SHORTLISTED FOR THE BAILEY'S WOMEN'S PRIZE FOR

FICTION 'A delicious, important novel' The Times 'Alert, alive and gripping' Independent 'Some novels tell a great story and others make you change the way you look at the world. *Americanah* does both.' Guardian As teenagers in a Lagos secondary school, Ifemelu and Obinze fall in love. Their Nigeria is under military dictatorship, and people are fleeing the country if they can. Ifemelu--beautiful, self-assured--departs for America to study. She suffers defeats and triumphs, finds and loses relationships and friendships, all the while feeling the weight of something she never thought of back home: race. Obinze--the quiet, thoughtful son of a professor--had hoped to join her, but post-9/11 America will not let him in, and he plunges into a dangerous, undocumented life in London. Thirteen years later, Obinze is a wealthy man in a newly democratic Nigeria, while Ifemelu has achieved success as a writer of an eye-opening blog about race in America. But when Ifemelu returns to Nigeria, and she and Obinze reignite their shared passion--for their homeland and for each other--they will face the toughest decisions of their lives. Fearless, gripping, spanning three continents and numerous lives, *Americanah* is a richly told story of love and expectation set in today's globalized world.

**Notes on Grief** Chimamanda Ngozi Adichie,2021-05-11 From the globally acclaimed, best-selling novelist and author of *We Should All Be Feminists*, a timely and deeply personal account of the loss of her father: "With raw eloquence, *Notes on Grief* ... captures the bewildering messiness of loss in a society that

requires serenity, when you'd rather just scream. Grief is impolite ... Adichie's words put welcome, authentic voice to this most universal of emotions, which is also one of the most universally avoided" (The Washington Post). *Notes on Grief* is an exquisite work of meditation, remembrance, and hope, written in the wake of Chimamanda Ngozi Adichie's beloved father's death in the summer of 2020. As the COVID-19 pandemic raged around the world, and kept Adichie and her family members separated from one another, her father succumbed unexpectedly to complications of kidney failure. Expanding on her original New Yorker piece, Adichie shares how this loss shook her to her core. She writes about being one of the millions of people grieving this year; about the familial and cultural dimensions of grief and also about the loneliness and anger that are unavoidable in it. With signature precision of language, and glittering, devastating detail on the page—and never without touches of rich, honest humor—Adichie weaves together her own experience of her father's death with threads of his life story, from his remarkable survival during the Biafran war, through a long career as a statistics professor, into the days of the pandemic in which he'd stay connected with his children and grandchildren over video chat from the family home in Abba, Nigeria. In the compact format of *We Should All Be Feminists* and *Dear Ijeawele*, Adichie delivers a gem of a book—a book that fundamentally connects us to one another as it probes one of the most universal human experiences. *Notes on Grief* is a book for this moment—a work readers will treasure and share now more than ever—and yet will prove durable and timeless, an indispensable addition to Adichie's canon.

*More Than My Scars* Kechi Okwuchi, 2022-03-29 The first thing you will notice when you meet Kechi Okwuchi is her scars. One of just two survivors of a devastating plane crash that killed more than 100 people, 16-year-old Kechi was left with third-degree burns over 65 percent of her body. *More Than My Scars* is her incredible story. A story of not just surviving impossible odds

but thriving in a world that is too often caught up with how we look on the outside rather than seeing that our true value is within. Now in her early 30s, Kechi has spent the last 16 years refusing to be defined by her trauma. Follow her as she decides for herself what role her scars will play in her life before society decides for her. Her strong sense of identity, rooted in seeing herself the way God sees her, has allowed her to live authentically in a world that constantly seeks to define us by its ever-changing (and ever-shallow) standards. Kechi's story will inspire you to love and accept yourself as you are and confidently present your true self to the world.

**News from Home** Sefi Atta, 2012-10-19 Winner of the 2009 NOMA Award for Publishing in Africa From Zamfara up north to the Niger delta down south, with a finale in Lagos, this collection of stories and a novella respond to and amplify the newspaper headlines in a range of Nigerian voices. Men, women, and children speak out to us from these stories, from immigration centers and police barracks, from street corners and maternity wards. Ghanaian writer Mohammed Naseehu Ali says, Sefi Atta writes like one who has lived the life of each single character in her dazzling collection of short stories.

**Happiness, Like Water** Chinelo Okparanta, 2013 A moving debut story collection centered on Nigerian women, as they build lives out of longing and hope, faith and doubt, the struggle to stay and the mandate to leave, and the burden and strength of love.

Stay with Me Ayobami Adebayo, 2017-08-22 "Powerfully magnetic. . . . In the lineage of great works by Chinua Achebe and Chimamanda Ngozi Adichie. . . . A thoroughly contemporary—and deeply moving—portrait of a marriage." —The New York Times Book Review Ilesa, Nigeria. Ever since they first met and fell in love at university, Yejide and Akin have agreed: polygamy is not for them. But four years into their marriage—after consulting fertility doctors and healers, and trying strange teas and unlikely

cures—Yejide is still not pregnant. She assumes she still has time—until her in-laws arrive on her doorstep with a young woman they introduce as Akin’s second wife. Furious, shocked, and livid with jealousy, Yejide knows the only way to save her marriage is to get pregnant. Which, finally, she does—but at a cost far greater than she could have dared to imagine. The unforgettable story of a marriage as seen through the eyes of both husband and wife, *Stay With Me* asks how much we can sacrifice for the sake of family. **Ken Saro-Wiwa and MOSOP** Ben Wuloo Ikari, 2006 This book is a revelation. The book of revelation, if you like. It deals crucially with the life of one of the most dignified I have ever known. The man who saved Nigeria from disintegration in 1967, but was unfortunately murdered in cold-blood by Shell and the

Nigeria government on November 10, 1995. Ken Saro-Wiwa (1941-1995) was an honest negotiator who did not lose a fight but could yield if genuine dialogue was put in place for mutual and bilateral agreement. He was a man of peace, of ideas; one of the bravest men on earth. Readers the world over, Ogonis and those who played the different roles in the hanging of Ken, would see my Hero resurface. And, this is because he lives. Shell and the Federal Government had lured, paid, and made promises to some Ogonis who were counseled in a mock court (before his arraignment at the Justice-injustice-Ibrahim Auta's Military tribunal) to testify falsely in oral and written forms against Saro-Wiwa and 8 others. They did this so that, having been killed for no crime but the consciousness he gave his suffering people, the Ogoni oil wealth and natural gas would be extracted unhindered and Niger Delta would learn a bitter lesson from it and would not venture to speak against the nonchalant attitudes and injustices meted by Shell Oil and the Nigerian Government. However, they misfired. Though the messenger was taken away by Corporate and State Murder, the message lives on, therefore Ken Saro-Wiwa lives. Ken Saro-Wiwa And Mosop-The Story and Revelation allows everyone, particularly minorities/students (scholars/environmentalists) all over the world to learn more of the life of this great man, who lived most of his life struggling to save his people and the environment; the Niger River Delta, the oppressed of Nigeria, Africa, and the larger world. How he nonviolently confronted the tormentors of the marginalized and oppressed because he saw the need to do so. He did it as a duty and paid the supreme price for his actions. This brings to mind the reality of ALTRUISM. He was indeed a selfless and committed man, an altruist. Ken Saro-Wiwa and MOSOP also serves as sending a strong message to the insensitive government of Nigeria, the United States Government, whose interest in the Ogoni oil and gas reserves (oil for which Ken and 8 others were murdered) mostly serves to change their methods of dealing with

the Ogoni people and issues; do oil business with greater consideration for the masses as against putting oil first. Treat Ogoni citizens with respect, dignity, and consideration; as human beings and not inanimates. The book as well brings the British/Netherland Governments(home countries of Shell)and their baby crook/rogue company, Shell, to the world´s satellite. For these governments have failed woefully to bring peace to Ogoni and the Niger Delta. Yet, the Britons, especially had brought Shell to Nigeria as their economic vehicle in the mid-50s succeeding their reign as the invaders, looters, and killers of Africa for the expansion of their empire-the colonial era. As the book says, Shell Must compensate Ogoni for her miseries that stem from unimaginable exploitation, the devastation of the environment (that´s man´s first right), and the death of over 4 thousand innocent citizens killed during the crisis the company planned and executed, using the Nigerian State and Particularly the military led by Colonel Paul Okontimo (rtd), Major Obi Umai, and others. The company must clean the environmental mess in Ogoni, caused by its reckless exploitation. The then Rivers State Internal Security Taskforce ethnically cleanse Ogoni (committed genocide) on the orders of Shell, because Ogoni under Ken Saro-Wiwa took their destiny into their hands. Having given the company and government ultimatum to meet the Ogoni demand which has a state as minimum, that was presented to the Federal Government in 1990, and they refused to response to. Shell was declared persona non
