The Rise of China and India ,

The Rise of China and India Peng Er Lam,Tai-Wei Lim,2009 The most remarkable phenomenon in Asia in the 21st century is arguably the economic rise of China and India. Amazingly, the two most populous countries in the world are uplifting millions of their citizens annually from poverty through rapid economic growth. What is the impact on the region, given the ascendance of China and India? There are at least two possible outcomes: the rise of the two great Asian powers may challenge the US and instill fear among the smaller countries in Asia, or, China and India will act as new economic dynamos that will benefit the region even if US economic presence in the region is to decline in the future. This book explores the opportunities and obstacles to a 'harmonious' region underpinned by the rise of China and India.

Reading Asian Television Drama Jeongmee Kim,2014-02-20 The Asian TV industry is 'unstoppable' reported Variety in 2008, yet still most people living in the West have no idea what the rest of the world is watching on TV: what makes them laugh and cry every day. East Asia, as this book demonstrates, produces drama that is watched by vast audiences. The dramas themselves are diverse in form and content, have value that is local as well as transcultural and strongly appeal, in terms of their aesthetics, storytelling, acting and cinematography to non-Asian as well as Asian audiences. Reading Asian Television Drama offers an informative overview of East Asian television drama and its cultural impact. It examines both the text and context of TV dramas from such countries as Hong Kong, Taiwan, Japan, China and South Korea. Chapters analyse various internationally popular dramas including South Korean 'hallyu' shows like Jewel in the Palace, Winter Sonata and Wedding. Other chapters focus on Asian TV networks within Asia, as well as Asian global cultural exchange and the international consumption of East Asian television drama. They also provide full and varied coverage of the major issues relating to contemporary East Asian television and its cultural formation within Asia as well as in the West.

The Methuen Drama Anthology of Modern Asian Plays Kevin J. Wetmore, Jr.,Siyuan Liu,2014-05-22 A companion volume to Modern Asian Theatre and Performance 1900-2000, this anthology contains nine emblematic scripts from twentieth and twenty-first century Asian theatre. Opening with a history of modern Asian drama and a summary of the plays and their contexts, it features nine works written between 1912 and 2009 in Japan, China, Korea, India, Indonesia and Vietnam. Showcasing fresh contemporary writing alongside plays central to the established canon, the collection surveys each playwright's work, and includes: Father Returns by Kikuchi Kan Hot Pepper, Air Conditioner and the Farewell Speech by Okada Toshiki Sunrise by Cao Yu I Love XXX by Meng Jinghui, Huang Jingang, Wang Xiaoli, Shi Hang Bicycle by O Tae-sok The Post Office by Rabindranath Tagore Hayavadana by Girish Karnad The Struggle of the Naga Tribe by W. S. Rendra Truong Ba's Soul in the Butcher's Skin by Luu Quang Vu The chronological and geographical breadth of the anthology provides a unique insight into modern Asian theatre and is essential to any understanding of its relation to Western drama and indigenous performance.

The Rise of K-Dramas JaeYoon Park,Ann-Gee Lee,2019-06-07 Korean dramas gained popularity across Asia in the late 1990s, and their global fandom continues to grow. Despite cultural differences, non-Asian audiences find K-dramas appealing. They range from historical melodrama and romantic comedy to action, horror, sci-fi and thriller. Devotees pursue an immersive fandom, consuming Korean food, fashion and music, learning Korean to better understand their favorite shows, and travelling to Korea for firsthand experiences. This collection of new essays focuses on the cultural impact of K-drama and its fandom, and on the transformation of identities in the context of regional and global dynamics. Contributors discuss such popular series as Boys over Flowers, My Love from the Star and Descendants of the Sun.

Asian Drama Gunnar Myrdal,1985

Feeling Asian Modernities Koichi Iwabuchi,2004-03-01 The recent transnational reach of Japanese television dramas in East and Southeast Asia is unprecedented, and not simply in terms of the range and scale of diffusion, but also of the intense sympathy many young Asians feel toward the characters in Japanese dramas, so that they cope with their own modern lives by emulating the lives on screen. Through the empirical analysis of how Japanese youth dramas are (re)produced, circulated, regulated, and consumed in East and Southeast Asia, each chapter in this volume variously explores the ways in which intra-Asian cultural flows highlight cultural resonance and asymmetry in the region under the decentering processes of globalization. Key questions include: What is the nature of Japanese cultural power and influence in the region and how is it historically overdetermined? How is it similar to and different from Americanization and other Asian cultural sub-centers? What kinds of images and sense of intimacy and distance are perceived through the reception of Japanese youth dramas?

TV Drama in China Ying Zhu,Michael Keane,Ruoyun Bai,2008-10-01 This collection of essays brings together the first comprehensive study of TV drama in China. Examining in depth the production, distribution and consumption of TV drama, the international team of experts demonstrate why it remains the pre-eminent media form in China. The examples are diverse, highlighting the complexity of producing narrative content in a rapidly changing political and social environment. Genres examined include the revisionist Qing drama, historical and contemporary domestic dramas, anti-corruption dramas, pink dramas, Red Classics, stories from the Diaspora, and sit-coms. In addition to genres, the collection explores industry dynamics: how TV dramas are marketed and consumed on DVD, and China's aspirations to export its television drama rights. The book provides an international and cross-cultural perspective with chapters on Taiwanese TV drama in China, the impact of South Korean drama, and trans-border production between the Mainland and Hong Kong.

Asian drama Gunnar Myrdal,1965

East Asian Pop Culture Beng Huat Chua,Koichi Iwabuchi,2008-02-01 The contributors analyse the subject of Asian pop culture arranged under three headings: 'Television Industry in East Asia', 'Transnational-Crosscultural Receptions of TV Dramas' and 'Nationalistic reactions'.

Korean Drama Under Japanese Occupation Ch'i-jin Yu,Man-sik Ch'ae,2004 From 1910 to 1945, Japan occupied Korea and controlled every aspect of the Korean life. This book presents three plays by two prominent Korean writers who ventured to voice anti-Japanese sentiments in their plays despite the harsh censorship of the time.

A K-Drama Voyage Carl R. Ackerman,2021-09-27 Demand for television programming depicting Korean popular culture is steadily growing in the wake of the Korean Wave, which gave rise to worldwide interest in South Korea's cultural economy. Author and ardent devotee to K-dramas, Dr. Carl Ackerman noticed an uptick in the availability on most streaming services as a result. Longing to offer access to an even wider audience, Ackerman has penned a joyful and reverent written analysis of the movement. Millions tune in to watch Korean entertainment daily and streaming giants, such as Netflix have started adding K-drama to its platform, Ackerman said. It is clear that people want to watch this form of entertainment. A K-Drama Voyage offers readers an American perspective on the cultural phenomenon of Korean drama. Examining the significance of K-dramas on society, Ackerman provides both a guide and an enlightening reference about life not only in Korea but the world at large. This book represents the first of its kind in the English language

and will surely attract readers and bloggers across the globe who love what the South Korean nation has provided for all-splendid, entertaining, televised stories, Ackerman said. A K-Drama Voyage is available for purchase online at Amazon.com.

Modern Korean Drama Richard Nichols,2011 Carefully selected and represented, the plays in this collection showcase both the fantastic and the realistic innovations of Korean dramatists during a time of rapid social and historical change. Stretching from 1962 to 2004, these seven works tackle major subjects, such as the close of the Choson dynasty and the aftermath of the Korean War, while delving into trenchant cultural issues, such as the marginalization of students who rebel against mainstream education and the role of traditional values in a materialistic society. Longtime scholar of Korea and its vibrant, politically acute theater, Richard Nichols opens with a general overview of modern Korean drama since 1910 and concludes with an appendix describing theater production and audience attendance in Seoul. He chooses works that aren't just for Korean audiences. These texts confront universal themes and situations, tackling the problem of ambition, the trouble with fidelity, and the complexity of sexual and interpersonal relationships. Nichols situates each work critically, historically, and culturally, including brief biographies of playwrights and extensive notes. A bibliography also provides alternative readings and the titles of additional plays currently available in English. Primed for production, these skillful translations provide Western directors with exciting new material for the stage. At the same time, they offer students and scholars a sophisticated survey of the modern Korean dramatic tradition.

Reading Asian Television Drama Jeongmee Kim,2019 Reading Asian Television Drama offers an informative overview of East Asian television drama and its cultural impact. It examines both the text and context of TV dramas from such countries as Hong Kong, Taiwan, Japan, China and South Korea. Chapters analyse various internationally popular dramas including South Korean 'hallyu' shows like Jewel in the Palace, Winter Sonata and Wedding. Other chapters focu on Asian TV networks within Asia, as well as Asian global cultural exchange and the international consumption of East-Asian television drama. They also provide full and varied coverage of the major issues relating to contemporary East Asian television and its cultural formation within Asia as well as in the West.--The back cover.

Falling in Love Like a Korean Drama A. K. Moon,2016-08-26 Summer has been working at her dad's restaurant as a chef since her mom's demise. Enduring her step mom's verbal abuse and unthankful dad seemed to be the only thing each day brought. One day, she sees a man at her deceased mom's old house, and he strangely magnetizes her mind since then. But on the same day, her stepmom stomps out of their restaurant, her boyfriend sends her a breakup text, and her dad fires her. If there was any good news, it was that she had time, a few cash, and her mom's old photo. Yet, the Korean address at the back of the picture that she came across seemed to mean something. Summer hopes that a trip to Korea would uncover her mom's past, but she never expected to see the mysterious man who was at her mother's house on the other side of the world. The title includes the unfamiliar words, 'Korean Drama'; however, it is just the background for a love story that transcends culture, language, and other incredible obstacles.

Asian American Drama Brian Nelson,2006-10

Bold Words Rajini Srikanth,Esther Yae Iwanaga,2001 This anthology covers writings by Asian Americans in all genres, from the early twentieth century to the present. Some sixty authors of Chinese, Filipino, Japanese, Korean, South Asian, and Southeast Asian American origin are represented, with an equal split between male and female writers. The collection is divided into four sections-memoir, fiction, poetry, and drama-prefaced by an introductory essay from a well-known practitioner of that genre: Meena Alexander on memoir, Gary Pak on fiction, Eileen Tabios on poetry, and Roberta Uno on drama. The selections depict the complex realities and wide range of experiences of Asians in the United States. They illuminate the writers' creative responses to issues as diverse as resistance, aesthetics, biculturalism, sexuality, gender relations, racism, war, diaspora, and family.

Asian Drama Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Asian Drama free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or

download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Asian Drama free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Asian Drama free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Asian Drama. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Asian Drama any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Asian Drama Books

1. Where can I buy Asian Drama books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Asian Drama book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Asian Drama books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
