The Lost Family Libby Copeland, 2020-03-03 “A fascinating exploration of the mysteries ignited by DNA genealogy testing—from the intensely personal and concrete to the existential and unsolvable.” —Tana French, New York Times–bestselling author You swab your cheek or spit in a vial, then send it away to a lab somewhere. Weeks later you get a report that might tell you where your ancestors came from or if you carry certain genetic risks. Or, the report could reveal a long-buried family secret that upends your entire sense of identity. Soon a lark becomes an obsession, a relentless drive to find answers to questions at the core of your being, like “Who am I?” and “Where did I come from?” Welcome to the age of home genetic testing. In *The Lost Family*, journalist Libby Copeland investigates what happens when we embark on a vast social experiment with little understanding of the ramifications. She explores the culture of genealogy buffs, the science of DNA, and the business of companies like Ancestry and 23andMe, all while tracing the story of one woman, her unusual results, and a relentless methodical drive for answers that becomes a thoroughly modern genetic detective story. Gripping and masterfully told, *The Lost Family* is a spectacular book on a big, timely subject. “An urgently necessary, powerful book that addresses one of the most complex social and bioethical issues of our time.” —Dani Shapiro, New York Times–bestselling author “Before you spit in that vial, read this book.” —The New York Times Book Review “Impeccably researched . . . up-to-the-minute science meets the philosophy of identity in a poignant, engaging debut.” —Kirkus Reviews (starred review)

**Listful Living** Paula Rizzo, 2019-09-15 "We're all juggling a thousand things . . . Rizzo shows us how to create the happier, more productive lives we want, one list at a time." —Gretchen Rubin, #1 New York Times bestselling author Anyone can make a list. But can that list make you a calmer, more mindful, super productive and less stressed version of yourself? It's easy to become overwhelmed by to-dos, bucket lists, and goals. The secret to success is not just about what you put on your list but what you intentionally leave off. Less is more. Leading with intention and how you'd like your life to feel is key. To get your life in order once and for all, Listful Living is the journal you need. Bestselling author and Emmy Award-winning television producer Paula Rizzo helps you make sure you're putting the right things on your list—not just lists of tasks but those things you truly want to do that will nourish your soul. Listful Living is the perfect book for list makers and life planners. Learn to: Tap into your own productivity style to get more done Curate your list making to best serve the lifestyle you want to lead Prioritize what's truly important and be mindful of where you spend your precious energy Create a roadmap to be less stressed "Packed with practical, invaluable prompts and tools . . . Listful Living reminds us that we can accomplish our goals, one small, intentional step at a time." —Margarita Tartakovsky, MS, associate editor and writer at PsychCentral.com "This guide will show you how to get more done with less effort." —Craig Jarrow, founder and author of Time Management

**Professional Responsibility for Business Lawyers** MOORE, 2022-01-31 The purchase of this ebook edition does not entitle you to receive access to the Connected eBook on CasebookConnect. You will need to purchase a new print book to get access to the full experience including: lifetime access to the online ebook with highlight, annotation, and search capabilities, plus an outline tool and other helpful resources. Professional Responsibility casebook with a focus on business and transactional lawyers. Authored by Nancy Moore, a highly visible and respected scholar and teacher in Professional Responsibility, this new casebook covers the fundamental components of a traditional Professional Responsibility course with a focus on how these issues arise in a transactional business law practice. It is designed for use in either a two- or three-credit basic course in Professional Responsibility course or an advanced course or seminar specifically on PR in business and transactional law. The traditional pedagogical approach uses a mixture of narrative and descriptive content, edited cases and ethics opinions, discussion questions, and problems. Professors and students will benefit from: A basic introduction to professional responsibility, with a focus on business and transactional lawyers Thorough explanations of rules and concepts Cases carefully edited to clarify the court's discussion of ethical issues relevant to the chapter topics Textual material provides a foundational understanding of the fundamental topics, allowing the instructor to focus on more difficult material during class time Notes and questions highlight important aspects of each case and prepare students for class discussion Review problems at the end of each chapter - provide a brief overview of material already covered and help students

prepare for the exam Appropriate not only for future transactional lawyers, but also for future litigators The instructor can choose to place or more or less emphasis on the transactional components of the casebook

*The Sketchnote Handbook* Mike Rohde, 2013 This gorgeous, fully illustrated handbook tells the story of sketchnotes--why and how you can use them to capture your thinking visually, remember key information more clearly, and share what you've captured with

others. Author Mike Rohde shows you how to incorporate sketchnoting techniques into your note-taking process--regardless of your artistic abilities--to help you better process the information that you are hearing and seeing through drawing, and to actually have fun taking notes. This special video edition includes access to 70 minutes of video tutorials where viewers can see the author in action, demonstrating drawing techniques discussed in the book. The Sketchnote Handbook explains and illustrates practical sketchnote techniques for taking visual notes at your own pace as well as in real time during meetings and events. Rohde also addresses most people's fear of drawing by showing, step-by-step, how to quickly draw people, faces, type, and simple objects for effective and fast sketchnoting. The book looks like a peek into the author's private sketchnote journal, but it functions like a beginner's guide to sketchnoting with easy-to-follow instructions for drawing out your notes that will leave you itching to attend a meeting just so you can draw about it.

*Other People's Clothes* Calla Henkel, 2022-02-01 Two American ex-pats obsessed with the Amanda Knox trial find themselves at the nexus of murder and celebrity in glittering late-aughts Berlin in this “hugely entertaining” (The New York Times) debut with a wicked sense of humor. “Darkly funny, psychologically rich and utterly addictive... [a] harrowing tale of twisty female friendships, slippery identity and furtive secrets.” —Megan Abbott, best-selling author of *The Turnout* Hoping to escape the pain of the recent murder of her best friend, art student Zoe Beech finds herself studying abroad in the bohemian capital of Europe—Berlin. Rudderless, Zoe relies on the arrangements of fellow exchange student Hailey Mader, who idolizes Warhol and Britney Spears and wants nothing more than to be

an art star. When Hailey stumbles on a posting for a high-ceilinged, prewar sublet by well-known thriller writer Beatrice Becks, the girls snap it up. They soon spend their nights twisting through Berlin's club scene and their days hungover. But are they being watched? Convinced that Beatrice intends to use their lives as inspiration for her next novel, Hailey vows to craft main-character-worthy personas. They begin hosting a decadent weekly nightclub in the apartment, finally gaining the notoriety they've been craving. Everyone wants an invitation to "Beatrice's." As the year unravels and events spiral out of control, they begin to wonder whose story they are living—and how it will end. *Other People's Clothes* brilliantly illuminates the sometimes dangerous intensity of female friendships, as well as offering an unforgettable window into millennial life and the lengths people will go to in order to eradicate emotional pain.

Emerging Writer Award-winning author Carter Sickels. Small-town Appalachia doesn't have a lot going for it, but it's where Brian is from, where his family is, and where he's chosen to return to die. Set in 1986, a year after Rock Hudson's death brought the news of AIDS into living rooms and kitchens across America, Lambda Literary award-winning author Carter Sickels's second novel shines light on an overlooked part of the epidemic, those men who returned to the rural communities and families who'd rejected them. Six short years after Brian Jackson moved to New York City in search of freedom and acceptance, AIDS has claimed his lover, his friends, and his future. With nothing left in New York but memories of death, Brian decides to write his mother a letter asking to come back to the place, and family, he was once so desperate to escape. The Prettiest Star is told in a chorus of voices: Brian's mother Sharon; his fourteen-year-old sister, Jess, as she grapples with her brother's mysterious return; and the video diaries Brian makes to document his final summer. This is an urgent story about the politics and fragility of the body, of sex and shame. Above all, Carter Sickels's stunning novel explores the bounds of family and redemption. It is written at the far reaches of love and understanding, centering on the moments where those two forces stretch toward each other and sometimes touch.

The Bright Side of a Broken Heart Michelle D'Avella, 2017-08-20 Blindsided by a breakup that left her devastated and depressed, the author candidly takes the reader on a redemptive journey through heartbreak. It took this breakup to wake Michelle up to face the truth she had been hiding from. Through the agonizing pain of grief, she reclaimed the parts of herself she had lost in her desperate desire to be loved. The Bright Side of a Broken Heart is a journey through heartbreak and the wisdom gathered along the way. A book for anyone who has loved and lost, fallen into the dark hole of depression, grieved deeply, or is ready to heal.

Textiles, Identity and Innovation: In Touch Gianni Montagna, Manuela Cristina Paulo Carvalho Figueiredo, 2020-05-19 D\_Tex is proposed as a hub around which it is possible to look at textiles in their different forms, in order to better understand, study, adapt and project them for the future. It is intended to build a flow of ideas and concepts so that participants can arrive at new ideas and concepts and work them in their own way, adapting them to their objectives and research. D\_Tex is intended as a space for sharing and building knowledge around textile material in order to propose new understandings and explorations. Present in all areas of knowledge, the textile material bets on renewed social readings and its evolutions to constantly reinvent itself and enable innovative cultural and aesthetic dimensions and unexpected applications to solve questions and promote new knowledge. D\_Tex proposes to promote discussion and knowledge in the different areas where textiles, with all their characteristics, can ensure an important

contribution, combining material and immaterial knowledge, innovative and traditional techniques, technological and innovative materials and methods, but also new organization and service models, different concepts and views on teaching. With the renewed idea of the intrinsic interdisciplinarity of design and sharing with different areas that support each other, the research and practice of textiles was proposed by the D\_TEX Textile Design Conference 2019, held June 19-21, 2019 at the Lisbon School of Architecture of the University of Lisbon, Portugal under the theme In Touch where, as broadly understood as possible, different areas of textiles were regarded as needing to keep in touch with each other and end users in order to promote and share the best they can offer for the welfare of their users and consumers.

"We humans are so unique that it's a wonder that we are not constantly wondering about why we are as we are," said the guide. Africa, round 1920: Hector Fabry, the great adventurer, is dying from malaria. A strange figure kneels down next to him and puts his hand on his forehead. The next moment Hector is alive and well! The strange man who saved his life is following him now — Hector gives him a name: Okapi. And one has ever seen an odd man like Okapi before. This strange man needs help.

He is from another place in time and he is suffering from a deadly disease. Only Hector can help him — he has to travel back in time, to legendary Legio, and come back with the right medicine to save Okapi. And so Hector ends up in Legio, 10.000 years BC, and must try to survive in this crazy civilization...
