### Shirdi Sai Baba's Answers to Your Questions Vijay

Vg,2021-05-15 We need a teacher to calm and guide our minds during those times. Sri Sai Baba, the Sath Guru is always waiting to calm and guide his devotees. Stand in front of Baba's portrait, close your eyes and confess your grievances to Baba. Then think of a number by 1-1008 and have complete faith in Baba and read Baba's grace response given in that number. You will get the correct answer to your question through Baba.

*Shri Sai Satcharita* Govind Raghunath Dabholkar,1999

*Shirdi Sai Baba* Santosh Chowdhury,2023-03-07 Many devotees regularly ask questions to Shirdi Sai Baba ranging from their problems to sharing joy or asking for some solution. Over many months the author through his research and in his own meditation found out that there are a lot many questions we have in mind but we have never asked him. Like I will cite an example here- Do affirmations charge Shirdi Sai Baba's name while we chant his name? Answer: Affirmations can help charge the name of Shirdi Sai Baba, but the effectiveness of affirmations ultimately depends on the belief and dedication of the person reciting the name or even mantra. If someone truly believes in the power of

affirmations and trusts in the spiritual energy of Shirdi Sai Baba, then affirmations can be a powerful way to connect with and invoke the divine presence of Baba. However, if someone is simply reciting affirmations as a superficial or mechanical practice without the underlying faith and devotion, they may not experience the full potential of this practice. Ultimately, the key to charging Shirdi Sai Baba's name lies in the sincerity and depth of one's spiritual practice.

#### How to Teach Ascension Classes Joshua David

Stone, 1998-10-01 This book serves as an ideal foundation for teaching ascension classes and doing workshops. The inner-plane ascended masters have guided Dr. Stone to put together this book, using his Easy-to-Read Encyclopedia of the Spiritual Path as its foundation. Here you will find an entire one- to two-year program of classes for teaching from one to hundreds of student initiates. Teaching or setting up a class in your home to facilitate ascension realization is one of the most important services one could offer one's friends, students and even family. With this book it is easy. Details on how to start and end every class are given, as well as outlines for 132 classes. Also included are suggestions on how to observe the major holy days that the inner-plane ascended masters

would like us to celebrate on Earth. Using his teaching experience, Dr. Stone has also outlined all the logistical and third-dimensional considerations that will come up. The only tools a class leader needs would be his books and meditation tapes.

**Inner Dialogue with Sai Baba** Geesje Lunshof, Even Though The Writer Addresses Sai Baba, This Book Is Intended For Anyone In Search Of God. She Poses Questions And Answers We All Ask When We Set Out On The Spiritual Path. Actually She Addresses The Atma - Another Name For The Higher Self - That Resides In All Of Us. This Higher Self Can Manifest Itself On Earth In Human Form And As Such Has Been Given Different Names In The Various Cultures And Religions, Names As Rama, Krishna, Jesus, And Buddha And So On. However, We Always Deal With The Same Principle, Namely God Who Can Manifest In Different Forms But Who Ultimately Transcends Any Form And Is Worshipped As The Formless Principle Residing In All Of Us And Animating Everything From Within. If You Replace The Name Of Sai Baba For One That Represents Your Chosen Deity, You May Benefit Greatly By These Lessons Which Teach Us How, By Living Righteously And In Accordance With God S Will, We Can Be Happy In The Present, Critical Age. For Many Years Geesje

Lunshof (Poet, Teacher, Writer) Wandered Through The World On A Spiritual Quest. Finally, In The Late Seventies, She Returned To Her Native Country, The Netherlands, Where Se Settled Down As An English Teacher. In 1980 She Heard Of Sai Baba For The First Time. Soon It Became Clear To Her The He Represented The End Of Her Search. In 1991, After Her Second Trip To Sai Baba In India, Sai Baba Started Answering Her Many Questions In An Inner Dialogue. This Took Place Through The Process Of Written Questions And Answers. As Many Of These Questions And Certainly All The Answers Are Of General Interest, It Gradually Became Clear To Her That She Must Not Keep The Dialogue To Herself, But Should Share It With Others.
