David Barrett

**The Story of the Augusta National Golf Club** Clifford Roberts, 1976

**Golf in Georgia** Tom McCollister, 1993 Describes yardages, course ratings, greens fees, telephone numbers and rules for over 300 greens throughout Georgia.

**The Augusta National Golf Club** Stan Byrdy, 2005 Doctor of medicine and World War II camouflage expert, Alister MacKenzie later came to design golf courses, which he transformed into an art form. Drawing upon his military background, MacKenzie incorporated design features seamlessly with the natural lay of the land. In 1931, MacKenzie teamed with golf legend Bobby Jones to design the game's ultimate test, the Augusta National Golf Club. Working together, they created a design so ingenious that it continues to be one of the world's most intriguing and challenging courses more than 75 years later. MacKenzie and Jones's design concepts are coupled with rare photos and early illustrations of the Augusta National Golf Club to give the reader a unique look at MacKenzie's masterpiece and the most memorable moments on its holes from the Masters competitions.

**East Lake Golf Club** Sidney Matthew and Janice McDonald, 2015 East Lake Golf Club was heralded as one of the finest in the United States when its first holes were completed in 1907. Bobby Jones called East Lake his home course, as did Alexa Stirling, Watts Gunn, and Charlie Yates. It flourished in the early 1900s as the Atlanta Athletic Club's country club. However, as Atlanta's population shifted to the northern suburbs, East Lake suffered, and in the mid-1960s the AAC sold the property and moved to Johns Creek. In the 1990s, developer Tom Cousins stepped in to restore East Lake. Today, the historical East Lake Golf Club is again considered among the finest courses in the United States and is host to tournament play. The motto adopted at its rebirth rings true: Golf with a Purpose.

**Augusta** Steve Eubanks, 1997-04 The author explores the history of the Augusta National Golf Club and its connection with the rich and famous. Behind the wondrous scenes and memorable tournament play, however, resides a secretive and clannish club with a gentlemen-only membership of three hundred.--Jacket

**The Augusta National Golf Club** Stan Byrdy, 2017-02-17 This book reveals the true genius of the Augusta National Golf Club like no other-documenting its original design, chronicling the architectural and design changes over time, and analyzing the philosophies of its creators, Alister MacKenzie and Bobby Jones. The Augusta National Golf Club will help you understand why the course has a reputation of legendary proportion and how MacKenzie single-handedly changed forever the way courses are built.

The Making of the Masters David Owen, 2003-03-25 Played out across the rolling hills, the Masters is the first major golf tournament of the year. Owen tells the story of how this unlikely winter haven became one of the most famed locations on the sporting map. For the millions of fans who dream of April in Augusta, this is the best and most intimate look at golf's ultimate rite of spring. 32 page photo insert.

Golf Heaven John Andrisani, 2007-02-27 Since its founding by Bobby Jones in 1933, the Augusta National Golf Club has become the most fabled, mythologized, and controversial golf course in the world. It's also the most exclusive – which means that for most of us, this book is the closest we'll come to experiencing it. In *Golf Heaven*, celebrated golf writer John Andrisani presents twenty-five first-person narratives – by pro golfers, celebrities, politicians, business people, and others – about playing the course and being a guest at the club for the first time. The list of contributors includes everyone from Bill Gates to Annika Sorenstam, Clint Eastwood to Charlie Rose, Bill Murray to Rudy Giuliani. These are intimate, never-before-told stories that we never thought we'd hear – from misadventures on Magnolia Lane to first-tee jitters, from what it's like to spend the night in the legendary Crow's Nest to a tour of the club's vast

wine cellar, from high jinks in the caddie shack to the club's secret recipe for clam chowder (the best in the world, according to many).

**Golf and the American Country Club** Richard J. Moss, 2001 In this entertaining cultural history, Moss explores the circumstances that led to the establishment of the country club as an American social institution and its inextricable connection to the ancient, imported game of golf. Moss traces the evolution of country clubs from informal groups of golf-playing friends to country estates in the suburbs and eventually into public and private daily-fee courses, corporate country clubs, and gated golfing communities. The book shows how these developments reflect shifts in American values and attitudes toward health and sport, as well as changing social dynamics.

**The American Golfer**, 1914

**Men on the Bag** Ward Clayton, 2006-02 The caddies of the Augusta National Golf Club are some of the game's most colorful characters. Their stories are intertwined with one of the world's most respected private clubs, its elite membership, and golf's greatest champions. The caddies witnessed every great moment, both private and public, at Augusta National, from Gene Sarazen's ?shot heard ?round the world? to Nicklaus's winning a record six Masters. Then in 1983, things changed forever when ?Tour caddies? were allowed at the Masters for the first time. Memories of a better day live on as Ward Clayton documents a history as compelling as the game itself. *Men on the Bag* delivers a story never-before-told with passion and candor.

The 127 articles in this collection deal with: the role of minority associations & other organizations, grants & fundraising events to support minority involvement in the game of golf, minority golfers, programs for juniors & women, & problems & issues facing minorities & the golf industry. Driven by his passion for the game and a hunger for the truth, Charley dives into the most riveting, high-stakes mystery yet, another terrific golf story that will entice and delight fans and newcomers alike. Join Charley and Moonlight in their search for *The Greatest Course That Never Was*.

*Augusta National & the Masters* Frank Christian, Cal Brown, 1996 This #1 bestseller is a timeless gift from Augusta National's third generation club photographer. *Augusta National & The Masters* contains over 290 photographs covering the over seventy-year history of the club. Christian, through incredible pictures and untold stories, paints a portrait of the Augusta National Golf Club that has never before been seen -- inside the clubhouse, the greatest moments of the Masters, great stories of founder Bobby Jones and Clifford Roberts -- and rare photographs that keep you turning its pages.

A History of Golf in Georgia John Companiotte, 2016-01-04 Golf first came to Georgia in the late eighteenth century when a group of avid golfers banded together to form a club in Savannah. By the end of the nineteenth century, when the game had become popular, the state developed courses from border to border. More than four hundred courses now dot the landscape of the Peach State. Georgia native and golfing icon Bobby Jones won four of golf's most coveted titles in 1930: the British Amateur, British Open, U.S. Open and U.S. Amateur. For one hundred years, the state has produced champion golfers at

every level, hosted amateur and professional championships and provided support for the global sport. Author John Companiotte offers the compelling story of golf's rise and prosperity in Georgia.

**Considerable Passions** Catherine Lewis, 2000 The official companion to the permanent exhibition Down the fairway with Bobby Jones at the Atlanta History Center, Considerable passions reveals the life and accomplishments of golf's most beloved figure.--Cover.

The Masters Curt Sampson, 1999-03-16 The Masters golf tournament weaves a hypnotic spell. It is the toughest ticket in sports, with black-market tickets selling for \$10,000 and more. Success at Augusta National breeds legends, while failure can overshadow even the most brilliant of careers. But as Curt Sampson, author of the bestselling Hogan, reveals in The Masters, a cold heart beats behind the warm antebellum façade of this famous Augusta course. And that heart belongs to the man who killed himself on the grounds two decades ago. Club and tournament founder Clifford Roberts, a New York stockbroker, still seems to run the place from his grave. An elusive and reclusive figure, Roberts pulled the strings that made the Masters the greatest golf tournament in the world. His story—including his relationship with presidents, power brokers, and every golf champion from Bobby Jones to Arnold Palmer to Jack Nicklaus—has never been told. Until now. The Masters is an amazing slice of history, taking us inside the presidency of Dwight D. Eisenhower, Augusta's most famous member. It is a look at how the new South coexists with the old South: the relationships between blacks and whites, between Southerners and Northerners, between rich and poor—with such characters as James Brown, the Godfather of Soul; the great boxer Beau Jack; and Frank Stranahan, the playboy golfer and the only white pro ever banned from the tournament. The Masters is a spellbinding portrait of a tournament unlike any other.

*Making the Masters* David Barrett, 2012-03-21 Contested the second weekend in April each year since 1934, the Masters is the world's most prestigious golf tournament and most-watched tournament on television. Tickets are in such demand that even the waiting list is closed, and players value the title above all others. In *Making the Masters*, award-winning golf writer David Barrett focuses his attention on how the Masters was conceived, how it got off the ground in 1934, and how it fully established itself in 1935. The key figure in the tournament's creation and success was Bobby Jones, who was a living legend after winning the Grand Slam in 1930 and immediately retiring at the age of twenty-eight. He went on to found Augusta National and sought a high-profile tournament for his new course. But nearly as important was Clifford Roberts, a banker friend of Jones who not only embraced Jones's vision but became his right-hand man in working to bring that vision to reality. Barrett explores how Jones and Roberts built the Masters from scratch, creating a golf institution embellished by the often surprising details of what that entailed as they were trying to establish a golf club and golf tournament in tough economic times. It also vividly chronicles the events of the 1934 and 1935 Masters, with Gene Sarazen's spectacular victory in 1935 providing the climax. Set against the backdrop of golf, and America, in the 1930s, the book provides an informative and entertaining read for fans of the Masters and students of golf history.
