A Theology for Family Ministry Michael Anthony,Michelle Anthony,2011-07-01 The times are definitely changing. What was once simply referred to as a Nuclear Family in North America has morphed into labels such as Non-Traditional Families, Fragmented Families, Single-Parent Families, Gay-Partner Families, Blended Families, and beyond. It may not always be pretty, but it is reality, and that's the intersection between biblical ideal and ministry practice, writes editor Michael J. Anthony in *A Theology for Family Ministry*. With thoroughly researched input from a broad team of family experts, the book advises church and ministry leaders on how to make biblically and philosophically informed choices when reaching out to adults and children within these shifting paradigms. Emphasis is placed on what the Scriptures teach about the composition of the home, followed by discerning and hopefilled strategies for helping all families live out their God-given mandates. While the family may continue to change into models that bring discomfort and angst to some of us, we rest in the assurance that God has a plan for those who live in any of these new configurations of what we now call family, explains Anthony. Other contributors include Ken Canfield, Michelle D. Anthony, Karen E. Jones, Freddy Cardoza, Michael S. Lawson, Richard Melick Jr., Curt Hamner, Leon Blanchette, Gordon R. Coulter, James W. Thompson, Timothy Paul Jones, Randy Stinson, Kit Rae, and David Keehn.

Family Ministry Diana R. Garland,2012-08-02 North American families are in crisis, and the need for family ministry is more evident than ever. In her many years of ministry, research and teaching, author Diana Garland has found that the strength of Christian families is rooted in their faith and nurtured in their congregations. Garland believes that Christian families gain strength in part because of their communities of faith. Twelve years after first coming to print, the award-winning *Family Ministry* has been given a significant makeover. In this new edition Garland takes a three-pronged approach to family ministry, which includes developing families grounded in Christian faith, helping families live the teachings of Jesus with one another, and equipping and supporting families as they learn to serve others. The insights gained are organized into four main sections: The Context for Family Ministry Family Formation Family Dynamics Leading Family Ministry Garland examines and fully integrates the historical, sociological, theological and biblical contexts to understand the role and meaning of family in the life of Christians and the church. She perceptively connects these explorations with the social and cultural context of the early twenty-first century. A Heart for the Community John Dr. Fuder,Noel Castellanos,2013-08-28 Our nation used to look at violence, poverty, and gentrification and assign those problems to urban centers. Today, these issues concern the suburbs, too. The Christian community is responding to this reality. Churches and parachurch ministries are actively working to transform lives and restore communities throughout the city and suburbs. In *A Heart for the Community: New Models for Urban and Suburban Ministry*, you will be challenged by a collection of voices seeking community renewal. These individuals are involved in creative church planting initiatives, and they are serving the growing Hispanic and Muslim populations. Additional endeavors include serving racially changing communities, economic development strategies, and more. As anyone who has been in ministry for any length of time can attest, tackling some of the most challenging issues of our times is no mere academic exercise. The voices within these pages write from experience and offer workable, vibrant models of ministry that make a difference.

Restorers of Hope Amy L. Sherman,2004-11-04 It's easy to get discouraged at the reports of continuing decay in our inner cities and impoverished rural areas. Yet in the midst of the dark realities, some churches are transforming lives and reclaiming communities through effective, holistic ministries. 'Restorers of Hope' tells their stories and identifies the keys to their success. And it goes further by challenging churches to take up Christ's command to love your neighbor and offering specific, practical guidance on how to reach out. By understanding the challenges of persistent poverty - and the opportunities afforded by welfare reform - you and your church will be better equipped to engage in redemptive ministry that presents the gospel as the true solution.

My Lord and My God Jeffry Odell Korgen,2007 Provides Catholics with all the tools they need to build successful parish social ministries through invitation, conversion, and empowerment.

Leading a Special Needs Ministry Amy Fenton Lee,2016-09-01 What do you need to lead a special needs ministry? If you're not asking this question as a church leader, you are already behind. Families in your community are asking this question in every area of life--not just church. We need to meet families, families of every kind, and love them right where they are. *Leading a Special Needs Ministry* is a practical how-to guide for the family ministry team working to welcome one or 100 children with special needs. Author Amy Fenton Lee offers easily referenced guidance for: Caring for parents beginning the diagnosis process Vital stats/info regarding special needs Developing programs, policies and procedures Special needs ministry leadership Providing education for volunteers Example ministry documents and more This comprehensive guidebook is long overdue. Special needs ministry is no longer a niche topic, but at the heart of serving communities well. Join a movement of churches who are seeking to more effectively serve the entire body of Christ.

If You Only Knew O Sonny Acho,2003-05-01 Although Christians are quite adept at masking their pain behind smiles and handshakes, we experience pain and suffering in proportions equal to the non-Christian world. Dr. O. Sonny Acho has written *If You Only Knew* to awaken church leaders and the church in general to the pain of those in the pews. He challenges preachers to go beyond preaching, and parishioners to be more involved in the day-to-day struggles of those within the body. By informing leaders, Dr. Acho believes they will better train their flock to get into each other's lives, relieve pain, and help each other live more like Christ.

A Big Gospel in Small Places Stephen Witmer,2019-11-05 2019 World Magazine Book of the Year Short List 2019 The Gospel Coalition Book Award 2019 Send Institute's Top Ten Church Planting Related Books of 2019 Kevin DeYoung's Top 10 Books of 2019 Jesus loves small, insignificant places. In recent years, Christian ministries have increasingly prioritized urban areas. Big cities and suburbs are considered more strategic, more influential, and more desirable places to live and work. After all, they're the centers for culture, arts, and education. More and more people are leaving small places and moving to big ones. As a ministry strategy, focusing on big places makes sense. But the gospel of Jesus is often unstrategic. In this book, pastor Stephen Witmer lays out an integrated theological vision for small-place ministry. Filled with helpful information about small places and with stories and practical advice from his own ministry, Witmer's book offers a compelling, comprehensive vision for small-place ministry today. Jesus loves small places, and when we care deeply about them and invest in them over time, our ministry becomes a unique picture of the gospel—one that the world badly needs to see.

Twelve Dynamic Shifts for Transforming Your Church E. Stanley Ott,2002-06-06 Arguing that the weakness of the church today is a loss of personal spirituality and congregational vitality, Ott challenges local churches to discover how to adjust the style of their ministries to attract new people while encouraging current members.

Dust and Breath Kendra Hotz,Matthew T. Mathews,2012-09-10 Inspiration for churches seeking to develop whole-person ministries *Dust and Breath* invites the Christian community into an expansive vision of salvation that includes ministries of health and healing. Inspired by the work of a remarkable ministry in Memphis, Tennessee, Kendra Hotz and Matthew Mathews show why the church must care about both faith and health. In 1987 Dr. G. Scott Morris opened a medical clinic called the Church Health Center in a poor Memphis neighborhood. What began as a clinic for the working uninsured has grown into a

nationally recognized faith-based healthcare organization. In this book Hotz and Mathews articulate the theological significance of the Church Health Center and other church ministries like it. Replete with real-life stories and practical examples, Dust and Breath shows how such ministries can help give hope and restore wholeness to communities in amazing ways.

The Grace of Being Minority Fr Emmanuel Asi,2021-04-15 The idea of making a book out of the following reflections came after the Major Superiors Leadership Conference (MSLC) in Pakistan (February 1989) had invited me to share my thoughts on the theme. This gave birth to the first working draft of this small (minor!) book The Grace of Being Minority. I bless and praise God for the presence of Missionaries who introduced to us the Good News of Jesus as our Savior. I praise God for the presence of Religious in Pakistan. They give witness to the contemplative aspect of the Church. They are to be thanked for their multiple ministries and apostolates to uplift the local people to their human dignity and Christian.
