The Little Prince: Le Petit Prince Antoine de Saint-Exupery,2018-01-21 The Little Prince [Le Petit Prince], is a novella and famous work of the French writer, poet and pioneering aviator Antoine de Saint-Exupéry (1900-1944). The work is both the most-read and most-translated book in the French language, and was voted the best book of the 20th century in France. After the outbreak of the Second World War, Saint-Exupéry became exiled in North America. In the midst of personal upheavals and failing health, he produced almost half of the writings for which he would be remembered, including a tender tale of loneliness, friendship, love and loss, in the form of a young prince fallen to Earth. An earlier memoir by the author had recounted his aviation experiences in the Sahara Desert, and he is thought to have drawn on those same experiences in The Little Prince.Since its first publication in the United States, the novella has been adapted to numerous art forms and media, including audio recordings, radio plays, live stage, film screen, television, ballet, and operatic works.

The Little Prince Antoine de Saint-Exupéry,2019-01-21 The Little Prince (French: Le Petit Prince) – is an allegorical fable and the most famous work of Antoine de Saint-Exupery. It was first published in April 1943 by publisher “Reynal & Hitchcock” in both English and French. Saint-Exupery wrote the novella while living in New York City; a city he fled to after the occupation of his native France by Nazi Germany. The literary roots of the fable are based on the wandering plot of the rejected prince; while the emotional – on a child’s view of the world. The story line is built around the travels of the Little Prince who hails from the tiny planet B-612. Gradually, his journey becomes not just the literal movement from planet to planet, but more of a way to discover life and the world. Thanks to Saint-Exupery’s artistic methods, adult readers see in the fable, a transcript of a conversation of two old friends; while children get a vivid and easily understandable description of the world that surrounds them. Due mostly to these two factors, The Little Prince has achieved such high levels of recognition and popularity.

The Return of the Young Prince A. G. Roemmers,2016 A man drives alone along the vast, desolate roads of Patagonia, a mystical land. He comes across a starving and helpless teenager, who is now the prince grown older and returned to Earth. The two travellers, extremely different in both background and personality, begin a deep, simple and meaningful conversation that gets to the heart of life's most important questions. The trip becomes a truly spiritual journey, moving from innocence to maturity, from the everyday to the metaphysical, and from sadness and cynicism to happiness and enthusiasm for life.

Flight to Arras Antoine de Saint-Exupéry,1969-10-22 The World War II aviator and author of The Little Prince tells his true story of flying a reconnaissance plane during the Battle of France in 1940. When the Germans first invaded France in May of 1940, the French Air Force had a mere fifty reconnaissance crews, twenty-three of which served in Antoine de Saint-Exupéry’s Group II/33. After only a few days, seventeen of the crews in Saint-Exupéry’s unit had already perished. Flight to Arras is the harrowing story of a single mission over the French town of Arras, an endeavor Saint-Exupéry realized the futility of even as he witnessed it unfolding. Filled with tension, emotion, philosophy, and historical detail, and penned by a master storyteller, this extraordinary memoir serves as a record of a little-known chapter of the Second World War, and an unforgettable portrait of the brave souls who fought despite desperate odds.

The Little Prince - Large Print Edition Antoine de Saint-Exupéry,2017-12-02 The Little Prince is one of the most famous books ever written. It is said to have been translated into 300 languages and dialects. The original in French has also been reprinted by Ishi Press as Le Petit Prince - grande Edition imprimEe ISBN 4871879275 It was first published by Reynal & Hitchcock, New York, 1943. Copies of the first edition are rare and will sell for more than one thousand dollars. Here we have used for this reprint the original translation by Katherine Woods. There are at least six other published English Language translations and so many translations in other languages that it is difficult to count them. For example, there are said to be 70 translations into Chinese. The book was written in French. The English translation was dictated by the publisher. The Little Prince describes his travels to ten planets. The other little planets are asteroids that circle the Sun between Mars and Jupiter. The asteroids have numbers rather than names. The Little Prince lives on one of these asteroids and visits the others. It appears to be similar to and a predecessor of the Star Trek TV series involving a space ship that goes from one planet to another finding different life forms and new adventures on each planet.

Tantras Scott Ciencin,2011-12-13 This title is the second in the popular Avatar series. At the time of its original release, this series presented key events that impacted the entire Forgotten Realms world, and the effects of those events are still felt in current novels. This re-released series will have a cohesive cover design and all-new art. This title was originally released underneath the author pseudonym Richard Awlinson. Heroes Stand Trial! When Elminster, the Old Sage of Shadowdale, is apparently slain, Midnight and Adon stand trial for his murder. When Bane, god of murder, and his allies seek the lost Tablets of Fate, a slender dark-haired woman is all that stands between Faerûn and disaster. When a friend betrays them, Midnight and her companions can trust no one.

One Child Torey Hayden,1981-05-01 Finally, a beginning . . . The time had finally come. The time I had been waiting for through all these long months that I knew sooner or later had to occur. Now it was here. She had surprised me so much by actually crying that for a moment I did nothing but look at her. Then I gathered her into my arms, hugging her tightly. She clutched onto my shirt so that I could feel the dull pain of her fingers digging into my skin. She cried and cried and cried. I held her and rocked the chair back and on its rear legs, feeling my arms and chest get damp from the tears and her hot breath and the smallness of the room.
