The Last Lecture Randy Pausch, 2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. —Randy Pausch A lot of professors give talks titled The Last Lecture. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—Really Achieving Your Childhood Dreams—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

When It Clicks Harris O'Malley, 2015-07-14 Do you feel as though you've been sending message after message and getting only silence in return? Do you you swipe right, but it seems like everyone else is swiping left? Or perhaps women seem interested, only to

disappear without warning, while others seem to just want to be pen-pals instead of going on dates? Then it's time to fix all of that. Dating coach and relationship expert Harris O'Malley (AKA Dr. NerdLove) is here to teach you what it takes to succeed at online dating. There're no head games, no magic bullets or gimmicks that don't work and only annoy women. There's no snake-oil here, just a proven system for learning how to put your best, most attractive and authentic self forward and getting the results you want. When It Clicks will teach you what really works for getting the right kind of attention and walk you the process step by step, from picking your user name to how to turn those messages into a first - and second, and third - date. You will learn: o How to write a dating profile that will make women stop and check you out o What makes perfect dating profile photo and how to show yourself off to your best effect o Why women don't write back to 99.999% of the men who write them... and why they'll respond to you o How to avoid the mistakes that men make in their dating profiles that make women hit the block button and swipe left o How to take the conversation from online to in person. And so much more... No matter whether you're looking for a hook-up on Tinder or looking for the woman of your dreams on Match and OKCupid, When It Clicks is going to take the frustration out of dating and help you find the match you've been looking for.

Ask a Manager Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because

they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

Should I Stay or Should I Go? Ramani Durvasula, Ph.D.,2015-11-24 Narcissism is a modern epidemic, and it's spreading rapidly. But how do you know if you are in a relationship with one—and, what can you do about it? We live in a world of romance and rescue, where many believe love will conquer all, and that the more we endure unacceptable behavior, the more likely that we can “fix” our relationships. It doesn't always work that way—despite what the fairy tales tell us. There are a few hard facts about pathological narcissism that most people don't know and most psychologists will never tell you. Should I Stay or Should I Go? uses checklists, clinical wisdom, and real stories from real people to prepare you for the real terrain of pathological narcissism. It raises the red flags to watch for and provides a realistic roadmap for difficult situations to help you reclaim yourself, find healing, and live an authentic and empowered life. Whether you stay. Or go.

- In this digital age, the

convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms

to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Ask Me Out Dating Doctor 10 free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every

reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their

work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Ask Me Out Dating Doctor 10 free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu

offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Ask Me Out Dating Doctor 10 free PDF files is convenient, it's important to note that copyright laws must be respected. Always

ensure that the PDF files you download are legally available for free.
