Being Has Already Become It Emotions Indicate the Degree of Your Alignment Living the Law of Allowing “These Teachings of Abraham are simply about you continuing to create the joyous, fulfilling life that you have intended to create, while allowing all others to create as they intend. And while there is nothing that we can desire that our abundant, unlimited Universe doesn’t have the capacity to give, we cannot receive that which we do not allow. This book is meant to stand on its own as another comprehensive volume of the Teachings of Abraham There is nothing that pleases Esther or me more than providing a forum where people from diverse environments can gather, lending their unique perspectives, asking Abraham their important questions. To actually feel the evolution and expansion of this message must surely be what Esther and I have been born to do. And the reason we know that is because it feels so very, very good to do it.” – From my heart, Jerry Hicks “Your work isn’t to convince someone to give you something you want; your work is to just find relief from wherever you are. When you get good at finding relief, you’ll begin to flow with your Stream, and these things that have been downstream waiting for you to queue up with them will begin to connect with you with such extraordinary persistence that people who are watching you will wonder what in the world has happened with you. There is great love here for you. And, for now, as always, we remain eternally and happily incomplete.” – Abraham Included is a link to download an audio excerpt from a live Art of Allowing Workshop with Abraham!

*Sara Esther Hicks, Jerry Hicks, 2007-10-01* From that opening exclamation, this second Sara novel rampages through chapter after chapter of fun and adventure. Solomon (the owl from the first book who speaks without moving his lips) reappears and gives Sara and her classmate Seth a fresh and enlightening perspective on life on this planet. Simply put, these two adventurous, tree-climbing friends dialogue with their ethereal feathered mentor regarding their varied (and sometimes confusing) experiences with parents, teachers, other students, neighbors, and property owners. The clarity, understanding, and wisdom that Solomon gives them results in some surprisingly practical views on the rules of the game of life. This is a must-read book for young people of all ages!

*The Vortex Esther Hicks, Jerry Hicks, Abraham (Spirit), 2009* This Leading Edge work by Esther and Jerry Hicks, who present The Teachings of Abraham, helps readers understand every relationship they are currently involved in as well as every relationship they have ever experienced. *Sara Esther Hicks, Jerry Hicks, 2008-04-01* Do you believe in ghosts? Annette just sort of blurted out. Sara and Seth both looked up with surprise. Well, Sara stalled, I guess I do. She remembered the night Solomon had visited her in her bedroom after Jason and Jimmy had shot him, but she hadn't really thought about him being a ghost that night; she'd just been so glad to see her beloved feathered friend. Sara and Seth looked at each other. Both of them knew that if anything would fall into the category of ghosts, Solomon would most likely be it, but they didn't say anything, uncertain about telling their new friend their special secret. Well, do you believe in ghosts? Seth asked, looking intently at Annette's serious face. Annette looked at Seth and then at Sara, who both sat quietly, each waiting to hear the answer. No, I just wondered if you did, Annette answered abruptly. Hey, let's swing. And without taking the time to execute a perfectly calculated leap from the platform as she usually did, Annette grabbed the swinging rope and jumped off as if she couldn't do so fast enough. . . .Get ready for an exciting new adventure in joy with Sara, Seth, Solomon, and their new friend!

*Herding Donkeys* Ari Berman, 2010-09-28 After the 2004 election, the Republican Party held the White House, both houses of Congress, twenty-eight governorships, and a majority of state legislatures. One-party rule, it seemed, was here to stay. *Herding Donkeys* tells the improbable tale of the grassroots resurgence that transformed the Democratic Party from a lonely minority to a sizable majority. It chronicles the inside story of Howard Dean's visionary yet deeply controversial fifty-state strategy, charting his unpredictable journey from insurgent presidential candidate, to front-running flameout, to chairman and conscience of the Democratic Party in an unexpected third act. Ari Berman reveals how the Obama campaign built upon Dean's strategy when others ridiculed it, expanding the ranks of the party and ultimately laying the groundwork for Obama's historic electoral victory—but also sowing the seeds of dissent that would lead to legislative stalemate and intraparty strife. Revelatory and entertaining, in the vein of Timothy Crouse's *The Boys on the Bus* and Rick Perlstein's *Nixonland*, *Herding Donkeys* combines fresh reportage with a rich and colorful cast of characters. It captures the untold stories of the people and places that reshaped the electoral map, painting a vivid portrait of a shifting country while dissecting the possibility and peril of a new era in American politics.
