Get Together Bailey Richardson ,Kevin Huynh ,Kai Elmer Sotto,2019-08-20 A practical and heartfelt guide to cultivating a community, online or IRL. Although communities feel magical, they don't come together by magic. Get Together is a practical and heartfelt guide to cultivating a community. Whether starting a run crew, connecting with fans online, or sparking a movement of K–12 teachers, the secret to getting people together is this: build your community with people, not for them. In Get Together, Bailey Richardson, Kevin Huynh, and Kai Elmer Sotto of People & Company share true stories of everyday people who have created thriving communities, both in person and online. They provide clear steps to untangle the challenge of getting passionate people together, helping individuals and organizations navigate the intricacies of leading a community, including: - How to rally the first people - How to get people talking - How to attract new, authentic folks - How to develop leaders and expand globally. The People & Company team reminds us that we each hold the potential to spark a community. Get Together shows readers that if we join forces—as company and customers, artist and fans, organizer and advocates—we'll do more together than we ever could alone.

Practical Guide to Salesforce Communities Philip Weinmeister,2018-10-14 Whether you are brand new to the world of Salesforce communities or you are looking to take your Community Cloud knowledge to the next level, this

detailed guide will help you to build and manage a Salesforce community by leveraging the declarative power of the platform with clicks, not code. Each Salesforce community is a part of a widespread ecosystem, with thousands of communities and millions of users active today on Community Cloud. Through valuable social and business tools, this online platform enables companies to empower and equip their customers, partners, and employees in new, powerful ways. In this book, Philip Weinmeister, a Salesforce MVP and the first-ever recipient of the "Community Cloud MVP" Trailblazer award, leads you through the ins and outs of Salesforce communities and provides you with an array of best practices to deliver top-notch business portals on the Salesforce platform. Practical Guide to Salesforce Communities is the first book to comprehensively cover this next-generation offering from Salesforce, providing real, actionable guidance to help individuals build effective and engaging online communities. The book takes you through the entire process: from planning and designing a community to configuration/build, setup, and administration, all the way to deployment. Detailed explanations are provided of key components, templates, and features such as Community Builder, Audience Targeting, Lightning Bolts, and much more. Additionally, considerations and best practices are covered, including valuable tips and insights. What You'll Learn Plan and design a community Conceptualize how employees, partners, and customers use and benefit from communities Assess available templates and make an informed selection decision Use Community

Builder and Lightning components within a Lightning community template Apply topics and knowledge articles to a community to increase value and adoption Inject process automation into a community using Workflow, Flow, and Process Builder Create dynamic and personalized user experiences with audience targeting Build, export, and import unique templates with the Lightning Bolt solution framework Provide community data for members or community managers Who This Book Is For Salesforce administrators, Salesforce developers, Salesforce functional architects, Salesforce business analysts, and Salesforce community managers
