Alain Labrousse

The Soccer Book DK,2023-07-18 Whether you want to bend it like Beckham or dribble like Ronaldinho, The Soccer Book is the ultimate visual guide to soccer skills, rules, tactics, and coaching, illustrating every aspect of every variant of the sport more clearly, and in more detail, than any other book has done before.

Iván Córdoba Gustavo Vazquez,2014-09-29 Iván Ramiro Córdoba rose from humble beginnings. Born into a poor family, he grew up playing soccer in the streets of Rionegro, Colombia. After a couple years with the local Rionegro team, he moved to the first-level Atlético Nacional club of Medellín, then to the Buenos Aires--based San Lorenzo de Almagro club. Córdoba's skill at disarming opponents' attacks soon caught the attention of European clubs, and in 1999 he landed with Inter Milan. In a dozen seasons with Inter Milan, Córdoba earned a reputation as one of the world's best defenders. Along the way, he helped the club to a pair of league championships. For Colombians, however, Córdoba will always be remembered for a goal he scored on July 29, 2001. That tally gave Colombia a 1--0 victory over Mexico--and the Copa América title.

La droga, el dinero y las armas Alain Labrousse,1993-01-01 Todo lo que usted quería saber sobre las drogas (producción, tráfico y consumo) está aquí expuesto con ágil estilo periodístico por un autor muy bien informado. El mapa mundial que muestra las áreas de producción y las vías del tráfico es sumamente expresivo: de hecho, todo el tercer mundo trabaja para proveer de cocaína y heroína a Europa y Estados Unidos, y, como indica el título del libro, ello está ligado al tráfico de armas y a los intereses bancarios internacionales. México ocupa un lugar en ese mapa.

Ivan Cordoba Gustavo Vazquez-Lozano,Federico Vargas Benard,2012-09 Iván Ramiro Córdoba se elevó desde orígenes humildes. Nacido en una familia pobre, creció jugando al fútbol en las calles de Rionegro, Colombia. Después de un par de años con el equipo local de Rionegro, se trasladó al club Atlético Nacional de Medellín. Luego jugó para San Lorenzo, un club basado en Buenos Aires. Su habilidad a desarmar a los ataques de los oponentes más pronto llamó la atención de clubes europeos, y en 1999 fue al Inter de Milán. En una docena de años con el Inter de Milán, Córdoba se ganó una reputación como uno de los mejores defensores del mundo. Él ayudó al club a un par de campeonatos de la liga. Para los colombianos, sin embargo, Córdoba siempre será recordado por un gol que marcó el 29 de julio de 2001. Ese gol dio a Colombia el campeonato de la Copa América.

Football Disasters: The moments we will never forget Caroline Elwood-Stokes,2020-02-06 It seems that we can divide the world-history of football-related deaths into three periods. The early period, 1900-1959, contains from 0 to 3 tragedies per decade. Deaths were very rare - but were tremendously tragic when they happened. Take for instance the very first incident occurring on the 5th of April in 1902 at Ibrox Stadium in Glasgow, where Scotland played England in the British Home Championship. At the time it was considered to be the most prestigious international tournament in the world and would therefore draw a large audience. While the game was being played the newly built wooden West Stand broke under the weight of the excited crowd. People fell several meters down and on top of each other - resulting in 26 people dying and 517 being injured. Blame was put on the rain that had

fallen the night before the game, causing the wooden construction to become unstable. Arena architects abandoned wood as material for higher audience facilities after this episode. But what caused the other disasters?

Sports around the World [4 volumes] John Nauright, 2012-04-06 This multivolume set is much more than a collection of essays on sports and sporting cultures from around the world: it also details how and why sports are played wherever they exist, and examines key charismatic athletes from around the world who have transcended their sports. *Sports Around the World: History, Culture, and Practice* provides a unique, global overview of sports and sports cultures. Unlike most works of this type, this book provides both essays that examine general topics, such as globalization and sport, international relations and sport, and tourism and sport, as well as essays on sports history, culture, and practice in world regions—for example, Latin America and the Caribbean, the Middle East and North Africa, Europe, and Oceania—in order to provide a more global perspective. These essays are followed by entries on specific sports, world athletes, stadiums and arenas, famous games and matches, and major controversies. Spanning topics as varied as modern professional cycling to the fictional movie *Rocky* to the deadly ball game of the ancient Mayans, the first three volumes contain overview essays and entries for specific sports that have been and are currently practiced around the world. The fourth volume provides a compendium of information on the winners of major sporting competitions from around the world. Readers will gain invaluable insights into how sports have been enjoyed throughout all of human culture, and more fully comprehend their cultural contexts. The entries provide suggestions for further reading on each topic—helpful to general readers, students with school projects, university students and academics alike. Additionally, the four-volume *Sports Around the World* spotlights key charismatic athletes who have changed a sport or become more than just an outstanding player.

World Cup Soccer Michael Lewis, 1998 Summarizing the qualifying round of the international soccer competition, comparing the 24 nations that will be in the final round this year in France and highlighting the players to watch, *World Cup Soccer* gives important facts and figures on participating teams and is sprinkled throughout with interesting features, anecdotes, and trivia on World Cup matches. 50 photos. 25 illustrations.

FIFA World Cup ,

The Age of Football: Soccer and the 21st Century David Goldblatt, 2020-02-18 A monumental exploration of soccer and society in our time—by its preeminent historian. *The Age of Football* proves that whether you call it football or soccer, you can't make sense of the modern world without understanding its most popular sport. With breathtaking scope and an unparalleled knowledge of the game, David Goldblatt—author of the best-selling *The Ball Is Round*—charts soccer's global cultural ascent, economic transformation, and deep politicization.

Scotland in the Seventies Ronnie McDevitt, 2019-02-02 The 1970s saw a change in the fortunes of the Scottish national side. Having exited undefeated at the 1974 World Cup in West Germany, the sobering trip to Argentina 78 prompted more realistic future expectations. Extensively researched, *Scotland in the 70s* examines the decade's 89 matches in depth, with the help of countless star contributors.

Pablo Escobar: The Life and Crimes of the Most Notorious Colombian Drug Lord J.D. Rockefeller, 2016-04-21 Pablo Emilio Escobar Gaviria was born on December 1, 1949 in Rionegro, the Antioquia Department of Colombia. His father, Abel de Jesús Dari Escobar, was a farmer and his mother, Hermilda Gaviria, was a teacher in an elementary school in the area. He was the third of seven children of his parents and began his criminal activities as a teenager. Some reports claim that he would steal gravestones, sand them down, and then resell them to smugglers. However, his brother denies that he used to steal those gravestones. His friends and family report that Pablo would often tell them that he wanted to become the president of Colombia. Instead, he became the world's most notorious drug lord.

SOCCER WORLD 2011/12 Lorenzo Gravela,

Women's Club Football in Brazil and Colombia Mark Biram, 2024-01-15 The first women's football book on Latin America centring the perspectives of players brings rare interview material that cuts through the clichés to uncover the lived reality of women footballers. It includes the first large-scale survey of South American women footballers' views into dialogue with institutional and media perspectives. The early chapters consider the backdrop Latin American women footballers operate in, a media and institutional panorama that privileges a heteronormative athletic femininity whilst ensuring women's football is never portrayed as anything other than an inferior version of the hegemonic (men's) game. Following this, drawing on nine months of ethnographic fieldwork in which 33 semi-structured interviews were carried out with players and institutional figures, this pioneering book foregrounds the lived reality of women's football in three strategic locations. Firstly, three months were spent in the Amazon region of Brazil where Esporte Clube Iranduba provides a fascinating alternative model for the growth of women's football. This is contrasted with Santos FC, where women's football tends to be constantly overshadowed by the presence of banal patriarchy, and finally with another fleeting glimpse of how another model is possible at Atlético Huila of Colombia, the surprise winner of the women's Copa Libertadores in 2018.

Inequalities and the Progressive Era Guillaume Vallet, 2020-06-26 *Inequalities and the Progressive Era* features contributors from all corners of the world, each exploring a different type of inequality during the 'Progressive Era' (1890s-1930s). Though this era is most associated with the United States, it corresponds to a historical period in which profound changes and progress are realized or expected all over the globe.

Fuller's Mini Guide to Germany 2006 Stuart Fuller, 2006

The Illustrated Encyclopedia of Soccer Keir Radnedge, 2001 Thorough and illustrated reference to the world's most popular sport.

A Second Chance Neusa Uberti, 2024-03-21 One vacation that was planned for months, with the objective of visiting friends and family. Everything seemed smooth, full of unforgettable moments, until the unexpected occurred. In a matter of seconds, a tragedy occurs, and the author's life takes a turn for the unexpected. A new life begins from that moment, a life of many trials and learning. However, the author never loses hope and fights diligently for a second chance. This book is a factual story of the author's life.

Pablo Escobar J.D. Rockefeller,2015-10-12 Pablo Escobar, born on the 1st of December, 1949 and killed on the 2nd of December, 1993 was a notorious drug lord in Colombia. During the height of his career, he supplied an estimated 80 percent of the cocaine smuggled into the United States.
