Gary Chapman,Paul White

Milly and the Macy's Parade Shana Corey, 2002 Milly, a spirited little girl, envisions a way to bring a bit of her family's old country festivities to their new home in America. Featuring artwork by the illustrator of the Lemony Snicket books, this heartwarming fictional tale is based on the true history of the first Macy's Parade in 1924 and evokes the pride of what it means to be an American. An entertaining and lively variation on holiday stories. - School Library Journal

Not Opposites Linda Ragsdale, 2017-12-13 Read Along or Enhanced eBook: Not Opposites combines beautiful illustrations and powerful text to create a story that encourages young readers to appreciate the qualities they possess that make them unique. With a focus on diversity, this addition to the Peace Dragon series promotes the importance of love and peace to readers. It also includes creative activities that help children understand the key concepts in the book.

All Things Left Wild James Wade, 2020-06-16 After an attempted horse theft goes tragically wrong, sixteen-year-old Caleb Bentley is on the run with his mean-spirited older brother across the American Southwest at the turn of the twentieth century. Caleb's moral compass and inner courage will be tested as they travel the harsh terrain and encounter those who have carved out a life there, for good or ill. Wealthy and bookish Randall Dawson, out of place in this rugged and violent country, is begrudgingly chasing after the Bentley brothers. With little sense of how to survive, much less how to take his revenge, Randall meets Charlotte, a woman experienced in the deadly ways of life in the West. Together they navigate the murky values of vigilante justice. Powerful and atmospheric, lyrical and fast-paced, *All Things Left Wild* is a coming-of-age for one man, a midlife odyssey for the other, and an illustration of the violence and corruption prevalent in our fast-expanding country. It artfully sketches the magnificence of the American West as mirrored in

the human soul.

Supercommunicator Frank Pietrucha, 2014-05-15 In our increasingly complicated and data-driven world, it takes a true genius to create, develop, and manage the complex technological systems and resources driving the marketplace. The good news is, our schools are producing increasing amounts of these incredible brainiacs. The bad news is, oftentimes they are the only ones who can comprehend their accomplishment and why the world is better for it. Supercommunicator recognizes that explaining what you do and why it's important drives funding, policy decisions, media exposure, public awareness, and customer adoption. Therefore, the ability to communicate technical content to nontechnical listeners is a skill no techy can afford to not master. In this groundbreaking, one-of-a-kind book, learn how to:

- Distill details and data into big ideas
- Deliver meaning to audiences
- Use storytelling to captivate and educate
- Humanize content to make complicated ideas more tangible
- Layer harder ideas on top of easier ideas
- Strip away complex language, jargon, and acronyms
- Use analogies to explain unfamiliar areas
- And more

Your latest technical development deserves more funding, media exposure, and public awareness--but nobody understands what it means! This invaluable resource reveals how to make the complex comprehensible, and the dry deeply compelling.

Pacific Glory P. T. Deutermann, 2011-03-15 A thrilling, multi-layered World War II adventure following two men and an unforgettable woman, from Pearl Harbor through the most dramatic air and sea battles of the war. Marsh, Mick, and Tommy were inseparable friends during their naval academy years, each man desperately in love with the beautiful, unattainable Glory Hawthorne. Graduation set them on separate paths into the military, but they were all forever changed during the Pearl Harbor attack on December 7, 1941. Glory, now Tommy's widow, is a tough Navy nurse still grieving her loss while trying to save lives. Marsh, a surface ship officer, finds himself in the thick of

terrifying sea combat from Guadalcanal through Midway to a climactic showdown at Leyte Gulf. And Mick, a hotshot fighter pilot with a drinking problem and a chip on his shoulder, seeks redemption after a series of failures leaves him grounded. Filled with wide-screen action, romance, and heroism tinged with the brutal reality of war, *Pacific Glory* is a dynamic new direction for an acclaimed thriller writer. One of Library Journal's Best Historical Fiction Books of 2011

A Lesson Before Dying Ernest J. Gaines, 2004-01-20
NATIONAL BOOK CRITICS CIRCLE AWARD WINNER • A deep and compassionate novel about a young man who returns to 1940s Cajun country to visit a Black youth on death row for a crime he didn't commit. Together they come to understand the heroism of resisting. An instant classic. —Chicago Tribune A “majestic, moving novel...an instant classic, a book that will be read, discussed and taught beyond the rest of our lives (Chicago Tribune), from the critically acclaimed author of *A Gathering of Old Men* and *The Autobiography of Miss Jane Pittman*. *A Lesson Before Dying* reconfirms Ernest J. Gaines's position as an important American writer. —Boston Globe Enormously moving.... Gaines unerringly evokes the place and time about which he writes. —Los Angeles Times “A quietly moving novel [that] takes us back to a place we've been before to impart a lesson for living.” —San Francisco Chronicle

The Rational Bible: Deuteronomy Dennis Prager, 2022-10-11 Is the Bible, the most influential book in world history, still relevant? Why do people dismiss it as being irrelevant, irrational, immoral, or all of these things? This explanation of the Book of Deuteronomy, the fifth book of the Bible, will demonstrate how it remains profoundly relevant—both to the great issues of our day and to each individual life. Do you doubt the existence of God because you think believing in God is irrational? This book will cause you to reexamine your doubts. The title of this commentary is *The Rational Bible* because its

approach is entirely reason-based. The reader is never asked to accept anything on faith alone. In Dennis Prager's words, "If something I write is not rational, I have not done my job." The Rational Bible is the fruit of Prager's forty years of teaching to people of every faith and no faith at all. On virtually every page, you will discover how the text relates to the contemporary world in general and to you on a personal level. His goal: to change your mind—and, as a result, to change your life.

1900; or, The last President Ingersoll

Lockwood,2022-06-03 Lockwood's novel of political satire describes political tug war. It showcases the concepts of a President who won by a narrow margin. It reflects the American society which is under siege by socialists and anarchy. The common people are ignored by politicians and ripped off by Wall Street.

Baby Steps Millionaires Dave Ramsey,2022-01-11 You Can Baby Step Your Way to Becoming a Millionaire Most people know Dave Ramsey as the guy who did stupid with a lot of zeros on the end. He made his first million in his twenties—the wrong way—and then went bankrupt. That's when he set out to learn God's ways of managing money and developed the Ramsey Baby Steps. Following these steps, Dave became a millionaire again—this time the right way. After three decades of guiding millions of others through the plan, the evidence is undeniable: if you follow the Baby Steps, you will become a millionaire and get to live and give like no one else. In Baby Steps Millionaires, you will . . . *Take a deeper look at Baby Step 4 to learn how Dave invests and builds wealth *Learn how to bust through the barriers preventing them from becoming a millionaire *Hear true stories from ordinary people who dug themselves out of debt and built wealth *Discover how anyone can become a millionaire, especially you Baby Steps Millionaires isn't a book that tells the secrets of the rich. It doesn't teach complicated financial concepts reserved only for the elite. As a matter of fact, this information is

straightforward, practical, and maybe even a little boring. But the life you'll lead if you follow the Baby Steps is anything but boring! You don't need a large inheritance or the winning lottery number to become a millionaire. Anyone can do it—even today. For those who are ready, it's game on!

The Peace Dragon Linda Ragsdale, 2019-11-05 The Peace Dragon tells the tale of an unlikely friendship and encourages us to always keep our eyes and our hearts open.

Against Our Will Susan Brownmiller, 2013-09-24
DIVDIV Susan Brownmiller's groundbreaking bestseller uncovers the culture of violence against women with a devastating exploration of the history of rape—now with a new preface by the author exposing the undercurrents of rape still present today/divDIV Rape, as author Susan Brownmiller proves in her startling and important book, is not about sex but about power, fear, and subjugation. For thousands of years, it has been viewed as an acceptable “spoil of war,” used as a weapon by invading armies to crush the will of the conquered. The act of rape against women has long been cloaked in lies and false justifications./divDIV It is ignored, tolerated, even encouraged by governments and military leaders, misunderstood by police and security organizations, freely employed by domineering husbands and lovers, downplayed by medical and legal professionals more inclined to “blame the victim,” and, perhaps most shockingly, accepted in supposedly civilized societies worldwide, including the United States./divDIV Against Our Will is a classic work that has been widely credited with changing prevailing attitudes about violence against women by awakening the public to the true and continuing tragedy of rape around the globe and throughout the ages./divDIV Selected by the New York Times Book Review as an Outstanding Book of the Year and included among the New York Public Library's Books of the Century, Against Our Will remains an essential work of sociological and historical importance./divDIV/div/div

McElligot's Pool Dr. Seuss, 2013-11-05 Imagination runs wild in this Caldecott Honor-winning tale featuring Dr. Seuss's inimitable voice and hysterical illustrations. The first Seuss title to feature full-color art on every other page, this adventurous picture book tells of Marco-who first imagined an extraordinary parade in And to Think That I Saw It on Mulberry Street-as he daydreams of all the possibilities that await him while he fishes in McElligot's Pool. Optimistic and exciting, this tale is the perfect bait, and readers young and old will be hooked on this fish-tastic favorite.

The Inspirational Writings of C.S. Lewis Clive Staples Lewis, Thomas Nelson Publishers, 2004-10-29 C.S. Lewis, one of the world's most celebrated authors, writes candidly, clearly, and from the heart about the deepest human concerns of faith, joy, and love in this outstanding collection of four of his best loved works. *Surprised by Joy* is a moving chronicle of a modern man who loses and regains his Christian faith; *Reflections on the Psalms* explores their relevance to contemporary life; *The Four Loves* sheds light on human affection, friendship, erotic love, and the love of God; and *The Business of Heaven* is a collection of meditations for every day of the year. As Lewis wrote, Joy is the serious business of heaven, and that business, and that goes into making it successful, is celebrated in the writings contained in this special collection.

Prince Charming Julie Garwood, 2011-05-10 Bestselling author Julie Garwood's classic love story is filled with the humor, the sweetness, and the sensuality (Publishers Weekly) that have made her a trusted brand name in romantic fiction (People). Only her beloved grandmother, Lady Esther, knew how devastated Taylor Stapleton had been when her fiancé eloped with Taylor's cousin. Now dear Esther -- one of London's richest and most formidable matriarchs -- lies dying. But first she was going to help Taylor pull off the scam of the season. To escape becoming a ward of her unscrupulous uncle, Taylor would wed Lucas Ross, a

rugged American rancher. Lady Esther's money would enable Ross to return home to Montana. Taylor had her own urgent reason to go to America...a precious legacy she hadn't revealed to Ross, for they had agreed to part ways once they reached Boston. But as her handsome new husband spoke of life in Montana, Taylor began planning a new future. To Taylor, the wide-open spaces of Montana sounded like paradise....

Once Upon a Princess Christine Marciniak, 2018 Having quickly fled with her mom and sister to America, twelve-year-old Fredericka tries to rally prevalent help for her imperial family so as to battle a revolt in her nation of origin, Colsteinburg.

They Can't Kill Us Until They Kill Us Hanif

Abdurraqib, 2017-11-14 * 2018 12 best books to give this holiday season —TODAY (Elizabeth Acevedo) * A Best Book of 2017 —Rolling Stone (2018), NPR, Buzzfeed, Paste Magazine, Esquire, Chicago Tribune, Vol. 1 Brooklyn, CBC, Stereogum, National Post, Entropy, Heavy, Book Riot, Chicago Review of Books, The Los Angeles Review, Michigan Daily * American Booksellers Association (ABA) 'December 2017 Indie Next List Great Reads' * Midwest Indie Bestseller In an age of confusion, fear, and loss, Hanif Abdurraqib's is a voice that matters. Whether he's attending a Bruce Springsteen concert the day after visiting Michael Brown's grave, or discussing public displays of affection at a Carly Rae Jepsen show, he writes with a poignancy and magnetism that resonates profoundly. In the wake of the nightclub attacks in Paris, he recalls how he sought refuge as a teenager in music, at shows, and wonders whether the next generation of young Muslims will not be afforded that opportunity now. While discussing the everyday threat to the lives of Black Americans, Abdurraqib recounts the first time he was ordered to the ground by police officers: for attempting to enter his own car. In essays that have been published by the New York Times, MTV, and Pitchfork, among others—along with original, previously unreleased essays—Abdurraqib uses music and culture as a lens

through which to view our world, so that we might better understand ourselves, and in so doing proves himself a bellwether for our times.

Arnhem Antony Beevor, 2019-04-16 Operation Market Garden, the plan in 1944 to end the war by capturing the bridges leading to the Lower Rhine and beyond, was a bold concept- the Americans thought it unusually bold for Field Marshal Montgomery. It was the greatest demonstration of paratroop power ever seen - but the cost of failure was horrendous, above all for the Dutch who risked everything to help. German reprisals were cruel and lasted until the end of the war. The British fascination for heroic failure has clouded the story of Arnhem in myths, not least that victory was even possible. Antony Beevor, using many overlooked and new sources from Dutch, British, American, Polish and German archives, has reconstructed the terrible reality of this epic clash. Yet this book, written in Beevor's inimitable and gripping narrative style, is about much more than a single dramatic battle. It looks into the very heart of war.

The Herbalist's Bible Julie Bruton-Seal, Matthew Seal, 2014-09-02 A lost classic of Western herbalism—rediscovered and restored with 200 full-color images. Herbalist to King Charles I, John Parkinson (1567–1650) was a master apothecary, herbalist, and gardener. Famous in his own lifetime for his influential books, his magnum opus, the *Theatrum Botanicum*, was published in 1640 and ran to 1,766 large pages. The sheer scope and size was perhaps to prove the book's downfall, because while it was much revered—and plagiarized—it was never reprinted and, centuries later, has attained the status of an extremely rare and valuable book. Parkinson was writing at a time when Western herbalism was at its zenith, and his skills as a gardener (from his grounds in Covent Garden) combined perfectly with his passion for science, observation, and historical scholarship. In the *The Herbalist's Bible*, Julie Bruton-Seal and

Matthew Seal have beautifully combined selections from Parkinson's book with their own modern commentary on how each plant is used today to create a truly one-of-a-kind, comprehensive collection of herbal information old and new. Parkinson's clear and lively description of a chosen plant's "vertues" or healing properties side-by-side with the editors' notes—including copious herbal recipes—make this the perfect book for students and practitioners of herbalism, historians, and gardeners, all of whom will welcome this restoration of Parkinson's lost classic.

Hans Christian Andersen's Complete Fairy Tales Hans Christian Andersen, 2014-10-01 Classic tales of fairies and princesses, ducklings and dancing shoes from the master storyteller Hans Christian Andersen. All the best-loved fairy tales of Hans Christian Andersen, including "The Ugly Duckling," "Thumbelina," "The Red Shoes," "The Princess on the Pea," and "The Emperor's New Clothes," fill the pages of this beautiful leather-bound collector's edition. Also included is "The Tallow Candle"—one of the earliest stories written by Andersen, just discovered recently! A great book of bedtime stories or for rainy day reading, as there are both short and long anecdotes included. The attached bookmark ribbon ensures you'll never lose your place as you wander through the imagination of one of the most popular children's writers of all time. Curl up with this collection of classics and lose yourself in childhood memories.

The 5 Languages of Appreciation in the Workplace Gary Chapman, Paul White, 2019-01-01 Based on the #1 New York Times bestseller *The 5 Love Languages®* (over 12 million copies sold), Dramatically improve workplace relationships simply by learning your coworkers' language of appreciation. This book will give you the tools to improve staff morale, create a more positive workplace, and increase employee engagement. How? By teaching you to effectively communicate authentic appreciation and encouragement to employees, co-workers, and leaders. Most

relational problems in organizations flow from this question: do people feel appreciated? This book will help you answer “Yes!” A bestseller—having sold over 300,000 copies and translated into 16 languages—this book has proven to be effective and valuable in diverse settings. Its principles about human behavior have helped businesses, non-profits, hospitals, schools, government agencies, and organizations with remote workers. PLUS! Each book contains a free access code for taking the online Motivating By Appreciation (MBA) Inventory (does not apply to purchases of used books). The assessment identifies a person’s preferred languages of appreciation to help you apply the book. When supervisors and colleagues understand their coworkers’ primary and secondary languages, as well as the specific actions they desire, they can effectively communicate authentic appreciation, thus creating healthy work relationships and raising the level of performance across an entire team or organization. Take your team to the next level by applying *The 5 Languages of Appreciation in the Workplace*.

Whispering the Techniques of Language: An Psychological Journey through **Audiobooks 2947 Classics For Free The Ultimate Audiobook Library**

In a digitally-driven world wherever displays reign great and quick conversation drowns out the subtleties of language, the profound techniques and mental nuances hidden within phrases often get unheard. However, nestled within the pages of **Audiobooks 2947 Classics For Free The Ultimate Audiobook Library** a fascinating literary prize sporting with raw feelings, lies a fantastic quest waiting to be undertaken. Published by a skilled wordsmith, this enchanting opus attracts visitors on an introspective journey, lightly unraveling the veiled truths and profound impact resonating within the very material of every

word. Within the emotional depths with this poignant evaluation, we shall embark upon a honest exploration of the book is core styles, dissect their interesting writing type, and yield to the effective resonance it evokes heavy within the recesses of readers hearts.
