Arbitrating for Peace Joel Dahlquist,2016-09-04 Although short of attaining the ideal of a ‘substitute for war’, arbitration has largely succeeded in peacefully resolving international disputes. Beyond that, arbitral commitments and arbitral processes have deepened civilized and cooperative international relations, promoted the development of international law and international institutions, and facilitated the well-being of mankind in multiple important ways. Particulars of that proposition are set forth in this one-of-a-kind book. Each of the fourteen chapters is devoted to one landmark international arbitration case, primarily state-to-state but also includes commercial disputes with geopolitical dimensions. Each chapter is written by a practitioner and/or academic of high international standing. The project was initiated by the Stockholm Chamber of Commerce, which celebrates its centennial in 2017. By focusing on landmark cases, the book contributes to a continued dynamic development of dispute resolution in complicated or sensitive geopolitical contexts, and demonstrates how arbitration has and can continue to play an important role for international relations. Practitioners, political decision makers, and academics in any part of the world with an interest in international arbitration and international law or political history and policy on an international level will find it not only deeply informative but also immensely useful.

A Home at Trail's End Melody A. Carlson,2013-07-01 Bestselling author Melody Carlson (more than 5 million books sold) continues her *Homeward on the Oregon Trail* series with this third and final adventure. Elizabeth Martin and her two children have finally reached the Oregon Country. But Eli Kincade, the wagon train scout who captured her heart, has chosen to continue life on the trail. As other pioneer families begin building new homes, Elizabeth has never felt more alone. However, when Eli unexpectedly returns, confesses his love, and proposes, Elizabeth accepts with her family’s blessing. A community begins to take shape, but not without growing pains. As an alternative to the local minister’s fiery sermons, Elizabeth’s father begins to preach at home, raising the ire of some. Racial biases arise against Brady, Elizabeth’s African-American hired hand. Eli’s warm sentiments toward Indians also raises concerns. Can Elizabeth and her family overcome these differences and begin a legacy of reconciliation and love? About This Series: The *Homeward on the Oregon Trail* series brings to life the challenges a young widow faces as she journeys west, settles her family in the Pacific Northwest, and helps create a new community among strong-willed and diverse pioneers.
