Dear Girls Ali Wong, 2019-10-15 NEW YORK TIMES BESTSELLER • Ali Wong's heartfelt and hilarious letters to her daughters (the two she put to work while they were still in utero) cover everything they need to know in life, like the unpleasant details of dating, how to be a working mom in a male-dominated profession, and how she trapped their dad. "Knife-sharp . . . a genuine pleasure."—The New York Times NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Time • Variety • Chicago Tribune • Glamour • New York In her hit Netflix comedy special Baby Cobra, an eight-month pregnant Ali Wong resonated so strongly that she even became a popular Halloween costume. Wong told the world her remarkably unfiltered thoughts on marriage, sex, Asian culture, working women, and why you never see new mom comics on stage but you sure see plenty of new dads. The sharp insights and humor are even more personal in this completely original collection. She shares the wisdom she's learned from a life in comedy and reveals stories from her life off stage, including the

brutal single life in New York (i.e. the inevitable confrontation with erectile dysfunction), reconnecting with her roots (and drinking snake blood) in Vietnam, tales of being a wild child growing up in San Francisco, and parenting war stories. Though addressed to her daughters, Ali Wong's letters are absurdly funny, surprisingly moving, and enlightening (and gross) for all. Praise for *Dear Girls* "Fierce, feminist, and packed with funny anecdotes."—Entertainment Weekly "[Wong] spins a volume whose pages simultaneously shock and satisfy. . . . *Dear Girls* is not so much a real-talk handbook as it is a myth-puncturing manifesto."—Vogue "[A] refreshing, hilarious, and honest account of making a career in a male-dominated field, dating, being a mom, growing up, and so much more...Yes, this book is addressed to Wong's daughters, but every reader will find nuggets of wisdom and inspiration and, most important, something to laugh at."—Bustle

The Secrets of Jin-shei Alma Alexander, 2017-05-11 A group of women, the jin-shei sisterhood, form a uniquely powerful circle that transcends class and social custom. They are bound together by a declaration of loyalty that transcends all other vows, even those with the gods, by their own secret language, passed from mother to daughter, by the knowledge that some of them will have to pay the ultimate sacrifice to enable others to fulfill their destiny. The sisterhood we meet run from the Emperor's sister to the street-beggar, from the trainee warrior in the Emperor's Guard to the apprentice healer, from the artist to the traveller-girl, herself an illegitimate daughter of an emperor and seen as a threat to the throne. And as one of them becomes Dragon Empress, her determination to hold power against the sages of the temple, against the marauding forces from other kingdoms, drags the sisterhood into a dangerous world of court intrigue, plot and counterplot, and brings them into conflict with each other from which only the one who remains true to all the vows she made at the very beginning to the dying Princess Empress can rescue them. An amazing and unusual book, based on some historical fact, full of drama, adventure and conflict like a Shakespearean history play,

it's a novel about kinship and a society of women, of mysticism, jealousy, fate, destiny, all set in the wonderful, swirling background of Syai, a fantasy kingdom inspired by Imperial China.

We aim to shed light on women who have been abroad and those who have engaged in relationships with foreigners.
