Walking Home Sonia Choquette, 2022-06-21 Life was falling apart. Within the space of three years, Sonia Choquette had suffered the unexpected death of two close family members, seen her marriage implode, and been let down by trusted colleagues. And sympathy was not forthcoming. You're a world-renowned spiritual teacher and intuitive guide, people jeered. How could you not have seen this coming? Having intuitive abilities didn't make her superhuman, however. Nor did it exempt her from being wounded or suffering the pain of loss and the consequences of our all-too-human traits such as anger, resentment, and pride—traits that can lead even the best of us to stray from our spiritual path. In order to regain her spiritual footing, Sonia turned to the age-old practice of pilgrimage and set out to walk the legendary Camino de Santiago, an 820-kilometer trek over the Pyrenees and across northern Spain. Day after day she pushed through hunger, exhaustion, and pain to reach her destination. Eventually, mortification of the flesh gave way to spiritual renewal, and she rediscovered the gifts of humility and forgiveness that she needed to repair her world. In this riveting book, Sonia shares the intimate details of her grueling experience, as well as the unexpected moments of grace, humor, beauty, and companionship that supported her through her darkest hours. While her journey is unique, the lessons she learned—about honoring your relationships with others as well as with your own higher self, and forgiving all else—are universal.

The Power of Your Spirit Sonia Choquette, 2012-05-02 Losing our connection with Spirit may be the biggest problem we suffer from today. We want to face our challenges and disappointment with grace; be creative and inspired; feel excited by a purpose and live fearlessly through an intuitive, guiding wisdom. We want to love and feel loved and realise genuine peace ...but as much as we desire a significant spiritual breakthrough and long to know our Divine selves, we're still not making the commitment that will ensure our success. We want the gifts, but we're not engaging in the practical

work necessary to obtain them, so we remain stuck and more frustrated than ever. We know a lot about the power of Spirit, yet we aren't actually experiencing it. And we cannot do so through intellectual pursuits alone. In fact, we can only experience it through a deep, intentional daily practice of connecting with Spirit. When you truly make this connection, you'll realise that it's the most authentic, lasting power you have in your life. In this enlightening book, spiritual teacher Sonia Choquette will show you that even though you can't control the outside world, with the power of your Spirit, you can create a sense of purpose within that brings about profound contentment and personal peace - no matter what is going on around you.

Traveling at the Speed of Love Sonia Choquette, 2011-03-01 New York Times–bestselling author: A paradigm-shifting guide to moving through fear and embracing what matters most in life—love When we travel at the speed of love, we choose to live in a frequency of unconditional love. Today, most of us travel at the frequency of fear and live with a victim consciousness. When we're traveling at the fear frequency, no matter how fast we go, we can never get to our destination. The victim consciousness is based on the premise: I have no choice. Traveling at the speed of love means taking our power back. We're actually in a different universe when we travel at the speed of love. Our world is not a menacing, threatening race geared to cheat death. It becomes, at any moment, so satisfying that if this were our last moment on Earth, that would be okay. This is not to say that change is easy. To travel at the speed of love might require a complete paradigm shift in the way you look at your everyday existence. In this fascinating book, Sonia Choquette provides a practical, in-the-trenches guide that will reveal how you can reprogram your brain and change your life for the better. Ask yourself this question: What frequency are you traveling on right now?

The Answer Is Simple Sonia Choquette, 2009-09-01 Having observed thousands and thousands of people from virtually every walk of life, with every advantage or disadvantage, Sonia Choquette can confidently say that the only ones who genuinely succeed, who find peace and joy in their hearts and take great pleasure in their experiences, have a different way of going about things. Rather than relying solely on their egos—their defended, insecure personalities—suffering the assaults life renders them, they turn to a higher aspect of their nature, the Spirit within, and let this direct their lives. The ten simple yet necessary steps outlined in this book will allow you to make that connection to your authentic Spirit and experience your truth. As Sonia says, These aren't just metaphysical theories, but are tried-and-true, grounded practices that will lead you directly back to you: the best, holiest, most delightful and delighted you, free of fear and filled with light. The most exciting part is that learning to

love yourself and live your Spirit is actually quite simple when you realize the truth revealed herein: that you are not the ego, but rather are Divine, Holy Spirit. Once you do, everything will come alive in light and joy. Love yourself and live your Spirit, and your life flows peacefully. It really is that simple
