Murray Walding

Church of the Open Sky Nat Young, 2019-08-20 What makes for a surfing life? With a blaze of groundbreaking performances and a swag of titles claimed from all over the world to his name, Australian world champion surfer Nat Young might know. His seventieth birthday inspired some reflection on exactly that, and on the waves and characters that have marked his remarkable life - Miki Dora and Midget Farrelly to name a few. But surfing for Nat Young - and so many like-minded surfers - has never been about winning, never been about the sport. It's a calling, an endless quest, a philosophy, a religion. Most of all, surfing is a way of life that has underpinned his other identities as board shaper, film producer, writer, raconteur, conservationist, activist, pilot, husband, father. Candid and wryly observed, Church of the Open Sky explores what it means to be a surfer, with a collection of true stories of Nat's surfing life - and the friends, foes and heroes he's met along the way.

Australia's Century of Surf Tim Baker, 2013 Australia's century of surf marks the centenary of the great Hawaiian Olympic swimmer and surfer Duke Kahanamoku's visit to Australia in 1914. Duke was not the first to ride a surfboard in Australia, but his surfing exhibitions in the summer of 1914-15 set in motion a great wave of oceanic obsession that continues to this day. Surfing has morphed from exotic curio to regimented training for lifesavers, from counterculture revolution to respectable mainstream sport. Along the way, it's shaped our coastal migrations, spawned vast business empires and design innovations, produced sports stars and spectacular casualties, and helped the beach overtake the bush as our national, natural habitat of choice.--Back cover.

Surfing Australia Phil Jarratt, 2017-11 The definitive guide to Australia's surfing history, published in conjunction with Surfing Australia. Australian surf culture is over a century old, and it still hasn't grown up. From its roots as an illegal pastime to its current incarnation as a professional sport, surfing's enduring appeal has always been the carefree, quintessentially Australian lifestyle that goes with it. Australian surf culture has always had competing impulses of chaos and order. For every Boot Hill Gang there is a Surf Life Saving Association; for every tragic drug disqualification, a World Title winner. From Tommy Tanna, Alick Wickham and Freddie Williams's pioneering surf lifestyles to the hedonism of 1950s beach culture, the Coolangatta Kids of the 1970s, to the eventual professionalised machine that surfing in Australia has now become, this is the complete, no-holds-barred history of both sides of the story. With forewords by Mark Richards and Layne Beachley, Australia's World Champion surfers, this book is the definitive history of surfing in Australia.

Australia's Hottest One Hundred Surfing Legends Phil Jarratt, 2012-02-01 Perpetually broke, he would eat a spider for a beer, or drink mud from a puddle for a bite of a pie. The history of Australian surfing has been full of pioneers, outlaws, hooligans, and mavericks. This lavishly illustrated book, with profiles of 100 legends of Australian surfing from 'ancient history' (pre-1950s) to the current day, is the perfect gift for any surfer or surf aficionado. Featuring many rare and archival images, along with hundreds of gorgeous contemporary surf shots, Australia's Hottest 100 Surfing Legends is a feast for the eyes. Packed with behind-the-scenes anecdotes from insider author Phil Jarratt, this is a riveting account of the pioneers behind Australian surfing's past, and the mavericks who are now moulding its future.

Aussie Surfing Heroes Mark Occhilupo, Mick Fanning, Tim Baker, 2011-11-30 Two surfing legends in one book! *Occy* is the magically talented child star who crashed and burned, then miraculously crawled from the wreckage to claim his destiny. Australian surfing has produced many great champions, but few have overcome so much, and inspired so many, as Mark Occhilupo and Mick Fanning. Though dramatically contrasting characters, *Occy* and Mick's life stories both serve as powerful primers in the power of dreams, the importance of never giving up, and the courage required to claw your way out of the deepest trough and climb all the way up to the highest peak. *Occy : the Rise and Fall and Rise of Mark Occhilupo and Mick Fanning's Surf For Your Life*, both written together with renowned surf writer Tim Baker, have become modern Australian classics, within the surfing community and beyond. Case studies can make learning more attractive and interesting as well as enable students to understand the theory better and develop their analytical and problem-solving skills. Using industry as an open living lab, case study based research infuses scholars into real-world industry challenges and inspires them to theorise and advance our knowledge frontiers. The book includes international case studies that can help tourism scholars build and advance (new) theories and enrich their educational practices. Case studies are accompanied with a teaching note guiding scholars to integrate case studies into instruction. Dr Kirsten Holmes, Chair, Council for Australasian Tourism and Hospitality Education (CAUTHE) There is a vital need for contemporary and well-structured case studies for use in tourism teaching. By including case studies from Australasia and key destination regions in Asia, Europe, and the Caribbean, the book is helpful for tertiary teachers globally. Professor Xander Lub, President, EuroCHRIE The book inspires educators and students. The cases provide context to students' learning and demonstrate the richness and variation of the industry. The book also clearly demonstrates how research can inform our teaching. Professor Brian King, Chair, THE-ICE Assessment Panel The book includes cases under five themes: experiences, operations, technologies, strategy and marketing, and destinations. The book provides subject lecturers with a structure to guide students of applying theory into practice. Dr Paul Whitelaw, Academic Director, Southern Cross University This book marks a significant contribution to hospitality, tourism and events pedagogy at undergraduate and postgraduate level. At a time when the industry is demanding that our graduates have a strong grasp of "real world issues", the case study approach provides an accessible, meaningful and relatable means by which students can engage in real world issues.
