Currency Trading in the Forex and Futures Markets Carley Garner, 2012 Currency trading offers immense potential to stock and futures investors seeking new speculative opportunities. However, there are several ways to trade in currencies, and many unsuspecting traders have been burned by aggressive marketing campaigns and gimmicks luring them into unfavorable trading environments. In this book, best-selling trading author Carley Garner covers everything new currency traders need to know to avoid those pitfalls and start earning big profits. *Currency Trading in the Forex and Futures Markets* begins by demystifying all the essentials, from quotes and calculations to the unique language of Forex trading. Readers learn all they need to know about choosing trading platforms and brokerage firms; working with leverage; controlling transaction costs; managing liquidity, margins, and risks; and much more. Garner thoroughly explains the currency spot market (Forex); currency futures traded on the Chicago Mercantile Exchange (CME); and currency ETFs. She candidly discusses the advantages and disadvantages of each, cutting through the smoke and mirrors often associated with currency trading. Readers will also find a full section on currency market speculation, including a clear introduction to fundamental and seasonal analysis in currency markets. With her guidance, new currency traders can identify the markets and approaches that best fit their objectives, and avoid the pitfalls that have often victimized their predecessors.

Trading Bible Branden Lee, 2018-05-12 This book includes 5 manuscripts: Day Trading Strategies, Forex for Beginners', Forex Advanced, Options for Beginners', and Options Trading for Advanced Traders. The complete guide to get started or improve trading performance. There are a lot of great investment options that you can choose. Some people like to work in real estate, some like to put the money into their retirement plan, and still, others are fans of starting their own business. Most of these will take some time and effort to get done though. If you would like to pick out an investment that can make you some money today, it is time to consider day trading. Forex Trading: A Beginner's Guide is for those of you who are just starting to consider trading forex but don't know where to start, given the abundance of information on the Internet. It is a good first book to read to gain an understanding of the very basics. When it comes to the daily trading amount for the various investment markets, the foreign exchange market, more commonly known as the forex market, blows everything else out of the water. Every day it averages roughly four trillion dollars which dwarfs what the New York Stock Exchange is able to put out by more than 1,000 percent. While it was off limits to private traders for decades, these days, there are a wide variety of different online forex trading platforms which means that the opportunity to profit from this massive market is open to anyone who is willing to put the time in to do it properly. If you are interested in learning more, then Forex: Proven Forex Trading Money Making Strategy - Just 30 Minutes a Day is the book you have been waiting for. Investing in the stock market can be a challenge. There are many different ways that you can invest in the market, but sometimes guessing the way that the market will go and the best way to make a profit is not the easiest. If you have been looking for a way to get into the stock market and make a good amount of money with limited risk, then it is time to take a look at options trading. Current studies estimate that the amount required to retire successfully is north of \$500,000 and growing each year. This is particularly disturbing as more than 60 percent of Americans are currently saving less than they should to meet their retirement goals. If you are looking for a way to prepare for your future, then Trading Options: Advanced Trading Strategies and Techniques is the book you have been waiting for. It doesn't matter if you are a seasoned stock market pro looking for a change of investment scenery or an investing novice who is anxious to get out there and start generating a return on your investment, with the detailed strategies provided inside, coupled with the insight it brings to the way the market works, you will likely see an improvement on your overall trade success rate sooner than you might expect. So, what are you waiting for? Take control of your financial future and buy this book today!

FX Insider Bradley Gilbert, 2012-08-31 There are plenty of books out there proclaiming to “tell all” or to “reveal the secrets” to foreign exchange (or forex) trading. There are plenty of “gurus” offering advice and suggestions on how to trade the market successfully. But how many of these people have any real industry experience in trading foreign exchange? Not many, I can tell you that right now. I’m Bradley Gilbert, and I worked on the front line for eighteen years at some of the biggest investment banks in the world—and I made over \$70 million in that time. Do I have your attention yet? So, if you really want to make money trading FX, follow me! This book has been written to give you, the retail trader, a real and practical guide to trading the forex markets. Based on my own personal experiences, incorporating the same skills and strategies used by commercial interbank traders and hedge funds, I can help you up your game in the markets. Believe me, running with the “big dogs” is a lot more fun and a lot more rewarding than running against them—and understanding this is a key part to your future success. Once you have completed the book, you’ll feel more like you’re a part of the market instead of a random speculator. Seeing the market through a new set of eyes will help you to take advantage of the many opportunities the market presents day after day, week after week. Good luck and happy trading!
