Visions and Decisions American Association of State Colleges and Universities. Meeting,1982 The theme of the 21st annual meeting of the American Association of State Colleges and Universities (AASCU) was consideration of the missions of member institutions and the leadership required to execute them. Through institutional visions, the creative process of education takes place, and the hard decisions of higher education leaders help ensure that the visions are fulfilled. Papers include: Visions and Revisions (keynote, Leon Stein); The Administration Program for Higher Education (Terrell Bell); Visions...Decisions...and Real Leadership (Reatha Clark King); Partners Still! (spouses' session, Marguerite Walker Corbally); The Decision to Lead (Mary Jean Pew); An Overview of Brazil's Development and of U.S./Brazilian Relations (Antonio F. Azeredo da Silveira);Federal Relations in a Changed Environment (E. K. Fretwell, Jr.); Presentation Address for the G. Theodore Mitau Award

(Glenn S. Dumke); reports of the AASCU president and treasurer; report on the Council on Postsecondary Accreditation; and report on the Office for the Advancement of Public Negro Colleges. Also included are the associations' resolutions and officers' election notes, and a tribute to, presentation to, and acceptance remarks by Merze Tate, recipient of the Distinguished Alumnus Award.
