**The Ghost Chronicles** ,2015-11-17 Can Michael get to heaven before the devil gets him first, and if it means leaving Sarah is he sure he still wants to go? Michael Andrews had everything - a loving family, a great girlfriend and a promising basketball career. That was before the accident that took his life. Now, he's a ghost, wandering among the living, struggling to understand why he's stuck. All he wants is to move on. That is until he meets Sarah, an attractive young girl who died just as tragically as he did. The only trouble is falling in love and binding oneself to another soul is forbidden, for it may keep one or both of the souls bound to earth for longer than they should be. To make matters worse, there's also a danger in going too far with Sarah, because the joining of two souls in the afterlife is also strictly forbidden and they don't know what will happen if they do go that far. Each time they touch they can feel the boundaries of their energies slipping perilously into one another. Things get even more complicated as Michael learns he's being pursued. Demons are after him because he's a marked soul, a soul the devil wants very badly for some unknown reason. So, maybe falling in love in the afterlife isn't such a good idea.

The 8-Hour Diet David Zinczenko,Peter Moore,2013-12-03 A paradigm-shifting diet plan that allows you to eat anything you want, as much as you want—and still strip away 20, 40, 60 pounds, or more. After conducting extensive research at the Salk Institute and the National Institute on Aging, poring over copious amounts of new research in intermittent fasting, and engaging 2,000 people for a test panel, bestselling authors David Zinczenko and Peter Moore determined that people can lose remarkable amounts of weight eating the foods they like best—as long as they eat within a set 8-hour time period. Fasting is, of course, an ancient spiritual and health practice, but it's also a way to sidestep many of the ills of the modern world—including diabetes, heart disease, and cognitive impairment. Zinczenko and Moore demonstrate how simply observing this timed-eating strategy, even just three days a week, will reset your metabolism so that you can enter fat-burning mode first thing in the morning—and stay there all day long. And by focusing on eight critical, nutrient-rich Powerfoods, you can build in a second layer of protection against Alzheimer's, heart disease, and even the common cold. In the book, you will find motivating strategies, delicious recipes, and an 8-minute workout routine to maximize calorie burn. The 8-Hour Diet promises to strip away unwanted pounds and give you the focus and willpower you need to reach your goals for weight loss and life.

**Encyclopedia of Television Film Directors** Jerry Roberts,2009-06-05 From live productions of the 1950s like Requiem for a Heavyweight to big budget mini-series like Band of Brothers, long-form television programs have been helmed by some of the most creative and accomplished names in directing. Encyclopedia of Television Film Directors brings attention to the directors of these productions, citing every director of stand alone long-form television programs: made for TV movies, movie-length pilots, mini-series, and feature-length anthology programs, as well as drama, comedy, and musical specials of more than 60 minutes. Each of the nearly 2,000 entries provides a brief career sketch of the director, his or her notable works, awards, and a filmography. Many entries also provide brief discussions of key shows, movies, and other productions. Appendixes include Emmy Awards, DGA Awards, and other accolades, as well as a list of anthology programs. A much-needed reference that celebrates these often-neglected artists, Encyclopedia of Television Film Directors is an indispensable resource for anyone interested in the history of the medium.
