OECD Environmental Performance Reviews: New Zealand 2017 OECD,2017-03-20 OECD Environmental Performance Reviews provide independent assessments of countries' progress towards their environmental policy objectives. Reviews promote peer learning, enhance government accountability, and provide targeted recommendations aimed at improving environmental performance ...

Safeguarding the Future Jonathan Boston,2017-03-08 In an era of populist politics, Brexit, Donald Trump, 24-hour news cycles and perpetual election campaigning, how do we govern well for the future? How do we take the long view, ensuring that present-day policy decisions reflect the needs and safeguard the interests of future generations? In this timely BWB Text, acclaimed policy scholar Jonathan Boston sets out what 'anticipatory governance' might look like in New Zealand. Confronted with a world becoming more uncertain by the day, this book is essential reading for anyone questioning how democratic societies can tackle the unprecedented challenges ahead.

Summary of Insider Transactions ,1987-12

An Insider's Guide to Johannesburg John Ostrowick,2010-05-03 Johannesburg is severely underrated as a tourist destination. This could be because it has no beaches, no snow-capped mountains, and no ancient buildings. But Johannesburg has something else - it is a cultural and industrial centre, with an enormous array of entertainment events running day and night. Johannesburg is also the scene of the fall of the abominable Apartheid system. So Johannesburg is not only a cultural centre, but it is also politically one of the most significant cities in Africa, and the most economically powerful. Furthermore, the human race evolved in the Johannesburg area. So there are many reasons to visit. This book gives an introduction to South Africa and Johannesburg in particular. It covers all the things to see and visit in Johannesburg and its surrounds. It provides addresses, phone numbers and GPS coordinates of each tourist attraction, so that you can find them easily.

Insider's Guide Shem Compion,2012 PHOTOGRAPHS: COLLECTIONS. Inspired by Africa's unique beauty, Shem Compion, in the second instalment of a three-part series, explores the best photography spots in Botswana and Namibia. This book provides a comprehensive guide to visiting some of the most remote destinations in the world. The daunting questions of when to go, how to get there, where to stay and what to do are quickly answered. The detailed and instructive photographic notes provide up-to-date information on the vital technical aspects of photography. In addition, this book is a guide to understanding animal behaviour - a photographer's greatest asset. Insider's guide uncovers the wonders of Botswana from the Okavango Delta, Deception Valley, to the Northern Tuli Game Reserve and many more. In Namibia, discover the splendour of the Southern Deserts, the lesser known locations in Etosha National Park as well as the Caprivi Strip.

Governing for the Future Jonathan Boston,2016-11-09 The book focuses on how to enhance the political incentives on democratically-elected governments to protect the interests of future generations.

Inside African Anthropology Andrew Bank,Leslie J. Bank,2013-04-08 Inside African Anthropology offers an incisive biography of the life and work of South Africa's foremost social anthropologist, Monica Hunter Wilson. By exploring her main fieldwork and intellectual projects in southern Africa between the 1920s and 1960s, the book offers insights into her personal and intellectual life. Beginning with her origins in the remote Eastern Cape, the authors follow Wilson to the University of Cambridge and back into the field among the Mpondo of South Africa, where her studies resulted in her 1936 book *Reaction to Conquest*. Her fieldwork focus then shifted to Tanzania, where she teamed up with her husband, Godfrey Wilson. In the 1960s, Wilson embarked on a new urban ethnography with a young South African anthropologist, Archie Mafeje, one of the many black scholars she trained. This study also provides a meticulously researched exploration of the indispensable contributions of African research assistants to the production of this famous woman scholar's cultural knowledge about mid-twentieth-century Africa.

The Insiders' Chronicle ,1988

BA: An Insider's Guide Rebecca Jury,2013-11-01 Offering 10 steps to obtaining an arts degree at a New Zealand university, this handbook serves as a roadmap for students to discover success in college. From finding the best snacks on campus to realizing your lecturer is a fellow human being, this guide answers the important questions, including What is a bachelor's degree all about? How does one decide which courses to take? and What is a tutorial? Anyone interested achieving work-life balance, improving study habits, conquering essays and exams—all while having fun along the way—will benefit from this reference.

An Insider's Guide to the Medical Specialties Ian Reckless,John Reynolds,Raghib Ali,2006-11-09 As medicine becomes more specialized, doctors working in general medicine and general practice can quickly lose touch with advances occurring in other fields. Never having heard of an investigation, or carrying dated misconceptions as to a prognosis can be frustrating at best, and dangerous at worst. The aim of this book is to strike a balance between refreshing old knowledge and updating the reader on significant advances that have occurred in a particular specialty, with this in mind each chapter is written by a trainee and a specialist in the relevant area. The content will be of interest to consultants and trainees in the medical specialties, general practitioners, and medical students. At times entertaining, irreverant and controversial, this is not a book to be left nestling in the pocket of a white coat or gathering dust on a shelf.

Better Health for You: An Insider's Big Picture Guide Denis Toovey,2014 A balanced overview, written by a health professional with forty-years-experience, ending with his community pharmacy winning a prestigious Customer Choice Award three years in a row. Find out why the author promotes a holistic (big picture) approach after a fantastic holistic medical doctor solved his problem when his orthodox doctor had no answers and the need to spread the word on better ways to look after your most valuable asset - your health. Denis believes there is a need for a greater focus on real cures and prevention of disease over just treating symptoms with medicines. The wide range of topics includes: Why it can be difficult to lose weight. How to ensure you are getting reliable health information. Ways to reduce your chances of dying early. Understanding what a healthy lifestyle means, including how to get the best from your food, health professionals and the treatment they provide. Act now - Do not wait until it is too late.

Hippocrene Insider's Guide to the World's Most Exciting Cruises, So Far Shirley Linde,Lea Lane,1994 Covers more than 300 cruises: Caribbean cruises, freighters, sailing cruises, river cruises, and much more. Just about every destination in the world is covered, including those in the US, the Caribbean, Alaska, Erope,

Indonesia, Antarctica, and Asia, the Amazon, the Seychelles Islands off the coast of Africa, and many others. Oceanliners, small ships, freighters, river cruises, and charters are highlighted, plus helpful insight into where you should cruise and when. The book's insider tips keep any traveler from losing valuable vacation time and heighten the experience of various destinations.

Named Top Guidebook Series at the 2020 Wanderlust Reader Travel Awards, we know that wherever you go next, your DK Eyewitness travel guides are the perfect companion

Urban Legend - Sir Dove-Myer Robinson John Edgar, 2012-07-10 Every Aucklander of a certain age knows that we should have listened to Mayor Robbie back in the 1970s' - Labour Party MP Phil Twyford. But who was he? And why is he still relevant today? From a working class Jewish boy in Sheffield to long serving Mayor of Auckland (1959-1980), Sir Dove-Myer Robinson's life followed an unusual path. A slight, bespectacled man whose tiny stature was offset by a booming voice and massive ego, he was a natural political campaigner. Associated with a host of local and national causes, he became Auckland's most recognisable spokesperson. He joined political causes and challenged convention. He fought for our current waste water treatment process, against French nuclear testing, and an integrated Auckland transport system and city. Though his political career was outstanding and memorable, his personal life was a hot bed of gossip. Four wives, one 20 years his junior, and a very public divorce during one of his terms meant he was never far from the headlines. In this book we look at both his personal life and his outstanding political career, which affected not only the future of Auckland, but the future of New Zealand.

The Genetics of Health Sharad P. Paul, 2022-04-05 SHARAD P. PAUL, MD, is starting a health RxEvolution. He argues it's time to stop relying on prescriptive drugs to alleviate all ailments and instead take charge of your own life wellness. He walks readers through the genes that are key to our physical and mental fitness and longevity, the genesis of those genes, and how actions play a role in the expression of genes in our bodies. Each chapter concludes with practical and easily implemented actions that help readers start managing their daily wellbeing and encourages them to personalize his steps for their own bodies and lifestyles. Dr. Paul has been recognized for his thought leadership, compassion, and entrepreneurialism. In addition to his busy skin surgery schedule, he offers 7,000 free skin cancer checks every year and even invented a skin graft technique that reduces costs and healing time for patients. With *The Genetics of Health*, he offers the knowledge and the guidance for readers to personally take charge of reducing their own healthcare costs and sick days, and to seize the healthiest life possible--

Current Developments in Banking and Finance D. A. Kingsford-Smith, 1989 Banking, finance and the money markets continue to be the focus of worldwide judicial, legislative and media attention, as a rapidly developing area of legal practice and academic study.

CDA/Spectrum Insider Holdings, 1993-12

The Grierson Effect Zoë Druick, Deane Williams, 2014-11-20 This landmark collection of essays considers the global legacy of John Grierson, the father of British documentary. Featuring the work of leading scholars from around the world, *The Grierson Effect* explores the impact of Grierson's ideas about documentary and educational film in a wide range of cultural and national contexts – from Russia and Scandinavia, to Latin America, South Africa and New Zealand. In reconsidering Grierson's international influence, this major new study emphasises the material conditions of the production and circulation of documentary cinema, foregrounds core issues in documentary studies, and opens up expanded perspectives on transnational cinema cultures and histories.
