**The Perilous Life of Symphony Orchestras** Robert J. Flanagan,2012-01-24 This book analyzes the economic challenges facing symphony orchestras and contrasts the experience of orchestras in the United States (where there is little direct government support) and abroad (where governments typically provide large direct subsidies). Robert J. Flanagan explains the tension between artistic excellence and financial jeopardy that confronts most symphony orchestras. He analyzes three complementary strategies for addressing orchestras' economic challenges—raising performance revenues, slowing the growth of performance expenses, and increasing nonperformance income—and demonstrates that none of the three strategies alone is likely to provide economic security for orchestras.

**Last Year's Words, and Next Year's Voices: Essays and Speeches from a Decade as Chairman of the International Conference of Symphony and Opera Musicians** Bruce Ridge,2018-07-26 Author Bruce Ridge served as chair of the International Conference of Symphony and Opera Musicians from 2006 to 2016. In this time of economic upheaval and social change, when orchestras were besieged with lockouts and bankruptcies, many questioned the value of the symphony orchestra to society. Into this environment, Ridge brought an eloquent, positive message, embracing connection through social media, highlighting the value of musicians to their community, and promoting the healing orchestral music can provide. The essays and speeches Ridge shares recount ICSOM's expanding role as a true advocacy organization under his leadership. He addresses topics both global and personal, ranging from arts education's role in a vibrant civil society to the challenges of maintaining mental health in a stressful profession. This collection of writings serves as a remarkable journal of advocacy on behalf of one of the world's greatest cultural treasures: our symphony orchestras.

*Piano Concerto No. 24 in C Minor, K. 491* Wolfgang Amadeus Mozart, 1996-02-01 Expertly arranged Piano Duet by Wolfgang Amadeus Mozart from the Kalmus Edition series. This Advanced Piano Duet (2 Pianos, 4 Hands) is from the Classical era. 2 copies are required for performance.

*Requiem, Op. 48* Gabriel Fauré, 1999-08-26 Written between 1887 and 1890, Gabriel Faure's setting of the requiem is a departure from traditional structure. Faure said the following of his work: It has been said that my Requiem does not express the fear of death and someone has called it a lullaby of death. But it is thus that I see death: as a happy deliverance, an aspiration towards happiness above, rather than as a painful experience. This score represents the choral portion of the Requiem, each voice on a separate staff, including solos, with both Latin and English text. This book has an orchestra reduction for either piano or organ accompaniment by Malcolm Binney. Includes: \* Introit et Kyrie \* Offertoire \* Sanctus \* Pie Jesu \* Agnus Dei \* Libera Me \* In Paradisum

**Georgia Musicians and Their Compositions** Yvonne Schilling Johnson, 1946

*A Devastated Dream* D.I. Bueno, 2022-10-03 The story of this detective novel came from a dream that the author had while napping on a beach, on a hot and sunny day. From his vision, he discovered that the places and much of what he had dreamed of did indeed exist. Then, through research, he developed the story you have in your hands. The characters came to life and all the details emerged as if they were based on real events. *A Devastated Dream* tells the story of a young couple, in love since adolescence, who fulfilled their dream of getting married and having a life together. However, a devastating event interrupts their honey moon, changing the course of their lives forever. The story of the two shows how life often follows unplanned paths, which are the result of choices. From there, persistence is all that remains.

**Season with Solti** William Barry Furlong, 1974

*No Vivaldi in the Garage* Sheldon Morgenstern, 2005 In a work rich with colorful anecdotes about family, friends, and colleagues, Sheldon Morgenstern reflects on his childhood in Cleveland, Ohio, summers at the Brevard Music Festival, and years at Northwestern University. He recounts his experiences playing French horn in the Atlanta Symphony, studying conducting at the New England Conservatory, his long tenure as artistic director at the Eastern Music Festival at Guilford College in Greensboro, North Carolina, and performances as guest conductor with dozens of orchestras around the world. Morgenstern scrutinizes the reasons behind the increasing mediocrity of classical music and the precarious financial state of professional symphony orchestras, many of which have already declared bankruptcy. He sharply criticizes the NEA, the Canada Council, and other arts councils and political groups for the elimination of music education in nearly all public schools. He is also highly critical of Yo-Yo Ma, Shlomo Mintz, Daniel Barenboim, and other superstars who command extraordinary fees for sometimes second-rate performances but do little to teach young artists or to support struggling companies and festivals. He concludes by calling for strong actions that will ensure the economic survival of the arts without sacrificing excellence in performance. Filled with vivid behind-the-scenes descriptions and highlighting such well-known figures as Leonard Bernstein, Glenn Gould, Wynton Marsalis, and others, *No Vivaldi in the Garage* offers a refreshingly candid insider's perspective on the classical music scene.
