**The Company Culture Challenge** David Russell,Robert Betzel,2011-08-01 Zappos was broke in 1999 and in 2009 sold itself to Amazon for \$1.2 BILLION. How did they do it? Zappos CEO Tony Hsieh says they succeeded then and now because of his laser focus on developing a superior company culture. The question is, how can YOU do it? This book, The Company Culture Challenge, does more than tell you how. It gives you a step-by-step strategic plan to transform your organization into a high profit leader as you learn how to fully engage your employees and serve your clients so well they can't live without you. Where did it come from? Sick of ideas and random strategies offered by other authors, entrepreneurs David Russell and Rob Betzel developed this 7-step process to transform any company culture into a team of people who take ownership for making certain clients are happy. And happy customers drive faster growth and higher profits. Do not wait. This system is a game changer for any leadership team willing to implement it. In The Company Culture Challenge, these two business zealots have done the work for you. Leaders who follow their straightforward step-by-step system will transform slackers into superstars and casual customers into loyal evangelists. This is crucial information for companies of all sizes because customers have more options than ever, and you need them to think only of you.

**Canada-U.S. Relations** Carl Ek, 2003 During the 1980s, the United States and Canada generally enjoyed very good relations. The early 1990s brought new governments to Ottawa and Washington, and although Canada's Liberal Party emphasized its determination to act independently of the United States when necessary, relations between the two countries continued to be generally cordial. Canada's new Conservative government, under Prime Minister Stephen Harper, is regarded as more philosophically in tune with the Bush Administration than the Liberals were; some observers believe that this compatibility may facilitate bilateral cooperation.--Page 2.
