**Ask Me Anything** Molly E. Lee,2019-05-07 Ask Me Anything isn't just any YA romance. This is a badass YA romance... -Hypabale.com I should've kept my mouth shut. But Wilmont Academy's been living in the Dark Ages when it comes to sex ed, and someone had to take matters into her own hands. Well, I'm a kickass coder, so I created a totally anonymous, totally untraceable blog where teens can come to get real, honest, nothing-is-off-limits sex advice. And holy hell, the site went viral overnight. Who knew this school was so hard up. Now the school administration is on a war path to shut me down, and they have Dean—my coding crush—hot on my trail. If he discovers my secret, I could lose his trust forever. And thousands of teens who need real advice won't have anyone to turn to. Ask me anything...except how to make things right.

**Ask Me Anything** Dorling Kindersley Publishing Staff, Kindersley Dorling, 2011-09 Every fact you ever wanted to know Do you love trivia? Do you have a burning question? Then ask me one. Go on, Ask Me Anything. Because I'm stuffed with trivia, facts, fun, and incredible info on just about everything you can think of. What's the most dangerous spider? How much would you weigh if you lived on Venus? Where can you post letters underwater? I'll also tell you how to split an atom, assemble an orchestra, and find out what happens when astronauts fart in their spacesuits. You see, you really can ask me anything.

**Ask Me Anything The Paper Birds**,2020-02-05 The Paper Birds invited young people to ask them anything and now they're trying to come up with the answers. Inspired by the magazine problem pages they read growing up in the 90s and 00s, in Ask Me Anything, The Paper Birds become the agony aunts. Using the real letters sent to the company, this verbatim show explores what young people think, want and worry about today. Set in teenage bedrooms, this is a play about what different generations can learn from each other whilst celebrating teenagers, grandparents and everyone in between, who, like us, are still figuring it all out.

especially the big spiritual ones. They don't want their kids to worry, so they give answers that all say one thing: 'Don't worry. It's all okay.' And yet the big questions still keep coming up. At every age we all need to know what life is really all about. Not just on the surface, but deep down. Teenagers are no exception. They deserve a spiritual life all their own. One that offers the kind of comfort we hope to give our children, but is different at the same time. More full of ideas. More mature. More fitting for the whole wide future that lies ahead. That's what I've tried to do in this book, as fully and as honestly as possible. -- Deepak Chopra
