

# Aussie Slang Australian Slang Dictionary

John Blackman

*Macquarie Australian Slang Dictionary*, 2004-01-01 Slang permeates Australian society—it can be found in pubs and RSLs, at footy matches and on TV soaps, in the hallowed halls of parliament, in schoolyards (often behind the dunnies), and up the backyard round the barbie no less. From the racy and rude, to the lighthearted and charming, from the hip and happening language of city-dwellers to the dry wit of the true laconic bushy—it's all here in the new Macquarie Australian Slang Dictionary. An entirely new dictionary covering slang from its earliest convict utterances right up to the very latest word. Editor James Lambert is one of Australia's foremost experts having made the study of Australian slang his lifetime occupation. Some features of this edition:- completely up-to-date - definitions written in accessible colloquial English—simple and easy to understand- historical treatment of important items of Aussie slang: fair dinkum, swaggies, Anzacs, humping the bluey, bonzer, Pommy, bludger, etc.- extensive coverage of rhyming slang- special attention given to slang phrases - lists of slang synonyms- regional slang gathered from contributors from all over the country, including hundreds of dinky-di terms never before recorded.

*Aussie Slang Dictionary* Lolla Stewart, 2018-11-01 The ever popular and thoroughly entertaining Aussie Slang Dictionary is back to help you decipher and speak the true local language. Full of dazzling definitions from true-blue Aussies, you'll never be lost for words with this collection of colourful sayings. From 'aerial ping-pong' (AFL) to 'on the wrong tram' (to be following the wrong train of thought) and finishing up with some 'verbal diarrhoea' (never-ending blather), your mind will be brimming with useful (and not so useful!) sayings for your next run-in with a true Aussie character.

*English to Australian Slang Dictionary* Bennett Books, 2019-06-08 Hello or G'day. English to Australian Slang Dictionary. Enjoy over 1001 + Aussie slang words A to Z. Easy to find words and phrase's to impress your friends in Australia and Overseas. After studying this dictionary and working on a couple other things. Maybe you can pass as an Aussie in the Big Smoke. Enjoy Hooroo Mr Bennett Books

**Best of Aussie Slang** John Blackman, 2012-02-15 If you don't buy this book you're one chop short of a barbecue! Is your knowledge of Aussie slang sadly lacking? Are you feeling like a bandicoot on a burnt ridge, and running around like a blue-arsed fly? If so, don't chuck a wobbly, simply take a squiz at John Blackman's Best of Aussie Slang and she'll be apples! This latest literary triumph from John Blackman is the ultimate guide to the lingo of Down Under. Known to millions of Australians as the voice of Hey Hey It's Saturday and the alter ego of Dickie Knee, Blackman defines all the great slang and phrases that confront everyone, every day, all around Australia. So take a Captain Cook at this little beauty, impress the world with your grasp of the Aussie vernacular and find a special place for this masterpiece in your home – preferably one that doesn't flush!

*Dictionary of Australian Slang Terms* Student World, 2017-03-22 A speaker of Standard English gets baffled when he hears two Australians talking informally in their Australian English, for they use hundreds of slang words in their conversation. These words are very much Australian and are obviously almost incomprehensible for a speaker of English language from other parts of the world. They use their slang terms and expressions so frequently that a non-Australian just remains a mute listener. He feels as if the speakers are using some kind of code language. Such slang words and slang expressions are frequently used by Australian sports commentators and actors in Australian movies. Strine is the other word that Australians use for 'slang.' In this dictionary we have included hundreds of Australian slang words and expressions with their definition, meanings, and use. We hope you will find this book very helpful to understand the Australian colloquial language. All the best Student World

*The Essential Lingo Dictionary* John Miller, 2015-06-01 The Essential Lingo Dictionary is a warts-and-all look at the notoriously hilarious (and occasionally a little bit naughty) canon of Australian slang words and phrases, casting light on the quirky, intriguing and often bizarre Australian Aussie language. A must-have for every bookshelf! If you have wondered why his girlfriend is a 'Sheila' even though her name is Sophia, or why your colleagues in Melbourne's suburbs are said to live 'beyond the black stump', then this book is for you. The author, John Miller, has been a journalist for over thirty-five years and is passionate about Australia's history and heritage. As well as making extensive use of written references to compile this book, John interviewed Australians from all walks of life – from outback characters to school kids – to ensure he captured every nuance of Australia's unique language as it is spoken today.

*The Aussie Slang Dictionary* FRANK. POVAH, 2020-11-16 Australian English has always been rich in slang and dialect words, many of which - dinkum for example - came out from Great Britain with the convicts and their meanings and pronunciation changed. Words from Indigenous languages, such as boomerang, began to be adopted and modified almost from the very first - and English words and phrases such as dead-finish were taken into Aboriginal languages, modified and loaned back to the English speakers. As time went by, words still in common use in Australia were no longer current in their country of origin, and so became Australianised.

**The Essential Lingo Dictionary** John Miller, 2015-06-01 The Essential Lingo Dictionary is a warts-and-all look at the notoriously hilarious (and occasionally a little bit naughty) canon of Australian slang words and phrases, casting light on the quirky, intriguing and often bizarre Australian Aussie language. A must-have for every bookshelf! If you have wondered why his girlfriend is a 'Sheila' even though her name is Sophia, or why your colleagues in Melbourne's suburbs are said to live 'beyond the black stump', then this book is for you. The author, John Miller, has been a journalist for over thirty-five years and is passionate about Australia's history and heritage. As well as making extensive use of written references to compile this book, John interviewed Australians from all walks of life - from outback characters to school kids - to ensure he captured every nuance of Australia's unique language as it is spoken today.

*Australian Slang Dictionary*, 197?

*Aussie Slang Dictionary* Lola Stewart, 2016-01-01

**Australian Slang** Gordon Kerr, Anon, 2008 This dictionary brings together a colourful collection of colloquialisms from Down Under, including humorous rhyming slang, inventive insults and comical curses. Celebrating a distinctive and often irreverent language, Australian Slang is a ripper of a read that will delight visitors from OS, as well as true-blue Aussie blokes and sheilas. Read this book to discover the meaning behind perplexing Australian discourses such as this one- G'day mate! How've ya been, you old bastard? Take a butchers at that galah playing aerial ping-pong on the telly. He's about as useful as a one-legged man in an arse-kicking

competition. The drongo'll get the spear if he doesn't pull his socks up.

**Aussie Slang Dictionary** John Blackman,2012-02-15 G'day from the land downunder, the land of grouse-looking sheilas, sunshine, the long weekend and the best beer in the world. Aussies have enjoyed magnificent isolation for over two hundred years. We've never really bothered about keeping up with the rest of the globe. And as a result, we've got a language all our own. But now Paul Hogan has gone and blown the best-kept secret in the universe. We're copping hordes of tourists on our doorstep every day. And our own billy lids are learning a different language that we can't understand. It's time we all got back to basics. And that's why we've published this literary masterpiece – which will be a great reference source for travellers and new settlers in our great land, too.

**Australian Slang Dictionary** ,2009

**Australian Slang** David Tuffley,2012-05-22 Aussie Slang is a richly-textured, often ribald world of understatement and laconic humour. This guide aims to do three things; (a) to help the traveller decipher what they hear around them in everyday Australian life, (b) give the casual reader some insight into informal Australian culture, and (c) make a record of some old Australian expressions that are slipping into disuse now that English has become a global language. Readers will recognize both British and American terms in this list. Australian English has absorbed much from these two great languages. For depth of knowledge of their own language, no-body beats the British. Its their language after all. A thousand years in the making, the English language is embedded deep in the DNA of the British. No-one uses their language more skilfully than they do. On the other hand, American English has a creative power that recognizes no boundaries. Americans have taken a very good all-purpose language and extended it in all kinds of directions with new words describing the world as it is today. They do not generally cling to old forms out of respect for tradition. As Winston Churchill observed, Britain and America ... two great nations divided by the same language. Australian English sits comfortably in the space between the two. Australian English began in the early days of settlement as English English with a healthy dash of Celtic influence from the many Scots, Irish and Welsh settlers who came to Australia. Large numbers of German settlers also came in the 1800's, and their influence on the language is also clearly evident. For over a hundred years, Australia developed in splendid isolation its unique blend of English, tempered by the hardships of heat and cold, deluge and drought, bushfires and cyclones. The harsh environment united people in a common struggle to survive. People helped each other. Strong communitarian loyalties were engendered. It is from this that the egalitarian character of Australia evolved. There is a strong emphasis on building a feeling of solidarity with others. Strangers will call each other mate or luv in a tone of voice ordinarily reserved for close friends and family in other parts of the world. Everyone was from somewhere else, and no-one was better than anyone else. A strong anti-authoritarian attitude became deeply embedded in Australian English. This was mainly directed towards their British overlords who still ran the country as a profitable colony. The Australian sense of humour is generally understated, delivered with a straight-face, and is often self-deprecating in nature. No-one wants to appear to be “up themselves”. Harsh or otherwise adverse conditions had to be met without complaint, so when discussing such conditions, it was necessary to do so with laconic, understated humour. Anyone not doing so was deemed a “whinger” (win-ger). Following World War II the American influence came increasingly to influence Australian culture and therefore the language. No-one is better at selling their popular culture to the world than the United States of America. Their pop culture is a beguiling instrument of foreign policy, so pervasive and persuasive it is. Young Australians enthusiastically embraced American culture, and since the 1940's the old established British language and customs have become blended with the American. If Australian English has a remarkable quality, it is the absence of regional dialects. It is spoken with relative uniformity across the entire nation. Brisbane on the East coast is a 4,300 kilometre (2,700 mile) drive from Perth on the West coast, yet there is little discernible linguistic difference between the two places compared with the difference, for example between Boston and San Francisco in the US. Nowhere else in the world do we see such linguistic uniformity across large distances.

**The Aussie Slang Dictionary for Old and New Australians** John Blackman,1990 Humorous slang dictionary compiled by the radio breakfast show host and media personality, John Blackman. Aimed partly at the tourist market.

**Aussie Slang Dictionary** Frank Povah,2015-05-05 Australian English has always been rich in slang and dialect words, many of which - dinkum for example - came out from Great Britain with the convicts and their meanings and pronunciation changed. Words from Indigenous languages, such as boomerang, began to be adopted and modified almost from the very first - and English words and phrases such as .....

**John Blackman's Best of Aussie Slang** John Blackman,1995 A collection of Australian slang expressions with generally broad and colourful explanations. Many are in common use in our language but with less colloquial meaning. Many are dictionary words while others are arranged as expressions or phrases. Some are accompanied by graphics by the cartoonist Andrew Fyfe. The collection is arranged in alphabetical order. The author is well known for his television character roles and has written two other books, 'The Aussie Slang Dictionary' and 'Don't Come the Raw Prawn'.

**The Essential Lingo Dictionary** John Miller,2015-09-29 The Essential Lingo Dictionary is a warts - and - all look at the notoriously hilarious (and occasionally a little bit naughty) Australian slang words and phrases, casting light on the quirky, intriguing and often bizarre Australian Aussie language. A must - have for every bookshelf! If you have wondered why his girlfriend is a 'Sheila' though her name is Sophia, or why your colleague in Melbourne's suburbs is said to live 'beyond the black stump', then this book is for you.

**Aussie Slang Dictionary** Elly Cridland,2016-06-01
