InSideOut Coaching Joe Ehrmann,Gregory Jordan,2011-08-02 In this inspirational yet practical book, the man Parade called “the most important coach in America,” subject of the national bestseller Season of Life, Joe Ehrmann, describes his coaching philosophy and explains how sports can transform lives at every level of play, from the earliest years to professional sports. Coaches have a tremendous platform, says Joe Ehrmann, a former Syracuse University All-American and NFL star. Perhaps second only to parents, coaches can impact young people as no one else can. But most coaches fail to do the teaching, mentoring, even life-saving intervention that their platform provides. Too many are transactional coaches; they focus solely on winning and meeting their personal needs. Some coaches, however, use their platform. They teach the Xs and Os, but also teach the Ys of life. They help young people grow into responsible adults; they leave a lasting legacy. These are the transformational coaches. These coaches change lives, and they also change society by helping to develop healthy men and women. InSideOut Coaching explains how to become a transformational coach. Coaches first have to “go inside” and articulate their reasons for coaching. Only those who have taken the InSideOut journey can become transformational. Joe Ehrmann provides examples of coaches in his life who took this journey and taught him how to find something bigger than himself in sports.He describes his own InSideOut experience, starting with the death of his beloved brother, which helped him understand how sports could transcend the playing field. He gives coaches the information and the tools they need to become transformational. Joe Ehrmann has taken his message about the extraordinary power of sports all over the country. It has been warmly endorsed by NFL head coaches, athletic directors at major universities, high school head coaches, even business groups and community organizations. Now any parent-coach or school or community coach can read Ehrmann’s message and learn how to make sports a life-changing experience.

Drawing from his experiences, Knight provides a rare glimpse into the winning strategies and philosophies that kept top players lining up to play under his guidance. From winning an unprecedented 700 plus games and becoming National Coach of the Year four times to meeting unparalleled success on the national and international stage, Knight's contributions to college basketball are truly unmatched. Bo Ryan Bo Ryan,Mike Lucas,2008 Bo knows hoops. As a member of the exclusive 500-win club, University of Wisconsin head coach Bo Ryan has the second highest winning percentage among active coaches (with at least 500 victories) in college basketball, second only to North Carolina's Roy Williams. Ryan's formula for success can be traced back to UW-Platteville, where he won four national championships during a memorable 15-year run punctuated by two undefeated seasons. But there was still another hill to climb for Ryan, the all-time winningest coach in Division III history. It didn't take long for Ryan to make his mark with the University of Wisconsin basketball program. In his first season, he guided the Badgers to their first share of the conference title in 55 years. Ryan has raised the bar to unprecedented heights, leading the Badgers to the four winningest seasons in school history. Ryan's first six teams averaged 23.7 wins per season, capped by the program's first ever No. 1 national ranking in '06-'07.

Shaq Uncut Shaquille O'Neal,2011-11-15 Superman. Diesel. The Big Aristotle. Shaq Fu. The Big Daddy. The Big Shaqtus. Wilt Chamberneezy. The Real Deal. The Big Shamrock. Shaq. You know him by any number of names, and chances are you know all about his legendary basketball career: Shaquille Shaq O'Neal is a four-time NBA champion and a three-time NBA Finals MVP. After being an All-American at Louisiana State University, he was the overall number one draft pick in the NBA in 1992. In his 19-year career, Shaq racked up 28,596 career points (including 5,935 free throws!), 13,099 rebounds, 3,026 assists, 2,732 blocks, and 15 All-Star appearances. These are statistics that are almost as massive as the man himself. His presence-both physically and psychologically-made him a dominant force in the game for two decades. But if you follow the game, you also know that there's a lot more to Shaquille O'Neal than just basketball. Shaq is famous for his playful, and at times, provocative personality. He is, literally, outsize in both scale and persona. Whether rapping on any of his five albums, challenging celebrities on his hit television show Shaq Vs., studying for his PhD or serving as a reserve police officer, there's no question that Shaq has led a unique and multi-dimensional life. And in this rollicking new autobiography, Shaq discusses his remarkable journey, including his candid thoughts on teammates and coaches like Kobe Bryant, Dwyane Wade, LeBron James, Phil Jackson, and Pat Riley. From growing up in difficult circumstances and getting cut from his high school basketball team to his larger-than-life basketball career, Shaq lays it all out in SHAQ UNCUT: MY STORY.

Spiritual Formation as if the Church Mattered James C. Wilhoit,2022-03-29 Most books on spiritual formation focus on the individual. But spiritual formation is at the heart of the church's whole purpose for existence. It must be a central task for the church to carry out Christ's mission in the world. This book offers an introduction to spiritual formation set squarely in the local church. The first edition has been well received and widely used as a textbook. The second edition has been updated throughout, incorporates findings from positive psychology, and reflects an Augustinian formation perspective. Foreword by Dallas Willard.
