The Interpretation of The Meaning of The Holy Quran Volume 75 – Surah At-Tahrim, Surah Al-Mulk Nasoha Bin Saabin, I have written many books and articles on various topics but since 2013, I have devoted myself fully in writing the interpretation of the Holy Quran in English and with the grace of Allah, I have completed the whole Quran on 29th October 2020 with 84 books. I believe there is a great need in the whole world for the correct interpretation of the Holy Quran to be written in English. Currently, there is a great misunderstanding about Islam among Muslims and non-Muslims globally. The misunderstanding of the meaning of the Holy Quran among Muslims will lead to the wrong practice of Islam which leads to the wrong actions of Muslims. The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non-Muslims. The wrong actions of the Muslims have led to many miseries and wars among Muslims. The wrong actions of Muslims have also led to many wars and clashes between Muslims and non-Muslims. In order to avoid miseries, wars and clashes from taking place between the whole mankind in the whole world, the whole mankind in the whole world need to understand the true teaching of Islam. There is no other way for the whole mankind to understand the true teaching of Islam unless the whole mankind is able to read and understand the correct interpretation of the Holy Quran. The whole mankind is only able to read and understand the correct interpretation of the Holy Quran when it is written in the universal language of the world (English). For this very reason I have written the interpretation of the Holy Quran in English. Prof. Nasoha Bin Saabin

Sexuality Education from an Islamic Perspective G. Hussein Rassool, Muhammad Aftab Khan, Shaikh Abdul Mabud, Muhammad Ahsan, 2020-02-13 We live in an over-sexualised culture where sex and sexuality have become part of the public domain. This sexual revolution challenges Judeo-Christian and Islamic norms and boundaries. As such, sexuality education is a sensitive and extremely important issue, and its current implementation in schools has raised public concerns. This book explores the subject, contextualising it within the matrix of Islamic beliefs and practices. Islam binds sexuality and sexual education to a moral grid with rights and obligations, justice and equity. There is a dominant discourse and stereotype around 'Islamic sexuality', which presents sex and sexuality as the biggest taboo, fraught with fear and seldom discussed. This book dispels such myths and misconceptions, providing an overview of sexuality education in the modern world and the need for such education.

The IMPORTANCE OF CONSCIENCE IN THE QUR'AN Mona Abdulhaq,

One Nation, Indivisible Celene Ibrahim, 2019-03-15 Comprised of the wisdom of over fifty scholars, preachers, poets, and artists, this anthology is born of the conviction that open-hearted engagement across our differences is a prerequisite for healthy civic life today. The collection offers inspiration to faith leaders, social-justice activists, and secular readers alike, while simultaneously providing an accessible window onto lived Islam. Taken as a whole, One Nation, Indivisible highlights principles and practices of anti-racism work, and its contributors argue for a robust vision of American pluralism. While most of the contributors reside in the United States, through their stories of encounter, they bring a global perspective and encourage us all, wherever we may be, to find ways of traversing our otherwise isolating enclaves.

The Qur'an in the Malay-Indonesian World Majid Daneshgar, Peter G. Riddell, Andrew Rippin, 2016-06-10 The largely Arabo-centric approach to the academic study of tafsir has resulted in a lack of literature exploring the diversity of Qur'anic interpretation in other areas of the Muslim-majority world. The essays in The Qur'an in the Malay-Indonesian World resolve this, aiming to expand our knowledge of tafsir and its history in the Malay-Indonesian world. Highlighting the scope of Qur'anic interpretation in the Malay world in its various vernaculars, it also contextualizes this work to reveal its place as part of the wider Islamic world, especially through its connections to the Arab world, and demonstrates the strength of these connections. The volume is divided into three parts written primarily by scholars from Malaysia and Indonesia. Beginning with a historical overview, it then moves into chapters with a more specifically regional focus to conclude with a thematic approach by looking at topics of some controversy in the broader world. Presenting new examinations of an under-researched topic, this book will be of interest to students and scholars of Islamic studies and Southeast Asian studies.

GO TO HELL You'll Regret Forever Musa bin Mustafa, Has your life lived up to what you expected? As human beings we know there's something more. The life of this world is nothing but play and amusement. Live after death is real. How can a seed die, and still become a plant? Indeed, many of the people, in [the matter of] the meeting with their Lord, are disbelievers. Have they not traveled through the earth and observed how was the end of those before them? They were greater than them in power, and they plowed the earth and built it up more than they have built it up, and their messengers came to them with clear evidences. They were wronging themselves. For those who disbelieve will be the fire of Hell. The people of Paradise will enter Paradise, and the people of the (Hell) Fire will enter the (Hell) Fire: then a call-maker will get up (and make an announcement) among them, 'O the people of the (Hell) Fire! No death anymore ! And O people of Paradise! No death (anymore) but Eternity.' The punishment of the Hereafter (LIFE AFTER DEATH) is greater. Go to Hell, you'll regret forever. Believe it or not! Every soul will taste death. You are on your way now...

Sodom's Sin Ed Noort, Tigchelaar, 2021-11-29 This volume is devoted to the receptions of and reflections on the story of Sodom and Gomorrah as told in Genesis 18 and 19. Two articles discuss intertextual reactions to the Sodom narrative within the Hebrew Bible. Five contributions examine readings and rewritings of the Sodom narrative in early Jewish, Christian and Islamic writings: Jubilees, the Dead Sea Scrolls, the New Testament (Revelation 11), Targumim and early Koran commentaries. Two articles focus on separate themes, the punishment of the Dead Sea and the prohibition on looking back. Finally, two articles that focus on Peter Damian and Proust's Sodome et Gomorrhe I describe the later reception of the sin of Sodom as homosexuality. A bibliography of recent works completes the volume.
