Pilgrim at Tinker Creek Annie Dillard, 2009-10-13 Winner of the Pulitzer Prize "The book is a form of meditation, written with headlong urgency, about seeing. . . . There is an ambition about her book that I like. . . . It is the ambition to feel." – Eudora Welty, New York Times Book Review *Pilgrim at Tinker Creek* is the story of a dramatic year in Virginia's Roanoke Valley, where Annie Dillard set out to chronicle incidents of beauty tangled in a rapture with violence. Dillard's personal narrative highlights one year's exploration on foot in the Virginia region through which Tinker Creek runs. In the summer, she stalks muskrats in the creek and contemplates wave mechanics; in the fall, she watches a monarch butterfly migration and dreams of Arctic caribou. She tries to con a coot; she collects pond water and examines it under a microscope. She unties a snake skin, witnesses a flood, and plays King of the Meadow with a field of grasshoppers. The result is an exhilarating tale of nature and its seasons.

The Mountains Sing Que Mai Phan Nguyen, 2021-03-16 The International Bestseller A New York Times Editors' Choice Selection A Winner of the 2020 Lannan Literary Awards Fellowship [An] absorbing, stirring novel . . . that, in more than one sense, remedies history. –The New York Times Book Review "A triumph, a novelistic rendition of one of the most difficult times in Vietnamese history . . . Vast in scope and intimate in its telling . . . Moving and riveting." –VIET THANH NGUYEN, author of *The Sympathizer*, winner of the Pulitzer Prize With the epic sweep of Min Jin Lee's *Pachinko* or Yaa Gyasi's *Homegoing* and the lyrical beauty of Vaddey Ratner's *In the Shadow of the Banyan*, *The Mountains Sing* tells an enveloping, multigenerational tale of the Trần family, set against the backdrop of the Việt Nam War. Trần Diệu Lan, who was born in 1920, was forced to flee her family farm with her six children during the Land Reform as the Communist government rose in the North. Years later in Hà Nội, her young granddaughter, Hương, comes of age as her parents and uncles head off down the Hồ Chí Minh Trail to fight in a conflict that tore apart not just her beloved country, but also her family. Vivid, gripping, and steeped in the language and traditions of Việt Nam, *The Mountains Sing* brings to life the human costs of this conflict from the point of view of the Vietnamese people themselves, while showing us the true power of kindness and hope. *The Mountains Sing* is celebrated Vietnamese poet Nguyễn Phan Quế Mai's first novel in English.

The Lost Metal Brandon Sanderson, 2022-11-15 Return to #1 New York Times bestseller Brandon Sanderson's Mistborn world of Scadrial as its second era, which began with *The Alloy of Law*, comes to its earth-shattering conclusion in *The Lost Metal*. For years, frontier lawman turned big-city senator Waxillium Ladrian has hunted the shadowy organization the Set—with his late uncle and his sister among their leaders—since they started kidnapping people with the power of Allomancy in their bloodlines. When Detective Marasi Colms and her partner Wayne find stockpiled weapons bound for the Outer City of Bilming, this opens a new lead. Conflict between Elendel and the Outer Cities only favors the Set, and their tendrils now reach to the Elendel Senate—whose corruption Wax and Steris have sought to expose—and Bilming is even more entangled. After Wax discovers a new type of explosive that can unleash unprecedented destruction and realizes that the Set must already have it, an immortal kandra serving Scadrial's god, Harmony, reveals that Bilming has fallen under the influence of another god: Trell, worshipped by the Set. And Trell isn't the only factor at play from the larger Cosmere—Marasi is recruited by offworlders with strange abilities who claim their goal is to protect Scadrial...at any cost. Wax must choose whether to set aside his rocky relationship with God and once again become the Sword that Harmony has groomed him to be. If no one steps forward to be the hero Scadrial needs, the planet and its millions of people will come to a sudden and calamitous ruin. Soul Talk Horina Uali-Wari, 2019-12-06 Soul Talk - A Sense of Feeling is a compilation of love poems for young adults. Soul Talk are reflections, thoughts, emotions and imaginations that are sometimes kept and not spoken aloud. I wrote them for keeps - but I would like to share them now with others. I hope you enjoy reading and feel the love that I felt at the time I wrote them. It is a good and healthy exercise to allow yourself to imagine and feel love - even if from afar - than not imagine and not allow yourself to be consumed by love - at all. It is better to live and allow yourself to dream sometimes than not dream at all - and be a living person who is already dead inside.

Florid Victorian Ornament Karl Klimsch, 1977-06-01 Do you want intricate and convoluted scrollwork for a poster or newspaper ad? Are you looking for an ornate floral design for your decoupage? Are you into collage or boxes filled with mementos from the recent, florid past? Or do you want to make Victorian greeting cards or bookplates like those you found in your great-grandfather's books? You'll find designs for these and a multitude of other imaginative projects in this rich and impressive collection overflowing with remarkable Victorian ornament. Klimsch's exceptional quality of rendering these designs, his use of clean lines, shading, and three-dimensional effects in the most complex ornaments, is truly remarkable. He captures the Victorian love of the fantastic and exotic, of a riotous imagination that is ultimately controlled and ordered. These examples of Victorian ornamentation are among the very best that can be found today. Florid Victorian Ornament contains more than 700 metal-engraved designs on 102 plates: borders, frames, corners, leaves, scrollwork, strapwork, rosettes, escutcheons, and cartouches in varied sizes and styles. There are floral motifs: leaves, flowers, vines, wreaths, and vases filled with incredibly ornate, ever-spreading, ever-germinating greenery. There are intricate geometric patterns: Greek frets, interlocking circles, squares, triangles, rectangles, rococo extravagances, curlicues beyond description. And there are the perennial lions, swans, serpents, heads, hats, helmets, vegetables, innocent waifs, lovers, and healthy, overripe women. From this vivid collection commercial artists, craftspeople, and designers will find numerous designs they can readily use in advertising and graphics work or for their own personal enjoyment. And if you are a lover of Victoriana, grab this book and revel in excess.

Alexander Springs in Florida has Amazing Clear Underwater Environments with Fish as Captured in 4K Videos and Pictures! : Snorkeling Videos and Pictures from Florida's Natural Cold Springs Featuring Fish David Heath, Alexander Springs in Florida has amazing clear underwater environments with fish. I shot this underwater footage in breathtaking 4K & 1K Videos and Pictures (UHD & HD)! One of the coolest things you will experience in diving in such clear water is not only a good view of the spring boil itself, the creatures that adorn the springs, and the underwater "landscape" / "seascape"; but very cool light and mirroring phenomena one observes from snorkeling in this absolutely crystal clear spring water in Alexander Springs. It plays with your mind seeing below objects clearly on the underbelly/undercarriage of the spring waters often still surface. Underwater objects and the underwater ambient light is seen as a mirrored image projected on the underside of the surface water's plane. I gained my knowledge of light physics predominantly at Cornell University and IHS, further at the University of Georgia during

graduate school, and especially at film and movie production school at Daytona State College during my last college's video and visual light explorations.
