12 Huge Mistakes Parents Can Avoid Tim Elmore, 2014-07-01 You're deeply committed to helping your kids succeed. But you're concerned—why are so many graduates unprepared to enter the workforce and face life on their own? You're doing your best to raise healthy children, but sometimes you wonder, am I really helping them? Tim Elmore shows you how to avoid twelve critical mistakes parents unintentionally make. He outlines practical and effective parenting skills so you won't fall into common traps, such as... making happiness a goal instead of a by-product not letting kids struggle or fight for what they believe not letting them fail or suffer consequences lying about kids' potential—and not exploring their true potential giving them what they should earn Find out why thousands of organizations have sought out Tim Elmore to help them develop young leaders—and how you can improve your parenting skills and help your kids soar.

MGB Electrical Systems Rick Astley,2013-08-19 This book is essential reading for every MGB enthusiast. The mechanical aspects and the restoration of the vehicle have been written about in numerous publications but the so often maligned electrical systems has never before been comprehensively covered. For those new to vehicle electrical systems the book provides a simple primer using mechanical analogies. Each system in the car has its own chapter, with simple and uncluttered circuit diagrams in which each wire can be seen in its real colours. More than a how-to-do guide, the book also explains the "why" of each system and procedure, aiding diagnostics when things don't go quite as they should. The many fault finding guides help pin those elusive problems down. For those wishing to improve the car for reliability and safety.

Car Stereo Cookbook Mark Rumreich,2005-05-21 The first edition of this book was written six years ago. Since then, there have been some significant

developments in the area of car audio (and video). In addition, many of the products featured in the first edition are now obsolete. While the first edition of the book continues to sell, we have seen a bit of a slow-down at major accounts. This edition promises to be even more successful than the last. Car Stereo Cookbook, 2e is a completely revamped edition of a hugely successful title that continues to sell. This revised book will include new information on mobile video, satellite radio, mp3, wma, digital broadcast radio, and will eliminate the out-of-date products that are no longer pertinent.
