Game of My Life Auburn Tigers Mark Murphy,2017-08-08 What creates a championship team? Spirit, determination, and a legacy that refuses to die. Game of My Life Auburn Tigers is a collection of the greatest Tigers moments from past and present as seen through the eyes of the players themselves. In this newly-updated collection, Mark Murphy has brought together passionate Auburn football players to share their fondest experiences and memories. Some of these games involve championships, including the heart stopping BCS Championship Game victory over Oregon in January 2011, while others seem ordinary save for extraordinary personal meaning. In each case, it is the player who singles out the game, the moment in time that to him is the most defining of his Auburn Tiger football career. Each player has his own unique story, but together they weave a tapestry of Auburn's legendary history. Heisman Trophy-winners Pat Sullivan and Cam Newton, along with many of the great names in Auburn history, such as All-Americans Jackie Burkett, Tucker Frederickson, and Tre Mason and fan favorites such as Joe Cribbs and Jason Campbell are profiled in this unique book. Game of My Life Auburn Tigers takes readers down memory lane, while also providing an in-depth look into the men and games that helped shape and build the Auburn football tradition and heritage.

With more than a century of history, two National Championship victories, and three Heisman Trophy winners distilled into the greatest highlights, the book serves as the ultimate compendium of everything that is special about the football program and includes the stories and memories of everyone from Ralph Shug Jordan and Pat Dye to Bo Jackson and Tracy Rucker. A Tiger Walk Through History Paul Hemphill,2008 In this lively and fascinating book, noted writer and Auburn alum Paul Hemphill tells the story of the progress of Auburn from that first game coached by Auburn legend George Petrie through the team’s growth and development into the national force it is today. Hemphill records the many highs and occasional lows, and the heartbreak and jubilation each caused, noting the standouts great and small on the way. A Tiger Walk through History contains 172 photographs, many of them rare and surprising. The text and photos capture the many great players and coaches in the Auburn football experience: Auburn’s first bowl appearance in 1936; coaching eras of innovative football genius John Heisman, after whom the Heisman trophy is named; “Iron Mike” Donahue; Ralph “Shug” Jordan, who brought Auburn its first national championship in 1957; Pat Dye, Terry Bowden, and present coach Tommy Tuberville; Auburn’s two Heisman trophy winners Pat Sullivan and Bo Jackson; and victories over rivals Alabama and Georgia. The 2007-2008 season is highlighted, including the sixth straight win over Alabama and a bowl victory over Clemson. As the game has grown, Auburn and its team have grown with it, and Auburn now ranks as a perennial power both in its conference and in the nation. Vince Dooley states in his foreword that “beyond the famous coaches and players and their heroics on behalf of the Orange and Blue, A Tiger Walk through History is also about time-honored traditions—rallying cries like ‘Sullivan-to-Beasley’ and ‘Punt Bama Punt’ and ‘Rolling Toomer’s Corner’—that echo in resounding fashion from the pages of Paul Hemphill’s remarkable book.” No fan, whether casual or devoted, can afford to miss this riveting account of the Plainsmen’s journey from the very beginning to today, which is the record of a great university as well as the story of the development of a great football team.

Auburn Elizabeth D. Shafer,2003-10 Auburn. The name resonates among generations who have studied, taught, or worked on the campus. No matter what the university has been formally named over the years—from East Alabama Male College to Alabama Polytechnic Institute—people have fondly called it Auburn since it was chartered in 1856. Professor George Petrie's Auburn Creed emphasizes the refrain I believe, which the

Auburn family of Plainsmen, Tigers, and War Eagles have embraced. In this fitting tribute to a landmark Southern institution, vintage photographs depict people, places, experiences, and traditions beloved by the Auburn community. Virtues such as loyalty, patriotism, service, and hard work have been encouraged on the campus from the school's inception. With a cooperative spirit, students and faculty alike applaud each other's successes in the classrooms and laboratories as well as in stadiums and on athletic fields. Numerous significant accomplishments in both academics and athletics are associated with Auburn and they are celebrated within these pages. Images of the campus as it has evolved over the years; memorable students, faculty, staff, and alumni; and unforgettable events have been gathered and preserved in this keepsake volume.
