The Legacy of Heroes: A Fantasy Role-Playing Game; Game Master's Guide Vincent Venturella,

RWBY RPG Game Master Guide Nick Simmons,2021-09-04 Welcome to the unauthorized RPG based on RWBY, an anime created by Roosterteeth. If anyone from Roosterteeth is reading this, please call me; I'd love to talk. For the rest of you, I'm assuming that you've watched the show. It's the best anime I've ever seen (But only because no one has made mine yet; please check out CORL: Tales From an Alternate RWBYverse volumes 1-3, available on Amazon.com.) And for those of you that haven't watched RWBY (or read CORL) yet, go do that. I'll wait. Now that you're back, let's get started. We're all here because we want to take part in the story unfolding on Remnant. We want to stand with team RWBY against Salem and the Grimm. We want a semblance of our own. We want a scythe that's also a sniper rifle. But if you're reading this, you don't get to do that. This is the GM guide, which means your players get to do all of that, and they get to have all of the fun. And that, dear reader, is your job. You are going to make this world fun for them. Remnant is a world of excitement and danger. No one is ever truly safe, even in the heart of the Kingdoms. As the GM, it is your job to bring that to life. You will use every trick in this book (and in your own heads, I hope) to threaten the safety of Remnant. It's people, cities, and even Kingdoms, are your targets. You will use Grimm, criminals, bandits, natural disasters, and anything else you can think of to harass, injure, threaten, and destroy the people and world that your players hold so dear. Because only in response to threats can heroes rise. When the fate of the world is in their hands, and everyone else has fallen or fled, your players can truly consider themselves Huntsmen.

Sapp Attack Warren Sapp, David Fisher, 2012-08-21 In his no-holds-barred memoir, Sapp Attack!, Warren Sapp, one of the NFL's most hilarious and candid personalities, reveals a side of football most fans have never before seen. Big Man. Big Talent. Big Star. Big Mouth. Big Heart. Big Personality. Big Smile. Big Headlines. Warren Sapp, one of pro football's most dominating defensive players both on and off the field, has a reputation for being bold, brash, knowledgeable, and outspoken. During his All-American career at the University of Miami, 13 seasons as an NFL star, four years on the NFL Network and one very big season on Dancing with the Stars, Sapp has never held back. Now he brings that same fearless attitude to his memoir, a book that will create controversy and headlines; in other words, pure Warren Sapp. Sapp has won every award possible for a defensive player, but it wasn't just his extraordinarily athletic ability that made him a star; it was also his ability to understand the subtleties of the game. He writes about working his way up from the high school gridiron to one of the top college football programs in the country, to the NFL, and reveals how the system actually works—the behind-the-scenes plays that fans rarely get to see. He'll discuss what it was like to face some of the greatest players in NFL history, including Hall of Famers Steve Young and Jerry Rice, both of whom he put out of the game, and Bret Favre, whom he sacked eleven times during his career. In this revealing, hilarious, and must-read book, Sapp offers readers a look inside the life of one of football's biggest stars and shares his often controversial opinions about the state of pro football today and its future.
