Ghetto Cowboy G. Neri, 2011-08-09 A street-smart tale about a displaced teen who learns to defend what's right-the Cowboy Way. When Cole's mom dumps him in the mean streets of Philadelphia to live with the dad he's never met, the last thing Cole expects to see is a horse, let alone a stable full of them. He may not know much about cowboys, but what he knows for sure is that cowboys aren't black, and they don't live in the inner city. But in his dad's 'hood, horses are a way of life, and soon Cole's days of skipping school and getting in trouble in Detroit have been replaced by shoveling muck and trying not to get stomped on. At first, all Cole can think about is how to ditch these ghetto cowboys and get home. But when the City threatens to shut down the stables-- and take away the horse Cole has come to think of as his own-- he knows that it's time to step up and fight back. Inspired by the little-known urban riders of Philly and Brooklyn, this compelling tale of latter-day cowboy justice champions a world where your friends always have your back, especially when the chips are down.

Never Ask a Man the Size of His Spread - New Steve Arwood, Gladiola Montana, 2009-10 Henry Ward Beecher said "the common sense of one century is the common sense of the next." That said, these pocket-sized humor books pack quite a bit of punch--lines that is. With more than 1.5 million copies in print, their all-new look will leave a whole new generation in stitches!

The Truth About Cowboys Lisa Renee Jones, 2019-08-27 Steamy, sexy, and laugh-out-loud funny, THE TRUTH ABOUT COWBOYS is a new contemporary novel that will pull your heartstrings and steam up your e-reader... While I was off pitching in the big leagues, my family was back in the small town of Sweetwater, Texas, running the family ranch. Then tragedy hit and I discovered there were secrets that my family kept, problems they hid. I went home, left behind the money, women, and fame. I took over the ranch and took care of my grandmother. I took over hiding the secrets. Then she came to town. A smart-mouthed, clumsy, too-smart-and-too-pretty-for-my-own-good city girl hiding out to write a book. She's right here, on my property, in the cottage my grandmother rented her without my permission, and she sees too much. She knows too much. Now suddenly my world is spinning, and she's shoving a baseball back in my hand while baking cookies with my grandmother. She's the devil and an angel all in one fiery little package. I decide I'll

wait her out. She'll go back to the city. Only suddenly I don't want her to leave, and everything I've settled for in my life isn't enough. I want to play ball and I want her, but there's that secret that won't let go, but neither will she. Each book in the Texas Heat series is STANDALONE: * The Truth About Cowboys * Tangled Up In Christmas

Cowboy and Cowgirl Poems Alan R. Gatrell, 2007-05 I will begin by telling you a little about the person who I am and how I came to write these pages..... Today, I own and operate a real working cattle ranch along with a Country Western Bar and Grill, Western Wear, Feed and Saddle at the base of the Blue Ridge Mountains in North Carolina. I grew up in a small farming community in rolling hills of rural Ohio. I enlisted in the Military at age 17 and was selected by the US CID to do covert operations in the North Carolina region of USACIDC. I worked as a CID Agent for 7 years and then left the CID but continued to work with special operations for an additional two years. After 10 years of working as a covert undercover officer. I decided to change direction and become and retired a North Carolina State Trooper. The following poems and short stories were inspired by true events or friends who have touched my life in some matter and have forever changed my life. It is said that friendship is clairvoyant. With a true friend words are never needed. What you enjoy doing together will come natural and such a friendship shall stand throughout the ages. I hope you find such a friendship in your life and then you savor each day and share it with that someone special in

your life as you go. Whether we realize it or not, everyone we know is very special to us. When we look back on our younger years, we will remember The people who went to school with us, the people who made us laugh, the people who hung out with us when nobody else would, and the people who made our lives much better simply by being a part of it. That's the wonderful thing about friendship--you always feel loved and cared about. The most important thing to remember is to always appreciate the friends that you have.... Seek out and find the time in each day to see the Beauty and Love in the world around you....

to eat crow is while it's still warm. The colder it gets, the harder it is to swallow." A modern classic, it's full of good laughs—and good old-fashioned wisdom.
