From Here to Ascension Joyce Strahn,2015-06-10 Extra energies from heaven have been directed to planet Earth to help her and her people move into the fifth dimension. We are being watched over by trillions of ships, because this is the only time a planet has been allowed to ascend with her people on her. Without the help of those extraterrestrials, we would have never made it through the 1990s. I have known for years that I cannot get off this planet until I have written this book. It is a book for people who have asked the questions, How did this beloved country of ours get into a mess like this, and, What can I do to help? The answer lies in Hooponopono, the ancient Hawaiian/Lemurian response of love, compassion, forgiveness, and gratitude.
