

Ashes Alerts

CH Cherryholmes

Silver Alert Christopher Whalen,2012-09-28 Craig Duffy craves freedom and the open road. His penchant for avoiding entanglements is challenged when he becomes the reluctant caretaker of his dementia-stricken father. As his father's living situation becomes increasingly untenable, Craig decides to take him on a South Florida road trip for one last hurrah.

Red Alert: Calamity Era Chi FanShuDeHongShao,2020-07-15 The world after the nuclear war was a wasteland, and nature was radiating with extraordinary vitality! The world was shrouded in green, and the lush woodlands had become a paradise for all living beings to hunt and evolve! The former hegemon of humanity had become the lowest level of existence in the food chain, surviving tenaciously and with great difficulty! The gears of history have begun to turn again, beginning with the Dirty Valley.

Food Alert! Morton Satin,2008 Praise for the previous edition:Choice Outstanding Academic Title, 1999 ... accessible and in-depth information ...

Queer Euripides Sarah Olsen,Mario Telò,2022-04-07 This volume is the first attempt to reconsider the entire corpus of an ancient canonical author through the lens of queerness broadly conceived, taking as its subject Euripides, the latest of the three great Athenian tragedians. Although Euripides' plays have long been seen as a valuable source for understanding the construction of gender and sexuality in ancient Greece, scholars of Greek tragedy have only recently begun to engage with queer theory and its ongoing developments. Queer Euripides represents a vital step in exploring the productive perspectives on classical literature afforded by the critical study of orientations, identities, affects and experiences that unsettle not only prescriptive understandings of gender and sexuality, but also normative social structures and relations more broadly. Bringing together twenty-one chapters by experts in classical studies, English literature, performance and critical theory, this carefully curated collection of incisive and provocative readings of each surviving play draws upon queer models of temporality, subjectivity, feeling, relationality and poetic form to consider queerness both as and beyond sexuality. Rather than adhering to a single school of thought, these close readings showcase the multiple ways in which queer theory opens up new vantage points on the politics, aesthetics and performative force of Euripidean drama. They further demonstrate how the analytical frameworks developed by queer theorists in the last thirty years deeply resonate with the ways in which Euripides' plays twist poetic form in order to challenge well-established modes of the social. By establishing how Greek tragedy can itself be a resource for theorizing queerness, the book sets the stage for a new model of engaging with ancient literature, which challenges current interpretive methods, explores experimental paradigms, and reconceptualizes the practice of reading to place it firmly at the center of the interpretive act.

Tulips and Ashes Iryna Kapitonova,2024-03-19 Embark on a raw and moving journey through a year in war-torn Ukraine with Iryna Kapitonova. Iryna invites you to join her in grappling with the pain of loss, uncertainty, and the terrible degradations of evil. As she chronicles her daily life in her beloved homeland of Ukraine, she also invites you to look for hope, to find reasons to celebrate, and to believe that a better day is coming. Witness the depths of loss, uncertainty, and the resilience of the human spirit. Through the pages of her daily chronicle discover hope blooming amidst chaos and the unwavering strength that can be found in moments of despair. Join her in exploring the profound interplay between faith, loss, and the enduring pursuit of hope in the face of adversity. As Iryna leads you through the first year of the 2022 war, you will find yourself alternately weeping and rejoicing, ever aware that war continues on. Join Iryna in bearing witness to the horrible and awesome potential of the human spirit.

When You Want to Yell at God Craig G. Bartholomew,2016-03-07 Think you know Job? Think again. Craig Bartholomew wants to help you read the book of Job from a different perspective. Let go of the Job you think you know--and discover the real man. Is it true that what goes around comes around? Does right behavior ensure blessing? Is suffering always brought on by wrongdoing? Job's story refutes these notions, but it proclaims a much greater truth--God is always faithful. Join Bartholomew in When You Want to Yell at God, and experience the beauty of one man's struggle with God.

Spoiler Alert: The Hero Dies Michael Ausiello,2017-09-12 Television industry journalist Michael Ausiello tells the story of his final year with his partner of thirteen years, Kit Cowan--diagnosed with a rare and very aggressive form of neuroendocrine cancer--while revisiting the many memories that preceded it, and describes how their undeniably powerful bond carried them through all manner of difficulties, with humor always front and center of the relationship.

Spoiler Alert! Richard Greene,2019-05-21 Spoilers get folks upset--really upset. One thing that follows from this is that if you pick up a book that's all about spoilers, it may seriously disturb you. So anyone reading this book--or even dipping into it--does so at their peril. Spoilers have a long history, going back to the time when some Greek theater-goer shouted "That's Oedipus's mom!" But spoilers didn't use to be so intensely despised as they are today. The new, fierce hatred of spoilers is associated with the Golden Age of television and the ubiquity of DVR/Netflix/Hulu, and the like. Today, most people have their own personal "horror story" about the time when they were subject to the most unfair, unjust, outrageous, and unforgivable spoiler. A first definition of spoiler might be revealing any information about a work of fiction (in any form, such as a book, TV show, or movie) to someone who hasn't encountered it. But this isn't quite good enough. It wouldn't be a spoiler to say "The next Star Trek movie will include a Vulcan." Nor would it be a spoiler to say, "The story of Shawshank Redemption comes from a short story by Stephen King." There has to be something at least a bit unexpected or unpredictable about the information, and it has to be important to the content of the work. And you could perpetrate a spoiler by divulging information about something other than a work of fiction, for example details of a sports game, to someone who has tivoed the game but not yet watched it. Timing and other matters of context may make the difference between a spoiler and a non-spoiler. It could be a spoiler to say "There's a Vulcan in the next Star Trek movie" if spoken to someone raised in North Korea and knowing absolutely nothing about Star Trek. It can also be a spoiler to say something about a movie or TV show when it's new, and not a spoiler when it has been around for some years. This raises the distinction between "personal spoilers" and "impersonal spoilers." Personal spoilers are spoilers for some particular individual, because of their circumstances. You should never give personal spoilers (such as when someone says that they have never seen a particular movie, even though the plot is common knowledge. You can't tell them the plot). Sometimes facts other than facts about a story can be spoilers, because they allow people to deduce something about the story. To reveal that a certain actor is not taking part

in shooting the next episode may allow someone to jump to conclusions about the story. Spoilers need not be specific; they can be very vague. If you told someone there was a big surprise ending to *The Sixth Sense* or *Fight Club*, that might spoil these movies for people who haven't seen them. You can spoil by mentioning things that are common knowledge, if someone has missed out on that knowledge ("Luke and Darth Vader are related"), but you usually can't be blamed for this. People have some obligation to keep up. This means that in general you can't be blamed for spoilers about stories that are old. "Both Romeo and Juliet are dead at the end" could be a spoiler for someone, but you can't be blamed for it. This is a rule that's often observed: many publications have regulations forbidding the release of some types of spoilers for a precisely fixed time after a movie release. However, some spoilers never expire, either because the plot twist is so vital or the work is so significant. So, if you're talking to young kids, you probably should never say "Darth Vader is Luke's father," "Norman Bates is Mother," "Dorothy's trip to Oz was all a dream," "All the passengers on the Orient Express collaborated in the murder," "in *The Murder of Roger Akroyd*, the narrator did it," "Soylent Green is people," "To Serve Man is a cookbook," and finally, what many consider to be the greatest and worst spoiler of them all, "The Planet of the Apes is really Earth." Some famous "spoilers" are not true spoilers. It's not going to spoil *Citizen Kane* for anyone to say "Rosebud is his sled." This piece of information is not truly significant. It's more of a McGuffin than a plot twist. A paradox about spoiling is that people often enjoy a work of fiction such as a Sherlock Holmes story over and over again. They remember the outline of the story, and who did the murder, but this doesn't stop them re-reading. This demonstrates that the spoilage generated by spoilers is less than we might imagine. It's bad to spoil, but how bad? People do seem to exaggerate the dreadfulness of spoiling, compared with other examples of inconsiderateness or rudeness. Are there occasions when it's morally required to spoil? Yes, you might want to dissuade someone from watching or reading something you believed might harm them somehow. Also, you might issue a spoiler in order to save the world from a terrorist attack (Yes, this is a philosophy book, so it has to include at least one totally absurd example). A more doubtful case is deliberate spoiling as a protest, as occurred with *Basic Instinct*. The book ends with three spoiler lists: the Most Outrageous Spoiler "Horror Stories"; the Greatest Spoilers of All Time; and the Greatest Spoilers in Philosophy.

Orange Alert Kazim Ali, 2010 An American poet takes on Eastern philosophy, Western culture, and his Muslim heritage

Stork Alert Delores Fossen, 2007-08-01 When Kelly Manning learned that her child might have been involved in a baby swap, she confronted the problem head-on. Rich, powerful and dangerously attractive, Nick Lattimer was the only hope she had of finding out the truth. But he had the power to claim both the baby boy she'd raised and the biological son she'd never known. Someone wanted them dead...someone who'd stop at nothing to make sure the babies' cries were silenced forever. There was only one way for Kelly to keep the boys safe. She'd have to join forces with the last man she should trust—and the only person who loved the children as much as she did.

Cruise of the "Alert." Richard William Coppinger, 1883

Alert, Aware, Attentive John Cullen, 2020-07-31 We often find it hard to believe that we have a unique voice. Advent begins with a voice crying in the wilderness. Every voice matters – especially voices in the wilderness that are stifled and silenced by alienation and apathy. This book dares you to take the time to listen to Advent voices in the wilderness that persist with calls to be heard and respected. December is a month when we fill the winter days and nights with a new busyness. This book is a chance to pause, catch our breath. This book is a fingertip on the pulse to appreciate our every breath and heartbeat as a gift. It is a chance for the reader to connect with God's word during Advent – cradling a word, a phrase or an image that whispers hope into some parched place in our lives – a place of dry bones (Ezekiel 37:1-14). This is where God's patient dialogue waits for our response. The author celebrates God's love enfolding all that we hide – just as Adam and Eve hid their own natural beauty (Genesis 3:7) – unaware of God's 'hide and seek' presence. Here is a God, eager to guide them and us from shadowy darkness into a perpetual light of eternal love. Advent gives us the space to create new contexts that transform predictability into possibility, despite our inadequacies and the freight of failures that we carry. Advent is a time to develop skills as disciples, so as not to miss God. Advent is about being disciples. The gospels show us how the disciples stumbled, fumbled and slowly and gradually learned to change, follow and witness.

The Flirt Alert Kaylene Winter, 2023-11-17 When a man who has everything will do anything to ease the pain of the incredible woman who's living with a living with an ever-present risk. My best friend's twin, Shay Stojanović, is my ultimate gamer dream girl come to life. Gorgeous, flirtatious and popular, she didn't know I existed. Until one fateful night, she made this nerd's every fantasy come true. The next day she blew me up like a frag grenade. Years later, Shay's brother and I have built a billion dollar gaming company. He had the nerve to give his shady sister a coveted executive role. Oh, I'm not going to make it easy on her—she'll quit. You'll see. Everything's going exactly to plan... Until we get stranded at the top of a mountain. And I learn the truth. Now I can't—and won't—resist her. She has a lot to overcome. And I'm just the man to soothe her hurt. It's Shay's turn for a flirt alert. The Flirt Alert is a scorching, standalone, billionaire, enemies to lovers, brother's best friend, forced proximity, STEM workplace, HEA romance.

Israel on High Alert Ron Rhodes, 2023-12-01 What Does the Future Hold for Israel? The Middle East has long been spiraling out of control, causing global uncertainty and fear. What does this turmoil mean for Israel, and why has peace been so elusive? In this updated and expanded edition of *Israel on High Alert*, author and Bible teacher Ron Rhodes offers a clear view of the situation—and future—faced by Israel. You will explore the causes of the rising conflicts and wars in the Middle East what Scripture says about the ongoing battles and God's plans for Israel how the events in the Middle East affect each of our lives today Touching on everything from mainstream and radical Islam to the current efforts to rebuild the Jewish temple, this book will guide you through the past, present, and God-ordained future for the nation of Israel. Find assurance in knowing that even amid chaos and uncertainty, God's plan is already in action—and it will never fail.

Last Alert; The Plot Against God's Throne Stephen Conway Calais, 2021-10-28 Last Alert; The Plot Against God's Throne by Stephen Conway Calais

ORBIT OF ASHES JESUS IS COMING! BILL McKEE, 1972

The Interpretation of Samuel Johnson J. Clark, H. Erskine-Hill, 2012-06-12 A major academic controversy has raged in recent years over the analysis of the political and religious commitments of Samuel Johnson, the most commanding of the 'commanding heights' of eighteenth-century English letters. This book, one of a trilogy from

Palgrave, brings that debate to a decisive conclusion, retrieving the 'historic Johnson.'

An Alert, Well-Hydrated Artist in No Acute Distress Catherine Armsden,2023-12-05 Two Artists, a Singular Friendship, and a Six-State Quest for a Diagnosis Hadley Ferguson and Catherine Armsden, a painter and a writer, have each spent years seeking a diagnosis for their troubling symptoms. When they are finally diagnosed with Parkinson' s disease, they meet in an online support group and quickly become long-distance friends. But for Hadley, the shared diagnosis is still not correct. She embarks on a traumatic, six-state odyssey that Catherine documents in vivid detail. Part critical commentary on the American healthcare system and part primer on Parkinson's disease, An Alert, Well-Hydrated Artist in No Acute Distress tackles many topics beyond Hadley' s and Catherine' s personal experience, such as the causes and treatment of Parkinson' s; navigating the doctor-patient relationship; so-called cognitive errors made in diagnosis; and the role of empathy in healthcare. This moving memoir will resonate with anyone who's had difficulty getting a diagnosis or lives with chronic disease, but will also inspire all readers with Hadley' s and Catherine' s ultimately victorious parallel quests to achieve the most fulfilling creative work of their careers. Catherine Armsden' s wonderfully insightful book should be read by anyone who' s ever received a difficult diagnosis as well as anyone who' s delivered one. ... The book is dedicated to those who don' t look away, and An Alert Well Hydrated Artist in No Acute Distress never does. Dave Iverson, journalist and author of Winter Stars: An Elderly Mother, an Aging Son and Life' s Final Journey
