Fodor's Travel Guides

1,000 Places to See Before You Die Patricia Schultz, 2015-07-01 The world's bestselling travel book is back in a more informative, more experiential, more budget-friendly full-color edition. A #1 New York Times bestseller, 1,000 Places reinvented the idea of travel book as both wish list and practical guide. As Newsweek wrote, it "tells you what's beautiful, what's fun, and what's just unforgettable— everywhere on earth." And now the best is better. There are 600 full-color photographs. Over 200 entirely new entries, including visits to 28 countries like Lebanon, Croatia, Estonia, and Nicaragua, that were not in the original edition. There is an emphasis on experiences: an entry covers not just Positano or Ravello, but the full 30-mile stretch along the Amalfi Coast. Every entry from the original edition has been readdressed, rewritten, and made fuller, with more suggestions for places to stay, restaurants to visit, festivals to check out. And throughout, the book is more budget-conscious, starred restaurants and historic hotels such as the Ritz, but also moderately priced gems that don't compromise on atmosphere or charm. The world is calling. Time to answer.

Kingston, Negril and Jamaica's South Coast John Bigley, 2009-08-10 Following is an excerpt from this guide that specializes in some of the most popular areas of Jamaica. Also included in the guide is complete detail on where to stay, where to eat, what to see and what to do to make your trip unforgettable. We landed at Kingston's Norman Manley International Airport long after dark. The city was celebrating Friday night in its traditional manner; the Friday Night Jam filled the streets with people glad the work week was over. We were in Kingston. But not for long. Our ride was taking us out of the city and up the Blue Mountains to Strawberry Hill. For the next hour, we wound our way through the city streets that we'd return to in later days, finally making our way out of the humidity and crowds and into the hills. The air grew cooler as we climbed, moving slowly back and forth on the switchback road. Finally, we were there. A pale glow lit the main building and restaurant, around the property we could see the small cottages outlined in dim light. But the real sight was from the restaurant itself. From here, we could see the lights of Kingston in the distance, far below us. The city was still partying down there, but here all was quiet as most visitors went to bed early, ready to rise the next morning to a foggy sunrise and a forest draped in quiet mist. We'd be bird watching the next day. It was time for our Friday Night Jam to end, not to reggae or dancehall music, but to the sound of night frogs and insects in the nearby forest. The capital city of Kingston lies on the south shore. This metropolitan area of over 800,000 residents is visited primarily by business travelers. Within this sprawling metropolis, however, beats the true heart of Jamaica. Travelers interested in the culture and history that define this island nation should make time for a visit to Kingston, the largest English-speaking city. Kingston is big, brash and boisterous. Life spills out from storefronts and homes onto the streets, filling the sidewalks and every inch of available space. Goats roam the downtown area, sidewalk vendors peddle all type of merchandise from carts and tables, pedestrians are

everywhere. Kingston dates back to 1692. The city is built along the harbor, stretching from the Blue Mountains in the east to the boundaries of Spanish Town in the west. Kingston is not for everyone. It does not offer a relaxing, fun-in-the-sun vacation. Head to the North Coast resort communities for that type of getaway. Instead, if you've had a few dates with Jamaica and you're ready to visit her parents, then it's time to head to Kingston. Things aren't always pretty here, but it's a necessary part of the experience. No sheet, no eat is the motto of the weekly toga party at this resort known for its adults-only atmosphere. Hedonism II attracts fun-loving couples and singles over age 18 who come to this westernmost point of Jamaica for a vacation of sun, sand and something more. Guests leave their inhibitions behind, seeking pleasure in the form of festivities like Toga Night, buffets to tempt the most devoted calorie counters, bars open until 5 am, and nonstop adult fun. The real wildness in Negril lies just outside the city limits. Here, in an area known as the Great Morass, you can see a side of the country that most visitors never glimpse. Crocodiles, not vacationers, lie in the steamy afternoon sunshine. Peddlers sell, not marijuana, but shrimp caught using techniques over 400 years old. And spectacular birds, not parasailers, fill the air with dashes of color and a cacophony of exotic sounds. Today, Negril has gained respectability and is home to all types of resorts that attract everyone from swingers to families. Law mandates that no building here can be taller than a palm tree so low-rises follow the coast from Bloody Bay (named for the days when the whalers cleaned their catch here) to the cliffs at its southern end, where the Negril Lighthouse still signals the rocks to ships.

Croatia: Istria Rudolf Abraham, Thammy Evans, 2023-06-26 Written by two Croatia experts, this new, thoroughly updated third edition of Bradt's Croatia: Istria, with Rijeka and the Slovenian Adriatic remains the only full-length guide to this well-heeled, varied part of former Yugoslavia to include detailed background and practical information. Catering for all types of travellers (from outdoors enthusiasts to culture vultures, foodies to oenophiles) and budgets, the guide offers revised listings for accommodation, restaurants, and what to see and do. Istria crams remarkable diversity in a conveniently compact region: it takes under an hour to drive almost anywhere on the peninsula. The region boasts some of Croatia's most famous sites, including Pula's spectacular Roman amphitheatre, Porec's UNESCO-listed Byzantine mosaics (every bit as good as Italy's Ravenna and Istanbul's Aya Sofya), picturesque medieval hill towns (such as Motovun and Draguc) and frescoes, and the Brijuni Islands National Park. In 2020, the transport hub and carnival city of Rijeka in the Kvarner region became Croatia's first ever European Capital of Culture. Istria is renowned for its cuisine, particularly pasta, game, seafood and truffles (until recently Istria held the world record for the world's largest truffle), and also produces fine wine and world-class olive oil. There is plenty of pampering on offer, too, with luxury and boutique hotels, excellent restaurants and inexpensive spa treatments. Istria makes a great base to explore nearby Capodistria on Slovenia's coast, and karst limestone areas with beautiful and uncrowded coastal towns, castles, Lipizzaner horses and the UNESCO-listed Škocjan cave. New or expanded coverage in this edition include advice and information on the Vivapa Valley, Slovenian wines, recently opened hotels, travelling to Istria by rail, and vegetarian or vegan restaurants. With extensive sections on trekking, cycling (including the Parenzana long-distance cycling route) and diving, plus information on windsurfing, paragliding, wreck diving (including sites such as the Coriolanus and the Baron Gautsch) and sailing, and detail on wildlife (30 species of orchid grow on Cape Kemenjak alone), numerous festivals (including celebrations of film, fish, truffles and prosciutto), music, travelling with children and ancient history, this Bradt guide provides everything you need to plan and enjoy a visit.

1,000 Places to See Before You Die, the second edition Patricia Schultz, 2011-11-15 The world's bestselling travel book is back in a more informative, more experiential, more budget-friendly full-color edition. Welcome to Bravo T.W. Nicholson, 2023-08-08 A titanic psychological nail-biter, Welcome to Bravo dresses up the digital and analog worlds as protagonists vying for souls of the departed. This parochial-dystopian epic is driven by rich characters who propel a powerful narrative creating an inescapable addiction to the next page. As a contemporary science fiction thriller, the story is for anyone who ever wondered if the screens captivating our eyes and ensnaring our minds bear a false light, whose foundation of black glass is actually a dark portal conditioning the mind to embrace eternal alone-ness. Charon Mausolus founded and runs Everlasting Enterprises with the promise of Humans Eternally Living Life as an uploaded consciousness interred in hyper-scaled datacenter mausoleums. His technological genius is heralded by government sycophants and capitalistic cannibals looking to enrich themselves feeding off their fellow man. But these crypts of the digital age siphon souls to a sinister purpose, and reveal how the dialectic of Heaven and Hell has been disrupted by a Faustian bargain.
