed payment on a lot uptown. Then, borrowing the capital, the twenty-seven year old Bradley launched his own brush company, Bradley and Smith, located in Pearl Street in New York City. It became a very successful enterprise. Bradley was a vigorous, large built man, rough in appearance, but full of energy. While his wife kept shop, he was upstairs cutting, shaping and gluing brushes. Later in life, Bradl

**Legendary Locals of Asbury Park** Tom Cheseck, 2015-05-11 It is a pious paradise wrested from the dunes; a salty carnival of dreamers, drifters, and just plain folks; a city made legendary by Bruce Springsteen and Stephen Crane but grounded in generations of turbulent American reality. Even those who never lived there feel proprietary about Asbury Park—a place of shared experiences and strong passions, where grand sandcastle plans wash up against changing times and tides. *Legendary Locals of Asbury Park* captures a parade of personalities, from the visionaries who challenged nature to the true believers who sought, against tremendous odds, to make a year-round life in this city of summers. The shopkeepers and show people, the advocates on the front lines of social change, and the chroniclers who witnessed history are all among those who helped a small town cast a giant profile, here and on the big boardwalk beyond.

*Asbury Park's Glory Days* Helen-Chantal Pike, 2005-04-19 Winner of the 2005 New Jersey Author Award for Scholarly Non-Fiction from the New Jersey Studies Academic Alliance Long before Bruce Springsteen picked up a guitar; before Danny DeVito drove a taxi; before Jack Nicholson flew over the cuckoo's nest, Asbury Park was a seashore Shangri-La filled with shimmering odes to civic greatness, world-renowned baby parades, temples of retail, and atmospheric movie palaces. It was a magnet for tourists, a summer vacation mecca to some degree New Jersey's own Coney Island. In *Asbury Park's Glory Days*, award-winning author Helen-Chantal Pike chronicles the city's heyday—the ninety-year period between 1890 and 1980. Pike illuminates the historical conditions contributing to the town's cycle of booms and recessions. She investigates the factors that influenced these peaks, such as location, lodging, dining, nightlife, merchandising, and immigration, and how and why millions of people spent their leisure time within this one-square-mile boundary on the northern coast of the state. Pike also includes an epilogue describing recent attempts to resurrect this once-vibrant city.

**Asbury Park** Shirley Ayres, 2005 Using postcards from the late 1800s on, Asbury Park recounts the history of one of New Jersey's most popular summer resorts. Here are more than two hundred spectacular views of Asbury Park as a thriving city for both businesses and vacationers. Shown are hotels of all

descriptions, unforgettable downtown shops, and the beachfront--a beautiful city carved out of sand dunes and pine forests.

*America's Last Great Newspaper War* Mike Jaccarino, 2020-03-03 NAMED A BEST BOOK OF THE WEEK BY THE NEW YORK POST ALSO AVAILABLE AS AN AUDIOBOOK A from-the-trenches view of New York Daily News and New York Post runners and photographers as they stop at nothing to break the story and squash their tabloid arch-rivals. When author Mike Jaccarino was offered a job at the Daily News in 2006, he was asked a single question: "Kid, what are you going to do to help us beat the Post?" That was the year things went sideways at the News, when the New York Post surpassed its nemesis in circulation for the first time in the history of both papers. Tasked with one job—crush the Post—Jaccarino here provides the behind-the-scenes story of how the runners and shooters on both sides would do anything and everything to get the scoop before their opponents. The New York Daily News and the New York Post have long been the Hatfields and McCoys of American media: two warring tabloids in a town big enough for only one of them. As digital news rendered print journalism obsolete, the fight to survive in NYC became an epic, Darwinian battle. In *America's Last Great Newspaper War*, Jaccarino exposes the untold story of this tabloid death match of such ferocity and obsession its like has not occurred since Pulitzer– Hearst. Told through the eyes of hungry "runners" (field reporters) and "shooters" (photographers) who would employ phony police lights to overcome traffic, Mike Jaccarino's memoir unmask the do-whatever-it-takes era of reporting—where the ends justified the means and nothing was off-limits. His no-holds-barred account describes sneaking into hospitals, months-long stakeouts, infiltrating John Gotti's crypt, bidding wars for scoops, high-speed car chases with Hillary Clinton, O.J. Simpson, and the baby mama of a philandering congressman—all to get that coveted front-page story. Today, few runners and shooters remain on the street. Their age and exploits are as bygone as the News–Post war and American newspapers, generally. Where armies once battled, often no one is covering the story at all. *Asbury Park* Joseph G. Bilby, Harry Ziegler, 2009-05-05 The history of Asbury Park is a veritable roller coaster of challenge, triumph and change. In 1871, there was nothing but marshes and sand dunes between the sinful city of Long Branch and the holy haven of Ocean Grove, but for devout Methodist James Bradley, the deserted beachfront was a new Promised Land. Thus, the resort community Asbury Park was born as a wholesome entertainment and relaxation center for middle-class, white Protestant America. From bicycles and baby parades to brawlers and bootleggers, Bilby and Ziegler trace Asbury Park's cycles of transformation from peaceful resort to raucous amusement park, from empty boardwalk to modern, bustling center of business.

The Press and the Suburbs David B. Sachsman, 2017-07-05 The changing economic and demographic patterns of the United States have many measurements; few of them, however, are more comprehensive than the new circulation realities of the press. This volume tells the story of the twenty-six daily newspapers of New Jersey from the 1960s to the 1980s and in so doing tells the story of the rise of suburbia and the golden age of suburban journalism. In an intense effort to keep pace with the changing location of their readers and most particularly with the upscale consumer, the shift to the suburbs was marked by changes in news coverage, advertising, and promotion. Though people have predicted the decline of newspaper business for more than fifty years, they were proven wrong by the rise of the suburban press and by the survival of most newspapers, urban and suburban alike, through the 1980s and 1990s. But in the twenty-first century, the news and information industry has changed, and the national and international economy has faltered. In his new preface, David Sachsman takes the reader on a tour of what happened to each of the New Jersey daily newspapers since the publication of the original. The twenty-six

newspapers studied have dwindled to sixteen, and huge losses in circulation have caused drastic cutbacks and mergers. The decline in New Jersey newspaper readership is part of a national trend. This is an essential book for all American historians, journalists, and communication specialists.

**4th of July, Asbury Park** Daniel Wolff,2006-06-27 A colorful history of Asbury Park, New Jersey, provides a chronicle of the evolution of the seaside resort town from its founding as a religious commune through 130 years of social, cultural, and musical development, offering tidbits of local history, profiles of the celebrities who passed through, its decline into blight, and the potential for its future. Reprint.

*Fourth of July, Asbury Park* Daniel Wolff,2021-11-24 Bruce Springsteen brought international attention to the Jersey shore by naming his debut album Greetings from Asbury Park, NJ. But the real Asbury Park has an even more fascinating story behind it: a seaside city of dreams that became a magnet for both the best and worst of America, playing host to John Philip Sousa, Count Basie, and Dr. Martin Luther King, as well as the mob and the Ku Klux Klan. Fourth of July, Asbury Park tells the tale of the city's first 150 years, guiding us through the development of its lavish amusement parks and bandstands, as well as the decay of its working-class neighborhoods and spread of its racially-segregated ghettos. Featuring exclusive interviews with Springsteen and other prominent Asbury Park residents, Daniel Wolff uncovers the history of how this Jersey shore resort town came to epitomize both the promises of the American dream and the tragic consequences when those promises are broken. Hailed by The New York Times as a "wonderfully evocative...grand, sad story" when first published in 2006, this revised and expanded edition considers how Asbury Park has changed in the twenty-first century, experiencing both gentrification and new forms of segregation.

*Bradley Beach Treasures* Bette Blum,2007-07-31 In a cycle of life as regular as the tide, generations of families have summered in Bradley Beach, New Jersey, a unique and historical one-square-mile oceanfront community located between Asbury Park and Belmar. Revel in the joys of the Jersey Shore in this new collection of nostalgic stories contributed by loyal residents of Bradley Beach. Steeped in history and rich in beach culture, Bradley Beach Treasures offers a warm glimpse of life through the 1900s with essays, poems, anecdotes, photographs and memorabilia.

**Gentrification Down the Shore** Molly Vollman Makris,Mary Gatta,2020-11-13 Makris and Gatta engage in a rich ethnographic investigation of Asbury Park to better understand the connection between jobs and seasonal gentrification and the experiences of longtime residents in this beach-community city. They demonstrate how the racial inequality in the founding of Asbury Park is reverberating a century later. This book tells an important and nuanced tale of gentrification using an intersectional lens to examine the history of race relations, the too often overlooked history of the postindustrial city, the role of the LGBTQ population, barriers to employment and access to amenities, and the role of developers as the city rapidly changes. Makris and Gatta draw on in-depth interviews, focus groups, ethnographic observation, as well as data analysis to tell the reader a story of life on the West Side of Asbury Park as the East Side prospers and to point to a potential path forward.
